

Spectrum Brands Holdings Announces Voluntary \$20 Million Prepayment on Term Loan

May 25, 2011

Target Remains Cumulative Debt Reduction of at Least \$200 Million in Fiscal 2011

MADISON, Wis., May 25, 2011 (BUSINESS WIRE) --

In its ongoing program to rapidly pay down debt and significantly strengthen its balance sheet, Spectrum Brands Holdings, Inc. (NYSE: SPB) announced today a voluntary prepayment of \$20 million to reduce its senior secured Term Loan to \$658 million.

The Company made voluntary prepayments of \$50 million in November 2010 and \$20 million in December 2010 on its original Term Loan of \$750 million. Scheduled amortization accounted for an additional \$2 million reduction.

"Given our target of at least \$200 million of debt reduction in fiscal 2011 which began last October 1st," said Dave Lumley, Chief Executive Officer of Spectrum Brands Holdings, "our goal is to make larger and more frequent prepayments on our Term Loan balance in the second half of this year, consistent with our business seasonality. The top priority use of our free cash flow is aggressive debt reduction to reach a target leverage ratio of 3.5 times or less by the end of fiscal 2011 and 3 times or less by the end of fiscal 2012.

"Our management team is focused on creating significant shareholder value by rapidly reducing debt from growing our EBITDA and generating strong free cash flow," Mr. Lumley said.
