August 29, 2011

MADISON, Wis., Aug 28, 2011 (BUSINESS WIRE) --

Spectrum Brands Holdings, Inc. (NYSE: SPB), a global and diversified consumer products company with market-leading brands, today responded to weekend press reports and stated that the Company had not offered to acquire King of Shaves Company Ltd., a UK company with whom Spectrum has a multi-year distribution agreement through its Remington(R) North America personal care division.

Spectrum Brands announced the signing of a multi-year agreement in November 2010 with the King of Shaves Company, under which Spectrum's Remington division, a global leader in Remington branded electric shavers, grooming and styling products, will distribute King of Shaves products in the United States, Canada and Mexico.

In reaffirming its distribution-only agreement with King of Shaves, Spectrum said it looked forward to entering the large and growing U.S. market for men's wet shaving with a full line of products designed to deliver the ultimate shaving experience.

Spectrum Brands' Remington division this fall is launching its Remington King of Shaves Azor(R) 5 line of 5-blade razors, disposable cartridges and shaving gels in the U.S. Remington also will distribute the King of Shaves branded men's grooming products.

The U.S. men's wet shave market, including handles, cartridges and disposable razors, is estimated at nearly \$2 billion in annual retail sales, and growing at a compound annual rate of approximately 4 percent.
