Item 1.01 Entry into a Material Definitive Agreement

On April 29, 2006, at the recommendation of the independent Compensation Committee of the Board of Directors of Zapata Corporation ("Zapata"), the Zapata Board of Directors adopted a senior executive retiree health care benefit plan (the "Plan"). Under the Plan, retired senior executive officers of Zapata who are elected to their positions by the Board of Directors, and their spouses are eligible to receive health insurance benefits consistent with Zapata's existing benefits available to employees, after their retirement from Zapata.

Participation of individuals in the Plan is determined by the Board of Directors upon recommendation of the Compensation Committee. The Board of Directors may consider several factors in determining participation, including length of employment, amount of time elapsed since the individual was last employed by Zapata, other retirement or health care benefits available to the individual and any other factors it deems appropriate.

Malcolm I. Glazer, Zapata's controlling stockholder and former chairman, has been approved for participation under the Plan. Prior to approval of Mr. Glazer's participation in the Plan, the Board of Directors considered Mr. Glazer's years of service to the Company as an employee and consultant, the time since he retired from the Company and his lack of other health care benefits coverage.
