Material Relationships with the Selling Stockholders

Registration Rights Agreements

We entered into an Registration Rights Agreement (the “Registration Rights Agreement”) with the Harbinger Parties pursuant to which, the Harbinger Parties, among other things and subject to the terms and conditions set forth therein, have certain demand and so-called “piggy back” registration rights with respect to (i) any and all shares of common stock owned by the Harbinger Parties and their Permitted Transferees (as defined therein) (irrespective of when acquired) and any shares of common stock issuable or issued upon exercise, conversion or exchange of our other securities owned by the Harbinger Parties, and (ii) any of our securities issued in respect of the shares of our common stock issued or issuable to any of the Harbinger Parties with respect to the securities described in clause (i).

Under the Registration Rights Agreement, any of the Harbinger Parties may demand that we register all or a portion of such Harbinger Party’s shares of our common stock for sale under the Securities Act so long as the anticipated aggregate offering price of the securities to be offered is (i) at least \$30 million if registration is to be effected pursuant to a registration statement on Form S-1 or any similar “long-form” registration or (ii) at least \$5 million if registration is to be effected pursuant to a registration statement on Form S-3 or a similar “short-form” registration. Under the agreement, we are not obligated to effect more than three such “long-form” registrations in the aggregate for all of the Harbinger Parties.

The Registration Rights Agreement also provides that if we decide to register any shares of common stock for our own account or the account of a stockholder other than the Harbinger Parties (subject to certain exceptions set forth in the agreement), the Harbinger Parties may require us to include all or a portion of their shares of common stock in the registration and, to the extent the registration is in connection with an underwritten public offering, to have such shares of common stock included in the offering.

The selling stockholders other than the Harbinger Parties and CF Turul are transferees of the Harbinger Parties. CF Turul is party to a registration rights agreement with respect to the common stock issuable upon the conversion of the Series A Shares, which requires that we register the resale of such shares, subject to certain limitations.

HARBINGER GROUP INC. AND SUBSIDIARIES
UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS
(Amounts in millions, except per share amounts)

On September 4, 2013, Harbinger Group Inc. (“HGI” or the “Company”) announced that its majority owned subsidiary, Spectrum Brands Holdings Inc. (collectively with its consolidated subsidiaries, “Spectrum Brands”), issued new term loans in two tranches in the aggregate principal amount of \$1.15 billion (in aggregate, defined as the “Spectrum Brands New Term Loans”). The first tranche (“Tranche A”) was issued in the aggregate principal amount of \$850.0, and the second tranche (“Tranche C”) was issued in the aggregate principal amount of \$300.0. Tranche A will bear interest at a rate of 3.0% and mature on September 4, 2017. Tranche C will bear interest at a rate of 3.625% and mature on September 4, 2019. The Spectrum Brands New Term Loans were priced at 99.5% of par. Spectrum Brands’ existing term loans outstanding are referred to as the “Tranche B Loans,” and are reflected in our historical consolidated financial statements. Spectrum Brands used the net proceeds from this offering (i) to fund the consummation of the previously announced cash tender offer and consent solicitation to purchase all of its outstanding 9.5% senior secured notes (“9.5% Notes”) due 2018, (ii) to fund the satisfaction and discharge with respect to the 9.5% Notes not tendered in the above mentioned tender offer and consent solicitation and (iii) retained the remainder for working capital and general corporate purposes. Unless as indicated otherwise, words defined in this section have the meaning ascribed to them solely for purposes of this section.

HGI issued \$225.0 aggregate principal amount of incremental 7.875% Senior Secured Notes due 2019 (“New Notes”) at a premium of 101.5% in July 2013. The New Notes were incremental to the \$700.0 aggregate principal amount 7.875% Senior Secured Notes due 2019 issued in December 2012 at an aggregate price equal to 99.36% of the principal amount thereof, with a net original issue discount of \$4.5 (the “7.875% Notes”) and used part of the proceeds of the offering to accept for purchase \$500.0 aggregate principal amount of its 10.625% Senior Secured Notes due 2015 (the “10.625% Notes”) pursuant to a tender offer and redemption of the 10.625% Notes.

On February 14, 2013, HGI Energy Holdings, LLC (“HGI Energy”), a Delaware limited liability company and a wholly-owned subsidiary of HGI completed a joint venture with EXCO Resources, Inc. (“EXCO”) to create a private oil and natural gas limited partnership (the “Partnership”) which purchased and will operate EXCO’s producing U.S. conventional oil and natural gas assets located in West Texas, including and above the Canyon Sand formation, as well as in the Danville, Waskom, Holly and Vernon fields in East Texas and North Louisiana, including and above the Cotton Valley (the “Contributed Properties”). In addition, on March 5, 2013, the Partnership acquired conventional oil and natural gas assets from an affiliate of BG Group plc (“BG Acquisition”). As a result of the BG Acquisition, the Partnership acquired certain conventional oil and natural gas assets in the Danville, Waskom and Holly fields in East Texas and North Louisiana, including and above the Cotton Valley formation, from an affiliate of BG Group plc. These properties represent an incremental working interest in certain properties already purchased by the Partnership from EXCO. For the purposes of these unaudited pro forma condensed combined financial statements, the Partnership with EXCO will be referred to as the “Joint Venture.”

The Company, through its majority-owned subsidiary Spectrum Brands, has also acquired the residential hardware and home improvement business (“the HHI Group”) from Stanley Black & Decker, Inc. (“Stanley Black & Decker”), which includes (i) the equity interests of certain subsidiaries of Stanley Black & Decker engaged in the business and (ii) certain assets of Stanley Black & Decker used or held for use in connection with the business (the “HHI Group Acquisition”). The HHI Group has a broad portfolio of recognized brand names, including Kwikset, Weiser, Baldwin, National Hardware, Stanley, FANAL and Pfister, as well as patented technologies such as Smartkey, a rekeyable lockset technology, and Smart Code Home Connect. A portion of the HHI Group Acquisition closed on December 17, 2012 (the “First Closing”) and a second portion closed on April 8, 2013, consisting of the purchase of certain assets of Tong Lung Metal Industry Co. Ltd., a Taiwan Corporation (“TLM Taiwan”), which is involved in the production of residential locksets (the “Second Closing”).

[Table of Contents](#)

In connection with the HHI Group Acquisition, Spectrum Brands assumed \$520.0 aggregate principal amount of 6.375% Senior Notes due 2020 (the “6.375% Notes”) and \$570.0 aggregate principal amount of 6.625% Senior Notes due 2022 (the “6.625% Notes”). Spectrum Brands financed the remaining portion of the HHI Group Acquisition with a new \$800.0 term loan facility, of which \$100.0 is stated in Canadian dollar equivalents (the “Term Loan”). A portion of the Term Loan proceeds was also used to refinance the former term loan facility, maturing June 17, 2016, which had an aggregate amount outstanding of \$370.2 prior to refinancing.

In March 2013, Fidelity & Guaranty Life Holdings, Inc. (“F&G”), a wholly-owned subsidiary of the Company, issued \$300.0 of 6.375% Senior Notes due 2021 (the “Insurance Notes”).

The unaudited pro forma condensed combined financial statements shown below reflect historical financial information and have been prepared on the basis that the HHI Group Acquisition by Spectrum Brands and the oil and natural gas assets acquired by the Joint Venture were accounted for as business combinations using the acquisition method of accounting. Accordingly, the consideration transferred and the assets acquired and liabilities assumed have been measured at their respective fair values with any excess of the consideration transferred over the fair value of the net assets acquired reflected as goodwill. The unaudited pro forma condensed combined financial statements presented assume that the HHI Group is a wholly-owned subsidiary of Spectrum Brands. In addition, the Joint Venture is accounted for by HGI using the equity method of accounting, pursuant to a gross proportionate presentation, as HGI has significant influence but does not control the joint venture for consolidation purposes under accounting principles generally accepted in the United States of America or “U.S. GAAP”. Accordingly, HGI has reflected 74.5% of the Joint Venture’s assets, liabilities, revenues and expenses in its financial statements, which is equal to its economic interest in the Joint Venture.

As of September 30, 2013, the (i) First Closing and Second Closing of the HHI Group Acquisition and related financing, (ii) the refinancing of the 10.625% Notes with the 7.875% Notes, (iii) the Joint Venture, (iv) the issuance of the Insurance Notes, (v) the issuance of the New Notes and (vi) the issuance of the Spectrum Brands New Term Loans and related extinguishment of the 9.5% Notes are reflected in HGI’s historical audited consolidated balance sheet. Therefore, no unaudited pro forma condensed combined balance sheet has been included herein. See below for further description of the pro forma effect of each of the above-described transactions on the unaudited pro forma condensed combined statement of operations for the year ended September 30, 2013.

The unaudited pro forma condensed combined statement of operations for the year ended September 30, 2013 is presented to reflect (i) the full-period effect of the HHI Group Acquisition and related financing, (ii) the full-period effect of the Joint Venture, (iii) the full-period effect of the refinancing of the 10.625% Notes with the 7.875% Notes, (iv) the full-period effect of the issuance of the Insurance Notes, (v) the full-period effect of the issuance of the New Notes, and (vi) the full-period effect of the issuance of the Spectrum Brands New Term Loans and related extinguishment of the 9.5% Notes.

The unaudited pro forma condensed combined financial statements and the notes thereto were based on and should be read in conjunction with:

- HGI’s historical audited consolidated financial statements and notes thereto for the year ended September 30, 2013; and
- Spectrum Brands’ historical audited consolidated financial statements and notes thereto for the year ended September 30, 2013.

The fair values of the Joint Venture and the HHI Group are based upon our current valuation and the estimates and assumptions used in such valuation are subject to change, which could be significant, within the measurement period (up to one year from the acquisition date). A final determination of the fair values of the assets acquired and liabilities assumed will include management’s consideration of a final valuation. HGI currently expects that the process of determining fair value of the tangible and intangible assets acquired and

liabilities assumed will be completed within one year of the acquisition date. Material revisions to HGI's estimates could be necessary as more information becomes available through the completion of this final determination. The final amounts may be materially different from the information presented in these unaudited pro forma condensed combined financial statements due to a number of factors, including changes in market conditions and financial results which may impact cash flow projections used in the valuation and the identification of additional conditions that existed as of the date of the acquisition.

HGI's historical consolidated financial information has been adjusted in the unaudited pro forma condensed combined financial statements to give effect to pro forma events that are (i) directly attributable to the HHI Group Acquisition and related financing, the Joint Venture, the refinancing of the 10.625% Notes with the 7.875% Notes, the issuance of the Insurance Notes, the issuance of the New Notes, and the issuance of the Spectrum Brands New Term Loans and related extinguishment of the 9.5% Notes, (ii) factually supportable, and (iii) expected to have a continuing impact on HGI's results. The unaudited pro forma condensed combined financial statements do not reflect any revenue enhancements, cost savings from operating efficiencies, synergies or other restructuring, or the costs that would be incurred to achieve such revenue enhancements and cost savings, which could result from the above transactions.

The pro forma adjustments are based upon available information and assumptions that management believes reasonably reflect the HHI Group Acquisition and the related financing; the Joint Venture; the refinancing of the 10.625% Notes with the 7.875% Notes; the issuance of the Insurance Notes; the issuance of the New Notes; and the issuance of the Spectrum Brands New Term Loans and related extinguishment of the 9.5% Notes. The unaudited pro forma condensed combined financial statements are provided for illustrative purposes only and do not purport to represent what our actual consolidated results of operations or our consolidated financial position would have been had the transactions described above, and other identified events occurred on the date assumed, nor are they necessarily indicative of our future consolidated results of operations or financial position.

HARBINGER GROUP INC. AND SUBSIDIARIES
NOTES TO THE UNAUDITED PRO FORMA CONDENSED COMBINED
FINANCIAL STATEMENTS
(Amounts in millions, except per share amounts)

(1) BASIS OF PRO FORMA PRESENTATION

The unaudited pro forma condensed combined financial statements have been prepared using the historical consolidated financial statements of HGI. The HHI Group Acquisition was accounted for using the acquisition method of accounting. The Joint Venture has been accounted for using the equity method of accounting, pursuant to a gross proportionate presentation, as HGI has significant influence but does not control the Joint Venture for consolidation purposes under U.S. GAAP. Accordingly, HGI has reflected 74.5% of the Joint Venture's assets, liabilities, revenues and expenses in its financial statements which is equal to its economic interest in the Joint Venture.

Since separate historical financial statements in accordance with U.S. GAAP, have never been prepared for the Joint Venture, certain indirect expenses, as further described in Note 5, *Excluded Costs-Joint Venture*, were not allocated to the Joint Venture and have been excluded from the accompanying unaudited pro forma condensed combined financial statements.

(2) SIGNIFICANT ACCOUNTING POLICIES

The accounting policies for the Joint Venture and the HHI Group have been included in our historical consolidated financial statements for a portion of the year ended September 30, 2013. The oil and natural gas accounting policies were adopted on February 14, 2013 upon completion of the Joint Venture with EXCO, with the Joint Venture's results of operations recorded in our consolidated statement of operations from that date forward. Additionally, the HHI Group's accounting policies and results of operations were included in our historical consolidated financial statements after the closing dates of December 17, 2012 and April 8, 2013, respectively, discussed in further detail below.

(3) HHI GROUP ACQUISITION—HISTORICAL AND PRO FORMA ADJUSTMENTS

Spectrum Brands acquired the HHI Group from Stanley Black & Decker, which includes (i) the equity interests of certain subsidiaries of Stanley Black & Decker engaged in the business and (ii) certain assets of Stanley Black & Decker used or held for use in connection with the business. A portion of the HHI Group Acquisition closed on December 17, 2012 (the First Closing) and a second portion closed on April 8, 2013, consisting of the purchase of certain assets of TLM Taiwan, which is involved in the production of residential locksets (the Second Closing), for a negotiated purchase price of \$100.0.

- (a) HGI estimated that cost of sales would increase during the first inventory turn subsequent to the acquisition date due to the sale of inventory that was adjusted to fair value in purchase accounting. For the year ended September 30, 2013, an increase of \$31.0 to cost of sales that resulted from the sale of inventory adjusted to fair value in purchase accounting was eliminated from the historical results in the unaudited pro forma condensed combined statement of operations, as this amount is considered non-recurring.
- (b) Adjustment reflects increased depreciation expense of \$0.4 for the period from October 1, 2012 to April 8, 2013 associated with the adjustment to record the HHI Group's property, plant and equipment at fair value.
- (c) Adjustment reflects increased amortization expense of \$3.1 for the period from October 1, 2012 to April 8, 2013 associated with the adjustment to record the HHI Group's intangible assets at fair value.
- (d) HGI has incurred \$36.9 for the year ended September 30, 2013 of transaction costs, primarily professional fees, in its historical financial results for the periods presented. These costs have been excluded from the unaudited pro forma condensed combined statements of operations, as these amounts are considered non-recurring.

- (e) The related financing from the HHI Group Acquisition resulted in substantial changes to HGI's debt structure. The interest expense adjustments resulted in a net increase of approximately \$1.2 for the year ended September 30, 2013. The pro forma adjustment to interest expense represents the expense for the period from October 1, 2012 to December 16, 2012, with the remaining related interest expense for the year ended September 30, 2013 reflected in our historical consolidated results of operations. The pro forma adjustment consists of the following:

	Assumed Interest Rate	Year Ended September 30, 2013
Term Loan Facility—USD (\$700.0)	4.750%	\$ 6.9
Term Loan Facility—CAD (\$100.0)	5.000%	1.0
Senior Secured Notes, due 2020 (\$520.0)	6.375%	6.9
Senior Secured Notes, due 2022 (\$570.0)	6.625%	7.9
Amortization of debt issuance costs		1.1
Amortization of original issue discount		0.2
Total pro forma interest expense		24.0
Less: elimination of interest expense related to prior term loan facility		4.1
Less: elimination of interest expense related to the financing (1)		18.7
Pro forma adjustment to interest expense		\$ 1.2

- (1) The costs associated with the financing of the HHI Group Acquisition (which included the write-off of historical deferred financing costs, bridge financing fees and other financing costs) have been eliminated from the unaudited pro forma condensed combined statement of operations for the year ended September 30, 2013, as these amounts are non-recurring.

LIBOR rates are currently below the interest rate floor for our variable rate debt arrangements, and hence, a 1/8% change in interest rates would not impact interest expense in the unaudited pro forma condensed combined statement of operations.

- (f) As a result of Spectrum Brands' and the HHI Group's existing income tax loss carry forwards in the U.S., for which full valuation allowances have been provided, no income tax has been provided related to the acquisition related adjustments that impacted pretax income for the year ended September 30, 2013.
- (g) Adjustment reflects non-controlling interest in Spectrum Brands' pro forma income from continuing operations resulting from the assumed HHI Group Acquisition and related debt transactions using a non-controlling interest factor of 40.8%.
- (h) The pro forma adjustments below relate to the results of the HHI Group's operations from October 1, 2012 to December 16, 2012 related to the First Closing and the results of the operations of the Second Closing from October 1, 2012 to April 8, 2013, both of which are not included within the historical results. The results of operations for the period from April 9, 2013 to September 30, 2013 are included in HGI's historical results.

	First Closing	Second Closing	Total
	Period from October 1, 2012 to December 16, 2012	Period from October 1, 2012 to April 8, 2013	Adjustments Related to the First Closing and Second Closing
Net sales	\$ 191.8	\$ 34.4	\$ 226.2
Cost of goods sold	123.3	30.7	154.0
Selling, general and administrative expenses	44.1	4.6	48.7
Other income	—	0.4	0.4
Tax expense (1)	8.9	(0.2)	8.7

- (1) The tax adjustment for the period from October 1, 2012 to December 16, 2012 was computed using a combined federal and state effective tax rate of 36.5% based on the domestic effective tax rate reflected in HHI Group's audited financial statements for the period ended September 29, 2012.

(4) PRO FORMA ADJUSTMENTS—JOINT VENTURE

- (a) HGI has incurred \$9.2 of transaction costs for the year ended September 30, 2013. These costs have been excluded from the unaudited pro forma condensed combined statements of operations as these costs are considered non-recurring.
- (b) Pro forma adjustment to provide depreciation, depletion and amortization of \$19.8 for the period from October 1, 2012 to February 13, 2013, based on pro forma fair values attributable to the amortizable full cost pool and historical oil and natural gas production for such period.
- (c) Pro forma adjustment to reflect accretion of the discount of \$0.6 attributable to asset retirement obligations for the period from October 1, 2012 to February 13, 2013, with respect to the asset retirement obligations attributable to the Joint Venture.
- (d) Pro forma adjustment of \$3.2 to reflect general and administrative costs for the period from October 1, 2012 to February 13, 2013, for estimated contractual reimbursements to EXCO pursuant to an Administrative Services Agreement, or ASA, and other direct general and administrative expenses to the Joint Venture stipulated in the ASA.
- (e) Pro forma adjustment to reflect interest expense of \$3.2 for the period from October 1, 2012 to February 13, 2013 as if the revolving credit facility and the initial borrowing under the facility had taken place on October 1, 2011 and was outstanding for the entire period, based on an interest rate of 2.7%. This amount includes amortization of deferred financing costs incurred in connection with the revolving credit facility of \$0.4. An increase or decrease of 1/8% in the assumed interest rate of the credit facility for the period from October 1, 2012 to February 13, 2013 would impact pro forma interest expense by \$0.3 for the year ended September 30, 2013.
- (f) The Joint Venture is not directly subject to federal income taxes. Instead, its taxable income or loss is allocated to its individual partners, and will not have an impact on HGI's current and deferred tax position due to HGI's existing income tax loss carry forwards in the U.S., for which full valuation allowances have been provided.
- (g) Pro forma adjustment to reflect the historical revenues and direct operating expenses for the Joint Venture for the period from October 1, 2012 to February 13, 2013.

(5) EXCLUDED COSTS—JOINT VENTURE

Prior to the formation of the Joint Venture, the Joint Venture's properties were part of a much larger organization where indirect general and administrative expenses, interest, income taxes, and other indirect expenses were not allocated to the Joint Venture's properties and have therefore been excluded from the unaudited pro forma condensed combined financial statements.

(6) PRO FORMA ADJUSTMENTS—7.875% NOTES AND NEW NOTES

- (a) In December 2012, HGI issued the 7.875% Notes and used part of the proceeds of the offering to accept for purchase \$500.0 aggregate principal amount of its 10.625% Notes pursuant to a tender offer and subsequent redemption for the 10.625% Notes. Under the terms of the 10.625% Notes, HGI redeemed these Notes at 100% of the principal amount plus a breakage fee, plus accrued and unpaid interest. In connection with the 7.875% Notes in December 2012, HGI recorded \$58.9 of charges to "Interest Expense" in the audited consolidated statements of operations for the year ended September 30, 2013, consisting of \$45.7 of cash charges for fees and expenses related to the issuance of the 7.875% Notes, \$0.2 of cash charges related to the remaining \$2.0 aggregate principal amount of the Company's 10.625% Notes, and \$13.0 of non-cash charges for the write down of debt issuance costs and net unamortized discount. These costs have been excluded from the unaudited pro forma condensed combined financial statements as these amounts are considered non-recurring.

[Table of Contents](#)

In addition to the above, in July 2013, HGI issued an incremental \$225.0 aggregate principal amount 7.875% of Senior Secured Notes due 2019. The New Notes were issued at a premium of 101.5%. In connection with the New Notes offering, the Company recorded \$5.1 of deferred financing fees during the year ended September 30, 2013.

The expected increase in the interest expense related to the issuance of the 7.875% Notes and the New Notes for the year ended September 30, 2013 was calculated as follows:

	Year Ended September 30, 2013
Estimated expense on 7.875% Notes	\$ 55.1
Amortization of original issue discount on 7.875% Notes	0.5
Amortization of debt issuance costs on 7.875% Notes	2.4
Estimated expense on New Notes	17.7
Amortization of original issue premium on New Notes	(0.5)
Amortization of debt issuance costs on New Notes	0.7
Total pro forma annual interest expense	75.9
Less: Elimination of historical interest expense	61.2
Pro forma adjustment to interest expense	\$ 14.7

- (b) The increase in pro forma interest expense for the 7.875% Notes and New Notes will not have an impact on HGI's current and deferred tax position due to HGI's existing income tax loss carry forwards in the U.S., for which full valuation allowances have been provided.

(7) INSURANCE NOTES

On March 22, 2013, HGI announced that its wholly-owned subsidiary, F&G, priced an offering of \$300.0 aggregate principal amount of 6.375% Senior Notes due 2021. The notes were priced at par with a coupon of 6.375%, and will mature on April 1, 2021. F&G used the net proceeds from this offering to (i) pay a dividend of \$73.0, (ii) purchase a \$195.0 surplus note from Fidelity & Guaranty Life Insurance Company ("FGLIC") and (iii) retained the remainder for general corporate purposes.

- (a) The deferred financing fees associated with the Insurance Notes were \$10.2. The pro forma adjustment related to the annual amortization of the deferred financing fees for the year ended September 30, 2013 was \$3.0.
- (b) The expected increase in the interest expense related to the issuance of the Insurance Notes for the year ended September 30, 2013 was calculated as follows:

	Year Ended September 30, 2013
Estimated expense on Insurance Notes	\$ 19.1
Amortization of debt issuance costs on Insurance Notes	3.0
Total pro forma annual interest expense	22.1
Less: Elimination of historical interest expense	11.5
Pro forma adjustment to interest expense	\$ 10.6

- (c) The increase in pro forma interest expense for the Insurance Notes will not have an impact on HGI's current and deferred tax position due to HGI's existing income tax loss carry forwards in the U.S., for which full valuation allowances have been provided.

(8) SPECTRUM BRANDS NEW TERM LOANS

On September 4, 2013, HGI announced that its majority-owned subsidiary, Spectrum Brands, issued new term loans in two tranches in the aggregate principal amount of \$1.15 billion. Tranche A was issued in the aggregate principal amount of \$850.0, and Tranche C was issued in the aggregate principal amount of \$300.0. Tranche A will bear interest at a rate of 3.0% and mature on September 4, 2017. Tranche C will bear interest at a rate of 3.625% and mature on September 4, 2019. The Spectrum Brands New Term Loans were priced at 99.5% of par. The Tranche B Loans are reflected in our historical consolidated financial statements. Spectrum Brands used the net proceeds from this offering (i) to fund the consummation of the previously announced cash tender offer and consent solicitation to purchase all of its outstanding 9.5% Notes due 2018, (ii) to fund the satisfaction and discharge with respect to the 9.5% Notes not tendered in the above mentioned tender offer and consent solicitation and (iii) retained the remainder for working capital and general corporate purposes.

- (a) The deferred financing fees associated with the Spectrum Brands New Term Loans were \$16.4. The pro forma adjustment related to the amortization of the deferred financing fees for the year ended September 30, 2013 was \$3.4.
- (b) The interest expense adjustments for the period from October 1, 2012 to September 3, 2013 resulted in a net decrease of \$163.6 for the fiscal year ended September 30, 2013. The adjustment consists of the following:

	Interest Rate	Year Ended September 30, 2013
Spectrum Brands New Term Loans—Tranche A (\$850.0)	3.0%	\$ 23.4
Spectrum Brands New Term Loans—Tranche C (\$300.0)	3.625%	10.0
Amortization of debt issuance costs		3.4
Amortization of original issue discount		1.2
Total pro forma interest expense		38.0
Less: elimination of interest expense related to 9.5% Notes		79.4
Less: elimination of one-time interest expense items related to the financing		122.2
Pro forma adjustment to interest expense		\$ (163.6)

LIBOR rates are currently below the interest rate floor for Spectrum Brands' variable rate debt arrangements, and hence, a 1/8% change in interest rates would not impact interest expense in the unaudited pro forma condensed combined statement of operations.

- (c) As a result of HGI and Spectrum Brands' existing income tax loss carryforwards in the U.S., for which valuation allowances have been established, no income tax adjustments have been provided related to the Spectrum Brands New Term Loans.

In connection with the sales of the common stock, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions which in turn may:

- engage in short sales of the common stock in the course of hedging their positions;
- sell the common stock short and deliver the common stock to close out short positions;
- loan or pledge the common stock to broker-dealers or other financial institutions that in turn may sell the common stock;
- enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer or other financial institution of the common stock, which the broker-dealer or other financial institution may resell under the prospectus; or
- enter into transactions in which a broker-dealer makes purchases as a principal for resale for its own account or through other types of transactions.

Any selling stockholder will act independently of us in making decisions with respect to the timing, manner and size of each sale of shares of common stock covered by this prospectus.

In this prospectus, the term “selling stockholders” includes the selling stockholders and their respective successors, which include their donees, pledgees, distributees or transferees and other successors-in-interest.

The selling stockholders may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by or borrowed from us, the selling stockholder or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from the selling stockholders in settlement of those derivatives to close out any related open borrowings of stock. The third party in such sale transactions will be an underwriter and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment). In addition, the selling stockholders may otherwise loan or pledge securities to a financial institution or other third party that in turn may sell the securities short using this prospectus. Such financial institution or other third party may transfer its economic short position to investors in our securities or in connection with a concurrent offering of other securities.

The common stock may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. The obligations of underwriters or dealers to purchase the common stock offered will be subject to certain conditions precedent and the terms of any agreement entered into with the underwriters. Any public offering price and any discount or concession allowed or reallocated or paid by underwriters or dealers to other dealers may be changed from time to time.

To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholders and any underwriter, broker-dealer or agent regarding the sale of the common stock by the selling stockholders.

The selling stockholders may also transfer their shares of common stock in ways not involving market makers or established trading markets, including directly by gift, distribution, or other transfer. The selling stockholders may also sell any shares of common stock that qualify for sale pursuant to Rule 144.

Our common stock is listed on the NYSE under the symbol “HRG.”

There can be no assurance that any selling stockholder will sell any or all of the common stock under this prospectus. Further, we cannot determine whether any such selling stockholder will transfer, devise or gift the common stock by other means not described in this prospectus. In addition, any common stock covered by this prospectus that qualify for sale under Rule 144 of the Securities Act may be sold under Rule 144 rather than under this prospectus. The common stock covered by this prospectus may also be sold to non-U.S. persons outside the U.S. in accordance with Regulation S under the Securities Act rather than under this prospectus. The common stock may be sold in some states only through registered or licensed brokers or dealers. In addition, in some states the common stock may not be sold unless it has been registered or qualified for sale or an exemption from registration or qualification is available and complied with.

The selling stockholders and any other person participating in the sale of the common stock will be subject to the Exchange Act. The Exchange Act rules include, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the common stock by the selling stockholders and any other such person. In addition, Regulation M may restrict the ability of any person engaged in the distribution of the common stock to engage in market-making activities with respect to the particular common stock. This may affect the marketability of the common stock and the ability of any person or entity to engage in market-making activities with respect to the common stock.

Underwriters, dealers or agents may be authorized to solicit offers by certain institutional investors to purchase the common stock from the selling stockholders pursuant to contracts providing for payment and delivery at a future date. Institutional investors with which these contracts may be made include, among others:

- commercial and savings banks;
- insurance companies;
- pension funds;
- investment companies; or
- educational and charitable institutions.

We have agreed to indemnify the selling stockholders against certain liabilities, including liabilities under the Securities Act.

We have agreed to pay substantially all of the expenses incidental to the registration, offering and sale of the common stock to the public, including the payment of federal securities law and state blue sky registration fees, except that we will not bear, among other things, underwriting fees, discounts or commissions or transfer taxes relating to the sale of the common stock.

DESCRIPTION OF CAPITAL STOCK

Our authorized capital stock consists of 500,000,000 shares of common stock, par value \$0.01 per share, and 10,000,000 shares of preferred stock, par value \$0.01 per share. As of December 2, 2013, we have 145,243,773 shares of common stock and 61,985,780 shares of Preferred Stock outstanding. Summarized below are material provisions of our certificate of incorporation (including the certificates of designation of the Preferred Stock) and by-laws as currently in effect, as well as relevant sections of the Delaware General Corporation Law (the “DGCL”). The following summary is qualified in its entirety by the provisions of our certificate of incorporation and by-laws, copies of which have been filed as exhibits to our 2013 Annual Report, which is incorporated herein by reference, and by the applicable provisions of the DGCL.

Common stock

The holders of our common stock are entitled to one vote per share on all matters submitted to a vote of stockholders, including the election of directors. Holders of the common stock do not have any preemptive rights or cumulative voting rights, which means that the holders of a majority of the outstanding common stock voting for the election of directors can elect all directors then being elected. The holders of our common stock are entitled to receive dividends when, as, and if declared by our board out of legally available funds. Upon our liquidation or dissolution, the holders of common stock will be entitled to share ratably in those of our assets that are legally available for distribution to stockholders after payment of liabilities and subject to the prior rights of any holders of preferred stock then outstanding. All of the outstanding shares of common stock are, and the shares of common stock to be sold in this offering when issued and paid for will be, fully paid and nonassessable. The rights, preferences and privileges of holders of common stock are subject to the rights of the holders of shares of the Preferred Stock and of any other series of preferred stock that may be issued in the future.

Preferred stock

Our board of directors is authorized, subject to limitations prescribed by Delaware law and our certificate of incorporation, to determine the terms and conditions of the preferred stock, including whether the shares of preferred stock will be issued in one or more series, the number of shares to be included in each series and the powers, designations, preferences and rights of the shares. Our board of directors is also authorized to designate any qualifications, limitations or restrictions on the shares without any further vote or action by the stockholders. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of our company and may adversely affect the voting and other rights of the holders of our common stock, which could have an adverse impact on the market price of our common stock.

Series A and Series A-2 Preferred Stock

The following discussion provides only a summary of the terms of the Preferred Stock. For a more complete understanding of the Preferred Stock, we urge you to review the certificates of designation of the Series A Shares and the Series A-2 Shares, including amendments thereto, which have been filed as exhibits to our 2013 Annual Report and incorporated herein by reference.

Dividends. The Preferred Stock will accrue a cumulative quarterly cash dividend at an annualized rate of 8%. The Purchase Price of the Preferred Stock will accrete quarterly at an annualized rate of 4% reduced to 2% or 0% if the Company achieves specified rates of growth measured by increases in its net asset value. The Preferred Stock is also entitled to participate in cash and in-kind distributions to holders of shares of common stock on an as-converted basis.

Optional Conversion. Each share of Preferred Stock may be converted by the holder into common stock at any time based on the then applicable conversion price. The initial conversion price is \$6.50 for the Series A Shares and \$7.00 for the Series A-2 Shares and is subject to adjustment for dividends, certain distributions, stock splits, combinations, reclassifications, reorganizations, recapitalizations and similar events, as well as in

[Table of Contents](#)

connection with issuances of common stock (and securities convertible or exercisable for common stock) below the conversion price (which adjustment shall be made on a weighted average basis). Until certain regulatory filings are made and approvals are obtained and effective, Preferred Stock may not be converted if upon such conversion the holder's beneficial ownership would exceed certain thresholds.

Automatic Conversion/Mandatory Redemption. On May 13, 2018, holders of the Preferred Stock are entitled to cause the Company to redeem the Preferred Stock at the Purchase Price per share plus accrued but unpaid dividends. Each share of Preferred Stock that is not so redeemed will be automatically converted into shares of common stock at the applicable conversion price then in effect.

Upon a change of control (as defined in the certificates of designation), holders of the Preferred Stock are entitled to cause the Company to redeem its Preferred Stock at a price per share equal to the sum of 101% of the Purchase Price and any accrued and unpaid dividends, including accrued and unpaid cash and accreting dividends for the then current dividend period.

Optional Redemption. At any time after May 13, 2014, the Company may redeem the Preferred Stock, in whole but not in part, at a price per share equal to 150% of the Purchase Price plus accrued but unpaid dividends, subject to the holder's right to convert prior to such redemption.

Mandatory Conversion. After May 13, 2014, the Company may force conversion of the Preferred Stock into common stock if the thirty day volume weighted average price of our common stock, or VWAP, and the daily VWAP exceeds 150% of the then applicable Conversion Price for at least twenty trading days out of the thirty trading day period used to calculate the thirty day VWAP. In the event of a forced conversion, the holders of Preferred Stock will have the ability to elect cash settlement in lieu of conversion if certain market liquidity thresholds for the common stock are not achieved. In addition, for so long as CF Turul owns sufficient combined voting power (through ownership of Preferred Stock and common stock) to entitle it to have consent rights or to nominate directors or appoint observers (as described below), the Company's ability to force conversion shall be limited so that CF Turul LLC retains at least one share of Preferred Stock, enabling it to continue to exercise its right to nominate directors, appoint observers or exercise consent rights associated with the Preferred Stock, but such Preferred Stock shall have no other rights or preferences. Upon CF Turul ceasing to own sufficient combined voting power to exercise these rights, the retained share shall be automatically cancelled.

Liquidation Preference. In the event of any liquidation or winding up of the Company, the holders of Preferred Stock will be entitled to receive per share the greater of (i) 150% of the Purchase Price, plus any accrued and unpaid dividends and (ii) the value that would be received if the share of Preferred Stock were converted into common stock immediately prior to the liquidation or winding up.

Participation Rights. Prior to May 13, 2016 with respect to the Series A Shares and prior to August 5, 2016 with respect to the Series A-2 Shares, subject to meeting certain ownership thresholds, certain Purchasers will be entitled to participate, on a pro rata basis in accordance with their ownership percentage, determined on an as-converted basis, in issuances of equity and equity linked securities by the Company. In addition, subject to meeting certain ownership thresholds, certain Purchasers of Preferred Stock will be entitled to participate in issuances of preferred securities and in debt transactions of the Company.

Voting Rights. The holders of the Preferred Stock will be entitled to vote on an as-converted basis with the Company's holders of common stock on all matters submitted to a vote of the holders of common stock for all purposes. However, until approval is obtained from certain insurance regulatory authorities, no holder of Preferred Stock may, at any time, vote more than 9.9% of the total number of votes which may be cast in a general election of a director of the Company.

Consent Rights. Consent of the holders of Preferred Stock is required before certain fundamental changes that can be made to the Preferred Stock, including changes to the terms of the Preferred Stock with respect to

liquidation preference, dividend, or redemption rights. Consent of the holders of a majority of Preferred Stock is required before, subject to certain exceptions, certain material actions may be taken with respect to the Preferred Stock including issuing stock senior or *pari passu* to the Preferred Stock and incurring debt, or permitting a subsidiary to incur debt or selling assets or permitting a subsidiary to sell assets not otherwise permitted by the indenture relating to the Company's Senior Secured Notes due 2015 (or any replacement thereof). While CF Turul continues to own at least 50% of the Series A Shares it initially purchased (either as Preferred Stock or common stock upon conversion), consent of CF Turul is required before any action may be taken which, pursuant to the express terms of the certificate of designation, requires approval by a majority of the holders of Preferred Stock or any action with respect to certain related party transactions between the Company and its affiliates.

Board Representation. Subject to certain approval from certain insurance regulatory authorities, so long as CF Turul owns at least 50% of the Series A Shares it initially purchased or 10% of the outstanding common stock on an as-converted basis, CF Turul shall have the right to appoint one director to the Board who shall be entitled to be a member of any committee of the Board (except for any special committee formed to consider a related party transaction involving CF Turul).

If CF Turul does not appoint a director, subject to meeting certain ownership thresholds, CF Turul has the right to appoint an observer to attend all meetings of the Board, any committee of the Board, and the board of any wholly owned subsidiary of the Company on which it does not have a director. Upon a specified breach event (described in the Section "*Terms of the Series A Shares—Other Covenants*" below) the size of the Board will be increased by one or two directors, depending on whether CF Turul LLC has appointed a director prior thereto. CF Turul, or a majority of Purchasers if CF Turul at that time owns less than a threshold amount, in either common stock or Preferred Stock, will have the right to appoint one or two directors, reasonably acceptable to the Board.

Subject to meeting certain ownership thresholds, in the event that Philip A. Falcone ceases to have principal responsibility for the Company's investments for a period of more than 90 consecutive days, other than as a result of temporary disability, and CF Turul does not approve the Company's proposed business continuity plan, CF Turul may appoint such number of directors that, when the total number of directors appointed by CF Turul is added to the number of independent directors, that number of directors is equal to the number of directors employed by or affiliated with the Company or the Harbinger Parties and their affiliates (the "Harbinger Affiliates").

Notwithstanding all of the foregoing, CF Turul's representation on the Board will always be less than or proportionate (save for rounding up, where necessary) to its beneficial ownership of the Company's common stock and will otherwise comply with the rules of the NYSE and certain insurance regulatory authorities.

Other Covenants. The certificates of designation include additional terms regarding obligations of the Company. Upon a specified breach event (which shall include an event of default under the indenture relating to the Company's previously outstanding Senior Secured Notes due 2015, the Company's failure to pay any dividends for a period longer than 90 days the Company's failure to perform certain covenants under the certificates of designation, and causing the delisting of its common stock), the Company shall be prohibited from making certain restricted payments, incurring certain debt, and entering into certain agreements to purchase debt or equity interests in portfolio companies of the Harbinger Affiliates and related parties (other than the Company) or to sell equity interests in portfolio companies of the Company to the Harbinger Affiliates and related parties.

Directors' liability; indemnification of directors and officers

Section 145 of the DGCL authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities, including reimbursements for expenses incurred arising under the Securities Act.

Our certificate of incorporation provides that a director will not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except:

- for any breach of the duty of loyalty;
- for acts or omissions not in good faith or which involve intentional misconduct or knowing violations of law;
- for liability under Section 174 of the DGCL (relating to unlawful dividends, stock repurchases or stock redemptions); or
- for any transaction from which the director derived any improper personal benefit.

The effect of this provision is to eliminate our rights, and our stockholders' rights, to recover monetary damages against a director for breach of a fiduciary duty of care as a director. This provision does not limit or eliminate our rights or those of any stockholder to seek non-monetary relief such as an injunction or rescission in the event of a breach of a director's duty of care. The provisions will not alter the liability of directors under federal securities laws. In addition, our certificate of incorporation and by-laws will provide that we indemnify each director and the officers, employees and agents determined by our board of directors to the fullest extent provided by the laws of the State of Delaware.

Any amendment to or repeal of these provisions will not adversely affect any right or protection of our directors in respect of any act or failure to act that occurred prior to any amendment to or repeal of such provisions or the adoption of an inconsistent provision. If the DGCL is amended to provide further limitation on the personal liability of directors of corporations, then the personal liability of our directors will be further limited to the greatest extent permitted by the DGCL. Our by-laws authorize us to indemnify our directors and officers and we must advance expenses, including attorneys' fees, to our directors and officers in connection with legal proceedings, subject to very limited exceptions. We intend to maintain director and officer liability insurance, if available on reasonable terms.

Certain certificate of incorporation, by-law and statutory provisions

Some of the provisions of our certificate of incorporation and by-laws summarized below may have an anti-takeover effect and may delay, defer or prevent a tender offer or takeover attempt that you might consider in your best interest, including an attempt that might result in your receipt of a premium over the market price for your shares.

Stockholder action by written consent; special meetings of stockholders

Our certificate of incorporation permits stockholder action by written consent in lieu of a meeting in accordance with Delaware law. A special meeting of our stockholders can be called only by the chairman of the board or any three members of the board of directors. A special meeting cannot be called by stockholders.

Advance notice requirements for stockholder proposals and director nominations

Our by-laws require stockholders to provide to the board of directors not less than 90 days' and not more than 120 days' advance notice of business proposed to be brought before, and of nominations of directors to be made at, a stockholder meeting. The content of the notice must include the stockholder's beneficial stock ownership information, including his or her derivative and short positions and all information required by Regulation 14A of the SEC proxy rules. Failure to deliver proper notice in a timely fashion results in exclusion of the proposal from stockholder consideration at the meeting. In the case of nominations of directors, our by-laws also require nominees to respond to a questionnaire providing information about the candidate's background and qualifications, to represent that he or she has no agreements with any third party as to voting or compensation in connection with his or her service as a director, and to agree to abide by applicable confidentiality, governance, conflicts, stock ownership and trading policies of the Company.

Election and removal of directors

Our board of directors is divided into three classes. The directors in each class serve for a three-year term, one class being elected each year by our stockholders. Our board of directors may elect a director to fill a vacancy, including vacancies created by the expansion of the board of directors. Our certificate of incorporation and by-laws will not provide for cumulative voting in the election of directors. A director may be removed only for cause by the holders of a majority of shares then entitled to vote in an election of directors.

Anti-takeover laws/interested stockholder transactions

Unless a corporation elects in its certificate of incorporation or by-laws for the following provision not to apply, DGCL Section 203 prohibits a corporation from engaging in any “business combination” with a 15% or greater stockholder for a period of three years following the time that such stockholder obtained such ownership, unless (i) the board of directors approved either the business combination or the transaction which resulted in the stockholder’s ownership before the stockholder obtained such ownership; (ii) the transaction resulted in the stockholder owning at least 85% of the outstanding voting stock of the corporation not owned by the interested stockholder or officers or directors of the corporation; or (iii) the business combination is approved by the board of directors and authorized (not by written consent) by the affirmative vote of at least 66 2/3% of the “disinterested” stockholders. Section 203 does not apply to any stockholder who became an “interested stockholder” (i.e., a 15% or greater stockholder) at a time when the Section 203 restrictions did not apply. In addition, Section 203 does not apply to any person who became the owner of more than 15% of a corporation’s stock if it was as a result of action taken solely by the corporation.

In connection with our reincorporation merger in 2009, as a result of which we changed our corporate domicile from Nevada to Delaware, we opted out of the statutory provisions of DGCL Section 203, but our certificate of incorporation replicates its terms except that the subject business combination will require approval by the board of directors and authorization (whether by written consent or vote) by the affirmative vote of at least a majority of the “disinterested” stockholders (rather than 66 2/3% of such stockholders). Similar to the non-applicability of Section 203, the interested stockholder provisions of our certificate of incorporation do not apply to any stockholder who became an “interested stockholder” at a time when the Section 203 restrictions did not apply (i.e. prior to the reincorporation merger). As a result, the interested stockholder provisions of our certificate of incorporation do not apply to the Harbinger Affiliates. While Section 203 would apply to an interested stockholder if its holdings fall below the 15% threshold and later again surpass the 15% threshold, our certificate of incorporation provides a permanent exemption from the interested stockholder provisions for the Harbinger Affiliates.

Business Opportunities.

The DGCL permits Delaware corporations to renounce an opportunity to participate in specified business opportunities or specified classes or categories of business opportunities. Our certificate of incorporation recognizes that persons who serve as our directors may also serve, from time to time, as directors, officers or partners, or in other capacities, with other entities, including entities affiliated with the Harbinger Affiliates, and that the Company will derive substantial benefits from the service of such persons (each, an “Overlap Person”). Our certificate of incorporation renounces the requirement for an Overlap Person to introduce or pursue any potential business opportunities on behalf of the Company unless:

- such potential business opportunity was expressly presented or offered to the Overlap Person solely in his or her capacity as a director or officer of the Company;
- the Company possesses, or would reasonably be expected to be able to possess, the resources (including cash) necessary to exploit such potential business opportunity; and
- such business opportunity relates exclusively to the business of the Company as determined by our board of directors from time to time in good faith.

Further, our certificate of incorporation renounces all interests and expectancies in business opportunities which relate to:

- the acquisition of an equity interest in an individual, corporation, partnership, unincorporated association or other entity (a “Person”) that does not entitle the Company to elect a majority of the members of the board of directors, general partner, managing member or similar governing body of such Person;
- the extension of credit to any Person or acquisition of any interest or participation in any debt;
- the acquisition of debt, equity or other interests in a Person or business that is reasonably believed by an Overlap Person or the entity in which an Overlap Person serves as a director, officer, partner, manager, representative, agent or employee to be distressed or insolvent or to be in default with respect to any debt;
- the extension of credit to, or the acquisition of debt or equity or other interests or assets in, a Person or business that is in a bankruptcy or insolvency proceeding, including, but not limited to, providing debtor-in-possession financing or the purchase of interests in a Person, assets or business in connection with a bankruptcy or insolvency proceeding or reorganization or liquidation relating to or arising from a bankruptcy or insolvency proceeding;
- an acquisition of assets that does not constitute a whole company, operating division of a Person or line of business; or
- investments in any other industry in which the Company is not then engaged and that our board of directors designates from time to time as being a disqualified opportunity.

Pursuant to our certificate of incorporation and the DGCL, our board of directors has discretion from time to time to assert or renounce our interests and expectancies in business opportunities in one or more specific industries. We expect that our directors will inform our board from time to time of material relationships and arrangements they have with other entities, including those entities which may be seeking investment opportunities in industries in which we are engaged.

The Harbinger Affiliates and related parties have agreed, pursuant to the terms of a letter agreement with certain holders of our Preferred Stock, that they will, subject to certain exceptions, present to us certain business opportunities in the consumer product, insurance and financial products, agriculture, power generation and water and mineral resources industries. However, we cannot assure you that the terms of this agreement will be enforced because we are not a party to this agreement and have no ability to enforce its terms.

Amendment of the certificate of incorporation and by-laws

Subject to the consent rights of the holders of Preferred Stock with respect to certain amendments as described above under “—Preferred Stock—Series A and Series A-2 Preferred Stock,” our certificate of incorporation can be amended by a majority vote of stockholders. There are no provisions which require a higher vote to amend. Our by-laws may be amended by a majority of our directors and may also be amended by the holders of a majority of our outstanding voting stock.

Item 15. Indemnification of Directors and Officers.**Certificate of Incorporation**

Section 145 of the General Corporation Law of the State of Delaware, or the DGCL, provides that a corporation may indemnify directors and officers, as well as employees and agents, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement, that are actually and reasonably incurred in connection with various actions, suits or proceedings, whether civil, criminal, administrative or investigative other than an action by or in the right of the corporation, known as a derivative action, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys’ fees) actually and reasonably incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification if the person seeking indemnification has been found liable to the corporation. The statute provides that it is not excluding other indemnification that may be granted by a corporation’s by-laws, disinterested director vote, stockholder vote, agreement or otherwise.

The certificate of incorporation of HGI (the “Certificate of Incorporation”) provides that the personal liability of the directors of HGI is eliminated to the fullest extent permitted by the DGCL. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of HGI shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

The Certificate of Incorporation also contains an indemnification provision that provides that HGI shall have the power, to the fullest extent permitted by Section 145 of the DGCL, as the same may be amended or supplemented, to indemnify any person by reason of the fact that the person is or was a director, officer, employee or agent of HGI, or is or was serving at the request of HGI as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise from and against any and all of the expenses, liabilities or other matters referred to in or covered by said section, and the indemnification provided for herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any by-law, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

[Table of Contents](#)

The Certificate of Incorporation also provides that neither any amendment nor repeal of the indemnification or the exculpation provision thereof, nor the adoption of any provision of the Certificate of Incorporation inconsistent with the indemnification or the exculpation provision thereof, whether by amendment to the Certificate of Incorporation or by merger, reorganization, recapitalization or other corporate transaction having the effect of amending the Certificate of Incorporation, shall eliminate or reduce the effect of the indemnification or the exculpation provision in respect of any matter occurring, or any action or proceeding accruing or arising or that, but for the indemnification or the exculpation provision, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

By-laws

HGI's by-laws (the "By-laws") provide that each person who is or was a director of HGI shall be indemnified and advanced expenses by HGI to the fullest extent permitted from time to time by the DGCL as it existed on the date of the adoption of the By-laws or as it may thereafter be amended (but, if permitted by applicable law, in the case of any such amendment, only to the extent that such amendment permits HGI to provide broader indemnification rights than said law permitted HGI to provide prior to such amendment) or any other applicable laws as presently or hereafter in effect. HGI may, by action of its board of directors, provide indemnification and advance expenses to officers, employees and agents (other than directors) of HGI, to directors, officers, employees or agents of a subsidiary, and to each person serving as a director, officer, partner, member, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, at the request of HGI (each of the foregoing persons, a "Covered Person") with the same scope and effect as the foregoing indemnification of directors of HGI. HGI shall be required to indemnify any person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by HGI's board of directors or is a proceeding to enforce such person's claim to indemnification pursuant to the rights granted by the By-laws or otherwise by HGI. Without limiting the generality or the effect of the foregoing, HGI may enter into one or more agreements with any person which provide for indemnification or advancement of expenses greater or different than that provided in the By-laws.

The By-laws also contain a provision that provides that any right to indemnification or to advancement of expenses of any Covered Person arising pursuant to the By-laws shall not be eliminated or impaired by an amendment to or repeal of the By-laws after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought.

To the extent and in the manner permitted by law, HGI also has the right to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

Indemnification Agreements

HGI enters into indemnification agreements with its directors and officers which may, in certain cases, be broader than the specific indemnification provisions contained in its Certificate of Incorporation and By-laws. The indemnification agreements may require HGI, among other things, to indemnify such officers and directors against certain liabilities that may arise by reason of their status or service as directors, officers or employees of HGI and to advance the expenses incurred by such parties as a result of any threatened claims or proceedings brought against them as to which they could be indemnified.

Liability Insurance

In addition, HGI maintains liability insurance for its directors and officers. This insurance provides for coverage, subject to certain exceptions, against loss from claims made against directors and officers in their capacity as such, including claims under the federal securities laws.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the "SEC") pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B and relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all the requirements for filing on Form S-3 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, State of New York, on December 11, 2013.

Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as special counsel to Harbinger Group Inc., a Delaware corporation (the “Company”), in connection with the Registration Statement on Form S-3 (the “Registration Statement”), of the Company, filed with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the “Act”), and the rules and regulations thereunder (the “Rules”). You have asked us to furnish our opinion as to the legality of the securities being registered under the Registration Statement. The Registration Statement relates to the registration under the Act of up to 105,163,238 shares (the “Shares”) of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), that may be offered by certain stockholders of the Company. The Shares include 971,168 shares of Common Stock (the “Conversion Shares”) issuable to certain stockholders of the Company upon conversion of the Company’s Series A Participating Convertible Preferred Stock (the “Preferred Stock”).

In connection with the furnishing of this opinion, we have examined an original, or a copy certified or otherwise identified to our satisfaction, of the Registration Statement.

In addition, we have examined (i) such corporate records of the Company that we have considered appropriate, including a copy of the certificate of incorporation, as amended, and by-laws, as amended, of the Company, certified by the Company as in effect on the date of this letter, and copies of resolutions of the board of directors of the Company relating to the issuance of the Shares, certified by the Company, and (ii) such other certificates, agreements and documents that we deemed relevant and necessary as a basis for the opinion expressed below. We have also relied upon the factual matters contained in the representations and warranties of the Company made in the Registration Statement and upon certificates of public officials and the officers of the Company.

In our examination of the documents referred to above, we have assumed, without independent investigation, the genuineness of all signatures, the legal capacity of all individuals who have executed any of the documents reviewed by us, the authenticity of all documents submitted to us as originals, the conformity to the originals of all documents submitted to us as certified, photostatic, reproduced or conformed copies of valid existing agreements or other documents, the authenticity of all the latter documents and that the statements regarding matters of fact in the certificates, records, agreements, instruments and documents that we have examined are accurate and complete.

Based upon the above, and subject to the stated assumptions, exceptions and qualifications, we are of the opinion that the Shares have been duly authorized by all necessary corporate action on the part of the Company, that the Shares (other than the Conversion Shares) are validly issued, fully paid and nonassessable and that the Conversion Shares, when issued and delivered upon conversion of the Preferred Stock, will be validly issued, fully paid and non-assessable.

The opinion expressed above is limited to the General Corporation Law of the State of Delaware. Our opinion is rendered only with respect to the laws, and the rules, regulations and orders under those laws, that are currently in effect.

We hereby consent to use of this opinion as an exhibit to the Registration Statement and to the use of our name under the heading “Legal Matters” contained in the prospectus included in the Registration Statement. In giving this consent, we do not thereby admit that we come within the category of persons whose consent is required by the Act or the Rules.

Very truly yours,

/s/ Paul, Weiss, Rifkind, Wharton & Garrison LLP
