Spectrum Brands Announces Tender Offer and Consent Solicitation for its 6.625% Senior Notes Due 2022

Middleton, WI, September 10, 2019 – Spectrum Brands Holdings, Inc. (NYSE: SPB), a global and diversified consumer products company with market-leading brands, announced today that its wholly owned subsidiary Spectrum Brands, Inc. (“Spectrum Brands”) commenced a cash tender offer (the “Tender Offer”) with respect to any and all of its \$285 million aggregate outstanding principal amount of 6.625% Senior Notes due 2022 (the “Notes”).

Concurrently with the Tender Offer, Spectrum Brands is soliciting from each holder of Notes consents (the “Consents”) to certain proposed amendments to the indenture, dated as of November 16, 2012, pursuant to which the Notes were issued (the “Indenture”). The proposed amendments, if consummated, would eliminate substantially all of the restrictive covenants and certain events of default in the Indenture.

Upon the terms and subject to the conditions set forth in the related Offer to Purchase and Consent Solicitation Statement (as it may be amended or supplemented from time to time, the “Statement”), Spectrum Brands will pay to each holder who validly delivers (and does not validly revoke) Consents prior to 5:00 p.m., New York City time, on September 23, 2019 (the “Consent Solicitation Expiration Time”), an amount in cash equal to the “Consent Payment” specified in the table below. Holders who validly tender (and do not validly withdraw) their Notes prior to the Consent Solicitation Expiration Time will also be entitled to receive an amount equal to the Tender Offer Consideration specified in the table below (together with the Consent Payment, the “Total Consideration”) on the Early Tender Settlement Date. The “Early Tender Settlement Date” for the Tender Offer will promptly follow the Consent Solicitation Expiration Time and is expected to be September 24, 2019. Holders who validly tender (and do not validly withdraw) their Notes after the Consent Solicitation Expiration Time but prior to the Tender Offer Expiration Time will be entitled to receive the Tender Offer Consideration on the Settlement Date, but will not be entitled to receive the Consent Payment.

The Tender Offer is scheduled to expire at 11:59 p.m., New York City time, on October 7, 2019, unless extended or earlier terminated by Spectrum Brands in its sole discretion (the "Tender Offer Expiration Time"). The "Settlement Date" for the Tender Offer will promptly follow the Tender Offer Expiration Time and is expected to be October 8, 2019. Following payment for the Notes accepted pursuant to the terms of the Tender Offer, Spectrum Brands currently intends, but is not obligated, to call for redemption, on or after November 15, 2019, all of the Notes that remain outstanding. If such redemption occurs, the Notes will be redeemed at 101.1042% in accordance with the terms of the Indenture, which is less than the Total Consideration. The Tender Offer does not constitute a notice of redemption or an obligation to issue a notice of redemption. Other information relating to the Tender Offer is listed in the table below.

Notes Subject to Tender Offer and Consent Solicitation	CUSIP/ISIN Numbers	Principal Amount of Notes Outstanding	Tender Offer Consideration⁽¹⁾	Consent Payment⁽¹⁾	Total Consideration⁽¹⁾⁽²⁾
6.625% Senior Notes due 2022	CUSIP: 84762LAQ8 ISIN: US84762LAQ86	\$285,000,000.00	\$987.25	\$30.00	\$1,017.25

(1) Per \$1,000 principal amount of Notes and excluding accrued and unpaid interest. Holders will receive in cash an amount equal to accrued and unpaid interest on accepted notes on the applicable settlement date.

(2) Includes Consent Payment

The Tender Offer is contingent upon, among other things, Spectrum Brands' successful completion of an offering of \$300,000,000 in aggregate principal amount of its Senior Notes due 2029 and the receipt of the requisite number of Consents to effect the proposed amendments to the Indenture. The Tender Offer is not conditioned on any minimum amount of Notes being tendered. Spectrum Brands may amend, extend or terminate the Tender Offer or Consent Solicitation, in its sole discretion. Tendered Notes may be withdrawn any time prior to 5:00 p.m., New York City time, on September 23, 2019, or such earlier time as Spectrum Brands may choose following receipt of validly tendered Consents from holders of at least a majority of the aggregate outstanding principal amount of the Notes.

Spectrum Brands intends to fund the Tender Offer Consideration and the Consent Payment, plus all related fees and expenses, from the proceeds of the recent divestiture of its Global Auto Care business, which it sold to Energizer Holdings, Inc. on January 28, 2019, plus cash on hand.

The terms and conditions of the Tender Offer and Consent Solicitation are described in the Statement.

Spectrum Brands has retained Credit Suisse Securities (USA) LLC and RBC Capital Markets, LLC to serve as the Dealer Managers for the Tender Offer. Requests for documents may be directed to Global Bondholder Services Corporation, the Information Agent and Tender Agent at (866) 470-3700 (toll-free) or (212) 430-3774 (collect). Questions regarding the Tender Offer may be directed to Credit Suisse Securities (USA) LLC at (800) 820-1653 (toll-free) or (212) 325-2476 (collect) or RBC Capital Markets, LLC at (877) 381-2099 (toll-free) or (212) 618-7843 (collect).

This press release is for informational purposes only. The Tender Offer and Consent Solicitation are being made solely by the Statement. This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities and shall not constitute an offer, solicitation or sale in any jurisdiction in which, or to any persons to whom, such offering, solicitation or sale would be unlawful. Any offers of concurrently offered securities will be made only by means of a private offering memorandum. The Tender Offer is not being made to holders of Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction. In any jurisdiction in which the securities laws or blue sky laws require the Tender Offer to be made by a licensed broker or dealer, the Tender Offer will be deemed to be made on behalf of Spectrum Brands by the Dealer Managers, or one or more registered brokers or dealers that are licensed under the laws of such jurisdiction.

None of Spectrum Brands, the Information Agent, the Tender Agent, the Dealer Managers or any of their respective affiliates makes any recommendation as to whether holders should tender or refrain from tendering their Notes, and no person or entity has been authorized by any of them to make such a recommendation. Holders must make their own decision as to whether to tender Notes and, if so, the principal amount of the Notes to tender.

We are subject to a number of claims and litigation and may be subject to future claims and litigation, any of which may adversely affect our business.

From time to time in the past we have been subject to a variety of claims and litigation and we may in the future be subject to additional claims and litigation (including additional class action lawsuits). For instance, following periods of volatility in the market price of our stock, we have become subject to the class action shareholder litigation described below. We are also subject to various other litigation and claims.

On July 12, 2019, an amended consolidated class action complaint, superseding complaints filed earlier in 2019, was filed in the United States District Court for the Western District of Wisconsin by The Public School Teachers' Pension & Retirement Fund of Chicago and the Cambridge Retirement against Spectrum Brands Legacy, Inc. ("Spectrum"), Andreas Rouvé (Spectrum Brands Legacy, Inc.'s former Chief Executive Officer) and Douglas Martin (Spectrum Brands Legacy, Inc.'s former Chief Financial Officer and the Company's current Chief Financial Officer). The complaint alleges that the defendants violated the Securities Exchange Act of 1934 by making misrepresentations and omissions concerning operations at the Company's facilities in Dayton, Ohio and Edgerton, Kansas and that, as a result, Spectrum's financial statements were materially inaccurate. The amended complaint also adds HRG Group, Inc. as a defendant and asserts additional claims against the Company on behalf of a purported class of HRG shareholders. The class period of the consolidated amended complaint is from January 26, 2017 to November 19, 2018, and plaintiffs seek an unspecified amount of compensatory damages, interest, attorneys' and expert fees, and costs. Defendants filed a motion to dismiss the complaint on August 26, 2019. The Company believes the suit is without merit and intends to defend it vigorously.

Separately, on August 16, 2019, an amended class action complaint, superseding a complaint filed earlier in 2019, was filed in the Circuit Court of Dane County, Wisconsin against the Company and certain of the Company's current and former directors and officers. The complaint alleges that certain financial statements incorporated into the registration statement contained misstatements in violation of the Securities Act of 1933. The plaintiff is seeking to represent all persons and entities that purchased or otherwise acquired the Company's common stock pursuant to the registration statement that was issued in connection with the Company's merger with its subsidiary, Spectrum Brands Legacy, Inc., completed on July 13, 2018. The complaint also seeks an unspecified amount of compensatory damages, interest, rescission or damages, attorneys' and expert fees, and costs. The Company believes the suit is without merit and intends to defend it vigorously, and the defendants plan to move to dismiss the amended complaint.

Based on the information currently available, we believe that our ultimate liability for the matters or proceedings presently pending against the Company (including the matters described above) will not have a material adverse effect on the Company's business or financial condition. But, regardless of their merits, lawsuits (including class action lawsuits) may result in significant cost to the Company that may not be covered by insurance and may divert attention of management or may otherwise have an adverse effect on our business, financial condition, and results of operation.
