SPECTRUM BRANDS HOLDINGS, INC.
PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON THURSDAY, JANUARY 28, 2016

ABOUT THE ANNUAL MEETING

We are furnishing this proxy statement to stockholders of record of Spectrum Brands Holdings, Inc. (“Spectrum” or the “Company”) in connection with the solicitation of proxies for use at the annual meeting of stockholders to be held on Thursday, January 28, 2016 at 8:30 a.m., local time, at the Diplomat Resort & Spa hotel, 3555 South Ocean Drive, Hollywood, Florida 33019, and at any adjournments or postponements thereof (the “Annual Meeting”).

The Notice of Annual Meeting of Stockholders (the “Annual Meeting Notice”), this proxy statement, the accompanying proxy card, and an Annual Report to stockholders for the fiscal year ended September 30, 2015 (the “Annual Report”) containing financial statements and other information of interest to stockholders are expected to be first mailed to stockholders on or about January 2, 2016.

Matters to be Voted Upon at the Annual Meeting

At the Annual Meeting you will be voting on the following proposals:

1. to elect three Class III directors to the Board of Directors for a three-year term expiring at the 2019 annual meeting;
2. to ratify the Board of Directors’ appointment of KPMG LLP as our independent registered public accounting firm for our fiscal year ending on September 30, 2016 (“Fiscal 2016”); and
3. the reapproval of the Spectrum Brands Holdings, Inc. 2011 Omnibus Equity Award Plan (the “2011 Plan”).

You will also be voting on such other business as may properly come before the meeting or any adjournment thereof.

Recommendations of Our Board of Directors

Our Board of Directors recommends that you vote your shares as follows:

1. **FOR** the election of three Class III directors to the Board of Directors for a three-year term expiring at the 2019 annual meeting (**PROPOSAL 1**);
2. **FOR** the ratification of the appointment by the Board of Directors of KPMG LLP as our independent registered public accounting firm for Fiscal 2016 (**PROPOSAL 2**);
3. **FOR** the 2011 Plan (**PROPOSAL 3**).

Stockholders Entitled to Vote at the Meeting

Stockholders of Record

Only stockholders of record of the Company’s common stock, par value \$.01 per share (the “Common Stock”), as of December 16, 2015 (the “Record Date”) are entitled to receive notice of and to vote at the Annual Meeting. You are considered the stockholder of record with respect to your shares if your shares are registered directly in your name with Computershare Shareowner Services, the Company’s stock transfer agent. If you are a stockholder of record, you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held at 8:30 a.m., local time, at the Diplomat Resort & Spa hotel, 3555 South Ocean Drive, Hollywood, Florida 33019.

[Table of Contents](#)

If you choose to vote by proxy you may do so by using the Internet, the telephone, or by completing, signing, dating, and returning the enclosed proxy card in the envelope provided. Whichever method you use to vote by proxy, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, your proxy, whether given by the Internet, the telephone, or by mailing the proxy card, should be received by 5:00 p.m., Central time, on January 27, 2016. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

On the Record Date, there were 59,333,653 shares of Common Stock issued and outstanding, constituting all of our issued and outstanding voting securities. Stockholders of record are entitled to one vote for each share of Common Stock they held as of the Record Date.

Shares Held with a Bank, Broker, or Other Nominee

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a “nominee,” then you are considered the “beneficial owner” of these shares, and your shares are referred to as being held in “street name.” If you hold your shares in “street name,” you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the New York Stock Exchange (“NYSE”) to vote shares held in accounts by their customers in the manner they see fit, or not at all, on “routine” matters if their customers do not provide them with voting instructions. Neither Proposal 1 nor Proposal 3 is considered to be a routine matter, but Proposal 2 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions, a bank, broker, or other nominee will not be permitted to vote your shares and a broker “non-vote” will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Quorum

A “quorum” of stockholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Broker “non-votes” and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting, but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting, will be counted as present for purposes of establishing a quorum.

Votes Required with Respect to Each Proposal

To be elected as a Class III director at the Annual Meeting (Proposal 1), each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. In a plurality vote, the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the Board of Directors’ appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2016 (Proposal 2). The affirmative vote of the holders of a majority of the votes cast on the proposal at the Annual Meeting in person or by proxy is required to approve the 2011 Plan (Proposal 3).

[Table of Contents](#)

With regards to Proposal 1 (election of directors), shares represented by proxies that are marked “**WITHHELD**” and shares that are not voted will be excluded entirely from the vote and will have no effect on the outcome of this vote because the directors are elected by a plurality vote. With regards to Proposal 2 (ratification of KPMG LLP’s appointment as auditor), shares marked as “**ABSTAIN**” and shares which are not voted will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against this proposal because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy. With regards to Proposal 3 (reapproval of the 2011 Plan), shares marked as “**ABSTAIN**” will have the effect of a vote against this proposal, and shares which are not voted will have no effect on this proposal, because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock cast on the proposal at the Annual Meeting.

Proxies and Voting Procedures

What is a Proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. For the purposes of the Annual Meeting, if you use the Internet or telephone to vote your shares, or complete the attached proxy card and return it to us by 5:00 p.m., Central time, on January 27, 2016, you will be designating the officers of the Company named on the proxy card to act as your proxy and to vote on your behalf in accordance with the instructions you have given via the Internet, by telephone, or on the proxy card at the Annual Meeting.

Voting by Proxy

Stockholders of Record

If you are a stockholder of record you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held at 8:30 a.m., local time, at the Diplomat Resort & Spa hotel, 3555 South Ocean Drive, Hollywood, Florida 33019. We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will be counted if you later decide not to or are unable to attend the Annual Meeting. You may revoke your vote at any time before 5:00 p.m. Central time, on January 27, 2016, by:

- attending the Annual Meeting in person and voting again; or
- signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or via the Internet, since only your latest proxy received by 5:00 p.m., Central time, on January 27, 2016 will be counted.

If you are a stockholder of record, there are several ways for you to vote your shares by proxy:

- **By Mail.** You may submit your proxy by completing, signing, and dating the attached proxy card and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received by 5:00 p.m., Central time, on January 27, 2016.
- **By Telephone or Over the Internet.** You may submit your proxy by telephone or via the Internet by following the instructions provided on the proxy card. If you submit your proxy by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone proxy submission is available 24 hours a day. Proxies submitted by telephone or the Internet must be received by 5:00 p.m., Central time, on January 27, 2016.
- **In Person at the Annual Meeting.** You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy by telephone or via the Internet, or by completing, signing, dating, and returning the attached proxy card by the applicable deadline so that your vote will be counted if you later decide not to or are unable to attend the meeting. Details regarding requirements for admission to the Annual Meeting are described below under the heading “*Voting in Person*”.

[Table of Contents](#)

Voting instructions are included on your proxy card. If you properly submit your proxy by telephone, the Internet, or by mail in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed. **If you submit your proxy by telephone, the Internet, or by mail, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment KPMG LLP as the Company's independent registered public accounting firm for Fiscal 2016, (3) FOR the reapproval of the 2011 Plan, and (4) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

Shares Held with a Bank, Broker, or Other Nominee

If you hold your shares in "street name," you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker, or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker, or other nominee on how to vote your shares in the manner that they specify. Your bank, broker, or other nominee will be permitted to vote your shares without instruction from you on Proposal 2, but will not be permitted to vote your shares on Proposal 1 or Proposal 3 without your instructions. As a result, if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares with respect to Proposal 2, your bank, broker, or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker, or other nominee, and your vote will not be cast for Proposal 1 or Proposal 3. Abstentions and broker "non-votes" will have the same effect as a vote against adoption of Proposals 2 and 3.

Revoking Your Proxy

If you are a stockholder of record, you may revoke your proxy before it is voted by:

- signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or the Internet, since only your last proxy received by 5:00 p.m., Central time, on January 27, 2016 will be counted;
- notifying the Secretary of the Company in writing by 5:00 p.m., Central time, on January 27, 2016 that you have revoked your proxy; or
- voting in person at the Annual Meeting.

If you hold your shares in "street name," you must contact your bank, broker, or other nominee to revoke your proxy.

Voting in Person

If you are a stockholder of record and you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. All stockholders planning to attend the Annual Meeting in person must contact our Investor Relations Department at (608) 275-3340 by January 21, 2016 to reserve a seat at the Annual Meeting. For admission, stockholders should come to the Annual Meeting check-in area no less than 15 minutes before the Annual Meeting is scheduled to begin. Stockholders of record should bring a form of photo identification so their share ownership can be verified. A beneficial owner holding shares in "street name" must also bring an account statement or letter from his or her bank or brokerage firm showing that he or she beneficially owns shares as of the close of business on the record date, along with a form of photo identification. Registration will begin at 8:00 a.m., local time and the Annual Meeting will begin at 8:30 a.m., local time.

[Table of Contents](#)

If your shares are held in the name of your broker, bank, or other nominee, and you plan to attend the Annual Meeting and wish to vote in person, you must bring a legal proxy from your broker, bank, or other nominee authorizing you to vote your “street name” shares held as of the Record Date in order to be able to vote at the Annual Meeting. A legal proxy is an authorization from your bank, broker, or other nominee permitting you to vote the shares that it holds in its name.

Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. We have engaged Georgeson Inc. to assist us in soliciting proxies for a fee of approximately \$7,500 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers, and employees in person or by telephone, e-mail, or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Delivery of Proxy Materials and Annual Report to Households

The rules of the Securities and Exchange Commission (the “SEC”) permit companies and banks, brokers, or other nominees to deliver a single copy of an annual report and proxy statement to households at which two or more stockholders reside (commonly referred to as “householding”). Beneficial owners sharing an address who have been previously notified by their broker, bank, or other nominee and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of the Annual Meeting Notice, our Annual Report and this proxy statement. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of the Annual Meeting Notice, our Annual Report and this proxy statement is delivered may obtain a separate copy of the Annual Meeting Notice, our Annual Report and/or this proxy statement without charge by sending a written request to Spectrum Brands Holdings, Inc., 3001 Deming Way, Middleton, Wisconsin 53562, Attention: Vice President, Investor Relations, by calling us at (608) 275-3340, or by writing to us via e-mail at investorrelations@spectrumbrands.com. We will promptly deliver an Annual Meeting Notice, Annual Report and/or this proxy statement upon request.

Not all banks, brokers, or other nominees may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your bank, broker, or other nominee directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your bank, broker, or other nominee to revoke your consent.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON JANUARY 28, 2016

You may obtain copies of our public filings, including this proxy statement, our 2015 Annual Report on Form 10-K, and the form of proxy relating to the Annual Meeting, without charge from our website at www.spectrumbrands.com under “Investor Relations – SEC Filings” and “Investor Relations – Annual Report,” or from the SEC’s website at www.sec.gov. EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the “Compensation Committee”) has reviewed and discussed the following section of this report entitled “Compensation Discussion and Analysis” with management. Based on this review and discussion, the Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and the Company’s Annual Report on Form 10-K for the fiscal year ended September 30, 2015.

Compensation Committee

Eugene I. Davis

David M. Maura

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis section sets forth a description of our practices regarding executive compensation matters with respect to our named executive officers. You should read this section together with the executive compensation tables and narratives which follow, as these sections inform one another.

Executive Summary

Our compensation programs are administered by the Compensation Committee of the Board of Directors. Our compensation programs are designed to attract and retain highly qualified executives, to align the compensation paid to executives with the business strategies of our Company, and to align the interests of our executives with the interests of our stockholders. These programs are based on our “pay-for-performance” philosophy in which variable compensation represents a majority of an executive’s potential compensation.

In terms of our Fiscal 2015 performance, we nearly achieved our Company-wide adjusted EBITDA target as determined for our performance plans and slightly over-achieved our Company-wide adjusted free cash flow target as determined for our performance plans. Management maintained its disciplined focus on cost controls during the year, while working to integrate four acquisitions, invest for future growth, and overcome significant negative foreign exchange trends.

Compensation decisions for the named executive officers (“NEOs”) in Fiscal 2015 continued our philosophy of pay-for-performance and our focus on the corporate goals of increased growth, free cash flow generation, and building for superior long-term shareholder returns. During the year, our former chief executive officer departed our Company and the Compensation Committee negotiated a new employment agreement and compensation terms with Andreas Rouvé, who was internally promoted from his previous position as Chief Operating Officer. The Compensation Committee’s compensation philosophy guided the compensation arrangements for Mr. Rouvé, with a strong weighting of total compensation on performance-based incentives. During the time periods of Fiscal 2014 and Fiscal 2015, the overall levels of executive compensation have been reduced from previous levels.

For Fiscal 2015, the Compensation Committee established the following incentive programs for the named executive officers and other officers and key employees:

- An annual cash incentive bonus plan, tied to Board-approved adjusted EBITDA and free cash flow targets;
- An annual equity incentive plan, tied to the same Board-approved targets for adjusted EBITDA and free cash flow; and

[Table of Contents](#)

- The Spectrum \$2B Plan, a two-year superior achievement incentive program for Fiscal 2015 and 2016, designed to provide incentives for the NEOs and key members of management to achieve stretch goals over the two years in the areas of adjusted EBITDA, adjusted free cash flow and adjusted earnings per share.

In establishing our compensation programs, our Compensation Committee obtains the advice of its independent compensation consultant, Lyons, Benenson & Company Inc. (“LB & Co.”), and evaluates the Company’s programs with reference to a peer group of 15 companies, as specified in the section titled “*Role of Committee-Retained Consultants.*”

At our 2014 Annual Meeting of Stockholders (the “2014 Annual Meeting”), our stockholders approved, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Compensation Discussion and Analysis, compensation tables, and related narrative disclosure in the proxy statement for the 2014 Annual Meeting. Our compensation practices as discussed herein are materially consistent with those discussed in the proxy statement for the 2014 Annual Meeting. Additionally, at our 2011 Annual Meeting of Stockholders, our stockholders held a separate vote, on an advisory basis, relating to the frequency of the advisory vote on the compensation of the Company’s named executive officers, pursuant to which our stockholders indicated their preference that such vote be held every three years, which was the frequency recommended by the Board of Directors. The next stockholder advisory vote on executive compensation, as well as the next advisory vote relating to the frequency of the advisory vote on executive compensation, will be held at the Company’s 2017 Annual Meeting of Stockholders.

Our Named Executive Officers

The Company’s named executive officers during Fiscal 2015 consisted of the following persons:

<u>Named Executive Officer</u>	<u>Position</u>
Andreas Rouvé	Chief Executive Officer and President
Douglas L. Martin	Executive Vice President and Chief Financial Officer
Nathan E. Fagre	Senior Vice President, General Counsel and Secretary
Stacey L. Neu	Senior Vice President of Human Resources
David R. Lumley	Former Chief Executive Officer and President
Anthony L. Genito	Former Executive Vice President and Chief Accounting Officer

During Fiscal 2015, two of the named executive officers, Mr. Lumley and Mr. Genito, left the Company but because of their positions and overall compensation levels, they remained as named executive officers for the year.

Our Compensation Committee

The Compensation Committee is responsible for developing, adopting, reviewing, and maintaining the Company’s executive compensation programs in order to ensure that they continue to benefit the Company.

Background on Compensation Considerations

The Compensation Committee pursues several objectives in determining its executive compensation programs. It seeks to attract and retain highly qualified executives and ensure continuity of senior management for the Company as a whole and for each of the Company’s business segments, to the extent consistent with the overall objectives and circumstances of the Company. It seeks to align the compensation paid to our executives with the overall business strategies of the Company while leaving the flexibility necessary to respond to changing business priorities and circumstances. It also seeks to align the interests of our executives with those of our stockholders and seeks to reward our executives when they perform in a manner that creates value for our stockholders. In order to carry out this function, the Compensation Committee:

- Considers the advice of the independent compensation consultant engaged to advise on executive compensation issues and program design, including advising on the Company’s compensation program as it compares to similar companies;
- Reviews compensation summaries for each named executive officer at least once a year, including the compensation and benefit values offered to each executive, accumulated value of equity and other past compensation awards, and other contributors to compensation;

[Table of Contents](#)

- Consults with our Chief Executive Officer and other management personnel and Company consultants, including our Senior Vice President of Human Resources, in regards to compensation matters and periodically meets in executive session without management to evaluate management's input; and
- Solicits comments and concurrence from other board members regarding its recommendations and actions at the Company's regularly scheduled board meetings.

Philosophy on Performance Based Compensation

The Compensation Committee has designed the Company's executive compensation programs so that, at target levels of performance, a significant portion of the value of each executive's annual compensation (consisting of salary and incentive awards) is based on the Company's achievement of performance objectives set by the Compensation Committee. We believe that a combination of annual fixed base pay and incentive performance-based pay provides our named executive officers with an appropriate mix of current cash compensation and performance compensation. However, in applying these compensation programs to both individual and Company circumstances, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee varies by individual, and the Compensation Committee is free to design compensation programs that provide for target-level performance-based compensation to be an amount greater than, equal to, or less than 50% of total annual compensation. For example, for Fiscal 2016, the percentage of annual compensation based on the Company's achievement of performance objectives (set by the Compensation Committee) for the named executive officers is expected to range from 83% to 90%. In addition, to highlight the alignment of the incentive plans with stockholder interests, all of the Company's equity-based incentive programs are completely performance-based plans.

The remainder of each executive's compensation is made up of amounts that do not vary based on performance. For all named executive officers, these non-performance based amounts are set forth in such executive's employment agreement or written terms of employment, as described below, subject to annual review and potential increase by the Compensation Committee. These amounts are determined by the Compensation Committee taking into account current market conditions, the Company's financial condition at the time such compensation levels are determined, compensation levels for similarly situated executives with other companies, experience level, and the duties and responsibilities of such executive's position.

A component of incentive compensation also consists of multi-year programs. We believe that awards that have multi-year performance periods and that vest over time enhance the stability of our senior management team and provide greater incentives for our named executive officers to remain at the Company.

Role of Committee-Retained Consultants

In Fiscal 2015, our Compensation Committee retained an outside consultant, LB & Co., to assist us in formulating and evaluating executive and director compensation programs. During the past year, the Compensation Committee, directly or through our Senior Vice President of Human Resources, periodically requested LB & Co. to:

- Provide comparative market data for our peer group, and other groups on request, with respect to compensation matters;
- Analyze our compensation and benefit programs relative to our peer group;
- Advise the Compensation Committee on compensation matters and management proposals with respect to compensation matters;
- Assist in the preparation of this report and the compensation tables provided herewith; and
- On request, participate in meetings of the Compensation Committee.

Table of Contents

In order to encourage an independent view point, the Compensation Committee and its members had access to LB & Co. at any time without management present and have consulted from time to time with LB & Co. without management present.

LB & Co., with input from management and the Compensation Committee, developed a peer group of companies based on a variety of criteria, including type of business, revenue, assets and market capitalization. The composition of this peer group is reviewed annually by the Compensation Committee and the compensation consultant and, if appropriate, revised, based on changes in business orientation of peer group companies, changes in financial size or performance of the Company and the peer group companies, and merger, acquisition, spin-off or bankruptcy of companies in the peer group. At the end of Fiscal 2015, the peer group utilized consisted of 15 companies, comprised of Central Garden & Pet Company, Church & Dwight Co., Inc., The Clorox Company, Edgewell Personal Care Company, Energizer Holdings, Inc. (“Energizer”), Fortune Brands Home & Security, Inc., Hanesbrands Inc., Hasbro, Inc., Jarden Corporation, Mattel, Inc., Newell Rubbermaid Inc., Nu Skin Enterprises, Inc., The Scotts Miracle-Gro Company, Stanley Black & Decker, Inc., and Tupperware Brands Corporation. During 2015, the peer group was revised to delete Exide Technologies because it is no longer a public company. Additionally, the peer group was revised to add Edgewell Personal Care Company (“Edgewell”) because of its personal care products industry focus, comparable annual revenues to the Company, and comparable market capitalization to the Company. Edgewell was formerly part of Energizer and is one of the two resulting entities from the spin-off of the personal care products business from the batteries business of Energizer into two separate, publicly traded companies in July 2015; the resulting entities from the spin-off are Edgewell and Energizer. Energizer is remaining in the peer group for 2015 because of its continuing focus on the batteries and lighting business. While the Compensation Committee does not target a particular range for total compensation as compared to our peer group, it does take this information into account when establishing compensation programs.

No fees were paid to LB & Co. for services other than executive and director compensation consulting during Fiscal 2015. In accordance with SEC rules, our Compensation Committee considered the independence of LB & Co., including an assessment of the following factors: (i) other services provided to the Company by the consultant; (ii) fees paid as a percentage of the consulting firm’s total revenue; (iii) policies or procedures maintained by the consulting firm that are designed to prevent a conflict of interest; (iv) any business or personal relationships between the individual consultants involved in the engagement and any member of our Compensation Committee; (v) any Company stock owned by individual consultants involved in the engagement; and (vi) any business or personal relationships between our executive officers and the consulting firm or the individual consultants involved in the engagement. Our Compensation Committee has concluded that no conflict of interest exists that prevented LB & Co. from independently representing our Compensation Committee during Fiscal 2015.

Use of Employment Agreements

Current Employment and Severance Agreements

The Compensation Committee periodically evaluates the appropriateness of entering into employment agreements or other written agreements with members of the Company’s senior management to govern compensation and other aspects of the employment relationship. The Company limits the use of employment agreements and instead uses severance agreements for most executives. With respect to the named executive officers, at the direction of the Compensation Committee, the Company has entered into written employment agreements with the following executive officers who were serving at the end of Fiscal 2015: (i) an Employment Agreement dated March 16, 2015 with Mr. Rouvé (the “Rouvé Employment Agreement”); and (ii) an Employment Agreement dated September 1, 2014 with Mr. Martin (the “Martin Employment Agreement”). The Rouvé and Martin Employment Agreements are with both SBI and the Company. In addition, Mr. Rouvé continues to be a party to a Pension Agreement between VARTA Gerätebatterie GMBH and Mr. Rouvé dated May 17, 1989, including the supplement of July 1, 1999, which was assumed by the Company and governs certain pension payments Mr. Rouvé is entitled to receive. See “*Termination and Change in Control Provisions – Andreas Rouvé*” on page 37 below. Finally, SBI is a party to Severance Agreements with each of Mr. Fagre and Ms. Neu dated as of November 19, 2012 and September 1, 2009, respectively, which govern severance, confidentially, non-competition, and certain other post-employment matters in connection with termination of Mr. Fagre’s and Ms. Neu’s respective employment. The Severance Agreement with Mr. Fagre is referred to herein as the “Fagre Severance Agreement” and the Severance Agreement with Ms. Neu is referred to herein as the “Neu Severance Agreement.”

Term and Renewal

The current term of the Rouvé Employment Agreement expires on April 1, 2018, and the term of the Martin Employment Agreement expires on March 1, 2016. The Rouvé Employment Agreement provides that upon the expiration of the initial term of the agreement (any subsequent renewal term), the term of the agreement will automatically be extended for successive one year renewal periods, unless either party provides the other with notice of non-renewal at least 90 days prior to the commencement of the applicable renewal term. The Martin Employment Agreement provides that upon expiration of the current term (and any subsequent renewal term), unless earlier terminated in accordance with such agreement, the agreement will automatically renew for an additional one-year period on March 1st of each year.

Early Termination of Agreements

The Rouvé and Martin Employment Agreements each permit the Company to terminate the executive's employment upon written notice in the event of "cause" (as defined below under the heading "*Termination and Change in Control Provisions*"). In the case of both Mr. Rouvé and Mr. Martin, if the behavior giving rise to "cause" is the executive's willful failure or refusal to perform his duties or refusal to follow the direction of the Board of Directors (and, in the case of Mr. Martin, the direction of the Chief Executive Officer), or the executive's material breach of his employment agreement or any other agreement with the Company, then Mr. Rouvé and Mr. Martin, as applicable, will have 30 days to cure such behavior following notice.

Each of the Rouvé and Martin Employment Agreements permit the Company to terminate the applicable executive's employment without "cause" for any reason upon 90 days' prior written notice or immediately with payment of base salary in lieu of notice thereof.

The Rouvé and Martin Employment Agreements each permit the Company to terminate the executive's employment upon 30 days' written notice in the event that the executive is unable to perform his duties for a period of at least six consecutive months by reason of any mental, physical, or other disability. Each agreement also terminates immediately upon the death of the executive.

Both the Rouvé and Martin Employment Agreements allows the applicable executive to voluntarily terminate his employment for any reason upon 90 days' prior written notice.

The Rouvé and Martin Employment Agreements also provide that if the applicable executive resigns upon the occurrence of specified circumstances that would constitute "good reason" (as defined below under the heading "*Termination and Change in Control Provisions*"), the executive's resignation will be treated as a termination by the Company without "cause" and entitle the executive to the payments and benefits due with respect to a termination without "cause" under his respective employment agreement. In order to constitute "good reason" under the respective employment agreements, certain specific notice requirements and cure periods must be satisfied. In this regard, each of Mr. Rouvé and Mr. Martin would have 90 days following the occurrence of the facts or circumstances giving rise to "good reason" to give written notice to the Company of his intent to terminate for "good reason," and the Company will have 30 days thereafter to cure such facts or circumstances.

Both the Fagre and Neu Severance Agreements permit the Company to terminate Mr. Fagre's or Ms. Neu's employment, as applicable, at any time upon written notice for any reason. However, in order for such termination by the Company to be treated as a termination for "cause" (as defined below under the heading "*Termination and Change in Control Provisions*") as a result of Mr. Fagre's or Ms. Neu's, as applicable, (i) willful failure or refusal to perform his or her duties and responsibilities to the Company or any of its affiliates, or (ii) breach of any of the terms of his or her severance agreement or any other agreement between Mr. Fagre or Ms. Neu, on the one hand, and the Company on the other, Mr. Fagre or Ms. Neu, as applicable, must not have remedied or cured such failure, refusal, or breach within a 30-day cure period. Mr. Fagre and Ms. Neu, as applicable, may also terminate his or her respective employment with the Company at any time upon written notice.

The amounts and benefits payable to each such executive upon the termination of such executive's employment in accordance with their employment or severance agreements, as applicable, are further described under the heading "*Termination and Change in Control Provisions*" beginning on page 36.

Grants of Restricted Stock Units to Andreas Rouvé

In connection with Mr. Rouvé's appointment as the Chief Executive Officer and President of the Company and entering into the Rouvé Employment Agreement, on April 1, 2015 the Company made a one-time grant to Mr. Rouvé of 15,074 performance-based restricted stock units ("RSUs") pursuant to the 2015 EIP (defined below). This grant and the issuance of the RSUs were made under the Spectrum Brands Holdings, Inc. 2011 Omnibus Equity Award Plan (the "2011 Plan"). The grant was part of an overall award valued at \$3,000,000 at the times the two components of the award were made in accordance with the Rouvé Employment Agreement, consisting of an RSU grant having a value of a \$2,000,000 originally awarded to Mr. Rouvé on December 15, 2014 and an award of RSUs made on April 1, 2015 valued at \$1,000,000. The performance goals for the award were as follows: (i) fifty percent of the award was payable if the Company achieved adjusted EBITDA of at least \$760 million for Fiscal 2015; and (ii) fifty percent was payable if the Company achieved free cash flow of at least \$400 million for Fiscal 2015. Each of the foregoing performance goals was determined within 74 days following the end of Fiscal 2015, and as of such date, the adjusted EBITDA goal was achieved at a 93.2% rate and the adjusted free cash flow goal was achieved at a 109.5% rate. On such date, 50% of the earned RSUs became vested, with the remaining 50% of the RSUs vesting on the first anniversary of the original vesting date if Mr. Rouvé remains employed by the Company on such first anniversary. In addition, Mr. Rouvé was awarded 1,561 RSUs as an additional award for the over-achievement of the adjusted free cash flow target for Fiscal 2015. This additional award has a performance period extending through the end of Fiscal 2016, because in order to earn the award, the adjusted EBITDA and adjusted free cash flow results for Fiscal 2016 must be greater than the applicable results for Fiscal 2015.

In addition, on April 1, 2015 the Company made a one-time grant to Mr. Rouvé of performance-based RSUs pursuant to the Spectrum \$2B Plan (defined below). This grant and the issuance of the RSUs also were made under the 2011 Plan. The grant was part of an overall award denominated in dollars and valued at \$3,000,000 at the times the two components of the award were made in accordance with the Rouvé Employment Agreement, consisting of a \$2,000,000 grant originally awarded to Mr. Rouvé on February 2, 2015 and the award made on April 1, 2015 valued at \$1,000,000. The performance goals and vesting provisions for this award are as outlined below in the section entitled "Spectrum \$2B Plan". As per the terms of the Spectrum \$2B Plan, the award was denominated in dollars but will be payable in RSUs or shares of restricted stock based on the fair market value of the Company's shares as of the last day of the performance period.

With respect to both awards described above, if a change in control (as defined in the 2011 Plan) occurs within 24 months of April 1, 2015, than all of Mr. Rouvé's outstanding and unvested equity awards will vest in full at 100% of the target level of performance upon the earlier of (i) the first anniversary of the change in control, or (ii) the date Mr. Rouvé's employment is terminated by the Company without "cause" or by Mr. Rouvé for "good reason."

The above-described awards made to Mr. Rouvé are reflected in the "Stock Awards" column in the Summary Compensation Table on page 31 below.

Compensation Components

For Fiscal 2015, the basic elements of our executive compensation program, as designed by the Compensation Committee, were:

- Base salary;
- A performance-based annual cash incentive program tied to achievement of performance goals in Fiscal 2015, referred to as our Management Incentive Plan ("MIP");
- A two-year performance based equity incentive program tied to achievement of superior results by the end of Fiscal 2016 and, with respect to 50% of any award earned, continued employment through the end of Fiscal 2017, referred to as the Spectrum \$2B Plan; and

[Table of Contents](#)

- A performance based equity incentive program tied to achievement of performance goals in Fiscal 2015 and, with respect to 50% of any award earned, continued employment through the end of Fiscal 2016, referred to as the Equity Incentive Plan (“EIP”).

In addition, based on individual circumstances, title, position, and responsibilities, each named executive officer received certain other compensation components and perquisites as described herein.

For Fiscal 2016, the basic elements of our executive compensation program, as designed by our Compensation Committee, remain consistent with those outlined above for Fiscal 2015. The Compensation Committee has established an annual MIP and EIP for Fiscal 2016, with the performance targets and potential award amounts for the named executive officers as described below. In Fiscal 2015, the Compensation Committee also established the Spectrum \$2B Plan, which covers a two-year performance period from October 1, 2014 to September 30, 2016.

Base Salary

The annual base salaries for Messrs. Rouvé and Martin were initially set forth in each executive’s employment agreement, subject to subsequent increases by the Compensation Committee. Mr. Fagre’s base salary was initially set by the Chief Executive Officer at the time he joined the Company in January 2011. Ms. Neu’s base salary was initially set by the Chief Executive Officer at the time of her appointment as the head of Human Resources. In determining the initial annual base salary for each named executive officer or in making any subsequent increases, the Compensation Committee considered current market conditions, the Company’s financial condition at the time such compensation levels were determined, compensation levels for similarly situated executives at other companies, experience level, and the duties and responsibilities of such executive’s position. Base salary level is subject to evaluation from time to time by the Compensation Committee to determine whether any increase is appropriate. As of the end of Fiscal 2015, the annual base salaries for the named executive officers serving at the end of Fiscal 2015 were as follows:

<u>Named Executive</u>	<u>Annual Base Salary at FYE</u>
	<u>\$</u>
Andreas Rouvé	735,000*
Douglas L. Martin	550,000
Nathan E. Fagre	375,000
Stacey L. Neu	250,000

- * The amount in the table above for Mr. Rouvé with respect to the portion of his Fiscal 2015 base salary payable in Euros (which was €362,600) was converted to U.S. dollars at the rate of \$1.12432 per Euro, which was the published rate from the OANDA Corporation currency database as of September 30, 2015.

In October 2014, the Compensation Committee, with the assistance of LB & Co., conducted a review of the compensation of the named executive officers. As a result of this review, the annual base salaries for Mr. Martin, Mr. Fagre, and Ms. Neu did not change from their annual base salaries in effect as of the end of Fiscal 2014. Effective April 1, 2015, upon Mr. Rouvé’s promotion to Chief Executive Officer and President, his annual base salary increased from \$407,678 (or €362,600 when converted to Euros based on the September 30, 2015 exchange rate disclosed above) to \$735,000. On November 16, 2015 the Compensation Committee approved an increase of Ms. Neu’s annual base salary to a level of \$275,000, effective as of November 1, 2015.

Management Incentive Plan

General Description

Our management personnel, including our named executive officers, participate in the Company’s annual performance-based cash bonus program referred to as the Management Incentive Plan (or the “MIP”), which is designed to compensate executives and other managers based on achievement of annual corporate, business segment, and/or divisional financial goals. Under the MIP, each participant has the opportunity to earn a threshold, target, or maximum bonus amount that is contingent upon achieving the performance goals set by the Compensation Committee and reviewed by the Board of Directors. Particular performance objectives (such as increasing adjusted EBITDA) are established prior to or during the first quarter of the relevant fiscal year and reflect the Compensation Committee’s views at that time of the critical indicators of Company success in light of the Company’s primary business priorities.

[Table of Contents](#)

The specific financial targets with respect to performance goals are then set by the Compensation Committee based on the Company's annual operating plan, as approved by our Board of Directors. The annual operating plan includes performance targets for the Company as a whole as well as for each business segment. In the case of divisional managers within those business segments, divisional level performance targets have also been established.

Fiscal 2015 MIP Program

The Fiscal 2015 MIP program supported the corporate goals of increasing EBITDA growth and free cash flow generation described above under the heading "*Philosophy on Performance Based Compensation*." The performance goals for Fiscal 2015 were adjusted EBITDA and Free Cash Flow (as defined below), with the performance targets for each of Messrs. Rouvé, Martin, Fagre, and Lumley and for Ms. Neu equal to those established for the Company as a whole and were not subdivided with regard to the performance of specific business segments or units. Mr. Genito did not participate in the Fiscal 2015 MIP due to his departure from the Company during Fiscal 2015.

For Fiscal 2015, "adjusted EBITDA" was defined as earnings (defined as operating income (loss) of the Company plus other income less other expenses) before interest, taxes, depreciation, and amortization and excluding restructuring, acquisition, and integration charges, and other one-time charges. The result of the formula in the preceding sentence was then adjusted so as to negate the effects of acquisitions or dispositions; however, the Compensation Committee had the discretion to determine to include EBITDA from Board-approved acquisitions during the performance period on a case-by-case basis. "Free Cash Flow" meant adjusted EBITDA plus or minus changes in current and long term assets and liabilities, less cash payments for taxes, restructuring and interest, but excluding proceeds from acquisitions or dispositions. Any reductions in Free Cash Flow resulting from transaction costs or financing fees incurred in connection with any acquisition or refinancing approved by the Board of Directors (in each case during the performance period) was added back to Free Cash Flow.

The target Fiscal 2015 MIP award levels achievable at target for each participating named executive officer were as follows:

Named Executive	MIP Target as % of Annual Base
Andreas Rouvé ⁽¹⁾	75%
Andreas Rouvé ⁽²⁾	115%
Douglas L. Martin	90%
Nathan E. Fagre	60%
Stacey L. Neu	60%
David R. Lumley	115%

- (1) Applicable with respect to Mr. Rouvé's base salary level from October 1, 2014 through March 31, 2015 when he held the position of Chief Operating Officer.
- (2) Applicable with respect to Mr. Rouvé's base salary level from April 1, 2015 through September 30, 2015 in his position as Chief Executive Officer and President.

The Fiscal 2015 MIP plan design had a minimum financial threshold for each of adjusted EBITDA and Free Cash Flow, below which no payout would be earned with respect to that objective. The achievement of the goals of adjusted EBITDA and Free Cash Flow were determined and earned independently of one another. The named executive officer must have been an active employee of the Company on the payout date in order to receive any earned awards. In addition, the Compensation Committee provided the Chief Executive Officer with the discretionary authority to issue up to a total of \$10 million in equity awards to designated participants in lieu of any cash bonuses earned under the Fiscal 2015 MIP. The table below reflects for each named executive officer the percentage of his or her target award achievable pursuant to the performance goals, the performance required to achieve the threshold, target, and maximum payouts based on those performance goals, and the actual 2015 payout achieved.

Fiscal 2016 MIP Program

The Fiscal 2016 MIP program continues to follow the plan design from previous years, with the same corporate goals of increasing adjusted EBITDA growth and Free Cash Flow generation. The Committee changed the weighting of the adjusted EBITDA and Free Cash Flow performance measures for Fiscal 2016, with adjusted EBITDA having a weighting of 75% and Free Cash Flow having a weighting of 25%. The primary purpose of this change is to provide more incentives for individual business unit success, since for the management of the business units the adjusted EBITDA measure is based on that particular business unit's performance, while the Free Cash Flow measure is based on Company-wide performance. The performance targets for each of the named executive officers will equal those established for the Company as a whole and will not be subdivided with regard to the performance of specific business segments or units. The definitions of adjusted EBITDA and Free Cash Flow are generally the same as described above for the Fiscal 2015 MIP, with the exception that for the Fiscal 2016 MIP the financial results of the Global Auto Care segment (resulting from the acquisition of Armored AutoGroup in May of Fiscal 2015) will be included with the results of the Company operations.

The Fiscal 2016 MIP award levels achievable at target for the continuing named executive officers are as follows (Mr. Lumley is not participating in the Fiscal 2016 MIP due to his departure from the Company):

Named Executive	MIP Target as % of Annual Base
Andreas Rouvé	115%
Douglas L. Martin	90%
Nathan E. Fagre	60%
Stacey L. Neu	60%

The Fiscal 2016 MIP plan design has a minimum financial threshold for each of adjusted EBITDA and Free Cash Flow, below which there will be no payout with respect to that objective. The achievement of the goals of adjusted EBITDA and Free Cash Flow are determined and earned independently of one another. The named executive officer must be an active employee of the Company on the payout date in order to receive any earned awards. In addition, in the discretion of the Chief Executive Officer, the Company may issue up to a total of \$10 million in equity awards to designated participants in lieu of any cash bonuses earned under the Fiscal 2016 MIP. Acquisitions by the Company may be included in the adjusted EBITDA calculations subject to approval by the board of directors. The table below reflects for each named executive officer the percentage of his or her target award achievable pursuant to the performance goals applicable to his or her award, and the performance required to achieve the threshold, target, and maximum payouts based on those performance goals.

NEO	Performance Metric	Weight (% of Target Bonus)	Performance Required to Achieve Bonus % Indicated (\$ in millions)		
			Threshold (50%)	Target (100%)	Maximum (200%)
Andreas Rouvé	Consolidated Adjusted EBITDA	75%	\$ 897.10	\$935.00	\$ 981.75
Douglas L. Martin	Consolidated Free Cash Flow	25%	\$ 453.60	\$510.00	\$ 552.50

Spectrum \$2B Plan

During 2015, the Compensation Committee, in consultation with members of management, its independent compensation consultant, and outside counsel for the Compensation Committee, designed a two-year superior achievement incentive compensation program for the Company's named executive officers and other members of the Company's management team and key employees. The program, which is a successor to the Company's earlier Spectrum 750 Plan, is referred to as the "Spectrum \$2B Plan" or "Spectrum \$2B," because the program reflects a strategy to achieve an additional \$2 billion of value creation (as measured by stock market capitalization of the Company) by the end of Fiscal 2016. The purpose of the Spectrum \$2B Plan is to incentivize senior management to drive the Company's performance in excess of key financial performance metrics over a two-year performance period consisting of Fiscal 2015 and Fiscal 2016. Awards under the Spectrum \$2B Plan are granted pursuant to the Company's 2011 Plan.

The Spectrum \$2B Plan has the following key performance targets: (1) achieving adjusted EBITDA of at least \$800 million in Fiscal 2016; (2) achieving cumulative free cash flow during Fiscal 2015 and 2016 of at least \$800 million; and (3) achieving adjusted diluted earnings per share (EPS) in Fiscal 2016 of at least \$5.00 per share. In terms of potential award payouts for plan participants, 40% of the award is based on adjusted EBITDA, 40% on cumulative free cash flow, and 20% on adjusted diluted EPS. In addition, there is no payout with respect to a given metric if the performance target is not fully achieved as of September 30, 2016.

Participants in the Spectrum \$2B Plan have the opportunity to earn additional award amounts based on achievement in excess of the performance targets. The overachievement performance targets and weighting are as follows: (1) 40% of the overachievement award is based on adjusted EBITDA of \$835 million as of September 30, 2016, with linear interpolation of the award if adjusted EBITDA is between \$800 million and \$835 million for Fiscal 2016; (2) 40% is based on cumulative free cash flow of \$875 million for Fiscal 2015 and 2016 combined, with linear interpolation of the award if such metric is between \$800 million and \$875 million for Fiscal 2015 and 2016 combined; and (3) 20% is based on adjusted diluted EPS of \$5.25 per share for Fiscal 2016, with linear interpolation of the award if such metric is between \$5.00 and \$5.25 per share for Fiscal 2016. The maximum payout under each of the performance measures will be reduced by 50% if the performance on the remaining measures is less than 90% of target on each.

For purposes of determining achievement of the targets under the Spectrum \$2B Plan, the Compensation Committee established the following definitions:

"Adjusted Diluted EPS" means GAAP diluted income per share adjusted for the following items as they relate to the calculation of net income: acquisition and integration related charges, restructuring and related charges, one-time debt refinancing costs, inventory fair-value adjustments related to acquisitions, discontinued operations, stock-based compensation amortization related to the Spectrum \$2B Plan, the 2015 EIP, and the 2016 EIP, and normalizing the consolidated tax rate at 35 percent.

"Adjusted EBITDA" means earnings (defined as operating income (loss) of the Company plus other income less other expenses) before interest, taxes, depreciation, and amortization and excluding restructuring, acquisition, and integration charges, discontinued operations, and other one-time charges. The result of the formula in the preceding sentence was then adjusted so as to negate the effects of acquisitions or dispositions; provided, however that Adjusted EBITDA resulting from businesses or products lines acquired (in Board-approved transactions) during the Spectrum \$2B performance period are subject to inclusion in the calculation from the date of acquisition subject to Compensation Committee approval.

"Cumulative Free Cash Flow" means the cumulative amount during the Spectrum \$2B performance period of Adjusted EBITDA plus or minus changes in current and long term assets and liabilities, less cash payments for taxes, restructuring, and interest, but excluding proceeds from acquisitions or dispositions. Any reductions in Cumulative Free Cash Flow resulting from transaction costs or financing fees incurred in connection with any Board-approved acquisition, disposition, or refinancing (in each case during the Spectrum \$2B performance period) could be added back to Cumulative Free Cash Flow.

Payment and Vesting; Eligibility

Under the plan design, awards are denominated in dollars for achieving 100% of the performance goals, but will be payable in RSUs or shares of restricted stock based on the fair market value of the Company's shares as of the last day of the performance period. Accordingly, each participant is granted a target dollar value, as set forth in the table below. If the above performance criteria are satisfied as of September 30, 2016, then 50% of the award will be paid in RSUs or restricted stock within 74 days after the end of Fiscal 2016, and 50% will be paid in RSUs or restricted stock which vest one year after the first vesting date, subject to continued employment and any other applicable terms in the underlying award agreement. The Company's named executive officers are required to retain at least 50% of the shares they receive upon vesting (net of any shares withheld by the Company upon vesting for tax purposes) for two years after vesting. There are approximately 175 participants in the Spectrum \$2B Plan.

Awards Under the Spectrum \$2B Plan

In Fiscal 2015, the Company's Board of Directors, upon the recommendation of the Compensation Committee, approved the following award opportunities under the Spectrum \$2B Plan for the Company's continuing named executive officers. No award was made to Mr. Lumley under the Spectrum \$2B Plan.

Name	Value of RSUs or Restricted Stock Granted (in \$)		
	Award at Target	Additional Award at Maximum Overachievement	Total
Andreas Rouvé	\$3,000,000	\$ 1,500,000	\$4,500,000
Douglas L. Martin	\$2,000,000	\$ 840,000	\$2,840,000
Nathan E. Fagre	\$ 750,000	\$ 262,500	\$1,012,500
Stacey L. Neu	\$ 400,000	\$ 140,000	\$ 540,000

Equity Incentive Plans Background

2015 EIP

The 2015 EIP program is consistent with the design of our prior years' EIP programs. As with prior years, awards under the 2015 EIP for all participants are made in the form of performance-based RSUs and the award agreements provide that RSUs will vest based on the achievement of the performance goals set for the Company for Fiscal 2015 and on the continued employment of the participant through the fiscal year performance cycle. For the 2015 EIP the Company performance goals are adjusted EBITDA and Free Cash Flow, and the targets are as set forth in the Company's Annual Operating Plan approved by the Board of Directors. The weighting of these two goals is 50% for adjusted EBITDA and 50% for Free Cash Flow.

Under the 2015 EIP the two performance goals are earned independently of one another. The achievement of the performance goals for each of Messrs. Rouvé, Martin, and Fagre and for Ms. Neu are measured on a consolidated Company-wide basis and are not subdivided with regard to the performance of specific business segments or units.

The potential RSUs that could be earned by each participating named executive officer, for the 50% of the award based on adjusted EBITDA, expressed as a percentage of that portion of the award amount, ranged from 50% for achievement of the threshold adjusted EBITDA performance level established by the Compensation Committee of \$724.2 million, 100% for achieving the performance goal in full at the target performance level of \$760.0 million, and up to a maximum of 135% of the target award if performance reached or exceeded the upper achievement threshold of \$798.0 million. For the 50% of the award based on Free Cash Flow, the named executive officers could achieve 50% of this portion of the award for achievement of the threshold Free Cash Flow performance level of \$360.0 million, 100% for achieving the performance goal in full at the target performance level of \$400.0 million, and up to a maximum of 135% of the target award if performance reached or exceeded the upper achievement threshold of \$424.0 million.

The 2015 EIP design had a minimum financial threshold for each of adjusted EBITDA and Free Cash Flow, set at the level of greater than the prior year's actual performance, below which there was no payout with respect to that objective. The award agreements for the 2015 EIP provided that if an award was earned for Fiscal 2015, then 50% of the RSUs awarded would vest as soon as practicable after certification of the results by the Compensation

[Table of Contents](#)

Committee, but no later than 74 days following the end of Fiscal 2015, and 50% would vest on the first anniversary of the initial vesting date, subject to continued employment on such anniversary. Awards for performance between threshold and target levels, and between target and maximum levels, could be earned based on a linear curve between the various levels. The 2015 EIP design has a two-year performance period for any additional awards, requiring that the Fiscal 2016 performance in adjusted EBITDA and Free Cash Flow must be greater than such performance for Fiscal 2015, before any over-achievement awards would be paid to participants. This is referred to as the plan's "consistency contingency provision." If both applicable threshold performances were not achieved, then no RSUs were earned. The Compensation Committee also provided in the award agreements for the named executive officers that such officers are required to hold at least 25% of the net shares they receive (after any shares withheld by the Company for tax purposes) for at least one year following the vesting date. In addition, the named executive officers, and all other officers at the Vice President level or higher, are subject to the share ownership guidelines discussed below.

The table below reflects for each participating named executive officer the RSU award amount, the performance metrics established by the Compensation Committee, the weighting of each performance metric, the percentage of his or her target award achievable pursuant to the performance goals applicable to his or her award, the performance required to achieve the threshold, target, and maximum vesting eligibility based on those performance goals, and the percentage payout factor actually achieved (Mr. Genito is not included in this table because he was not a participant in the 2015 EIP):

NEO (# of RSUs Awarded)	Performance Metric	Weight (% of Target Award)	Performance Required to Be Eligible To Vest – Indicated % of RSUs (\$ in millions)			Calculated 2015 Payout Factor (% of Target Bonus)
			Threshold (50%)	Target (100%)	Maximum (135%)	
Andreas Rouvé (32,572)	Consolidated Adjusted EBITDA	50%	\$ 724.2	\$760.0	\$ 798.0	46.600%
	Consolidated Free Cash Flow	50%	\$ 360.0	\$400.0	\$ 424.0	54.795%
Douglas L. Martin (16,055)	Consolidated Adjusted EBITDA	50%	\$ 724.2	\$760.0	\$ 798.0	46.600%
	Consolidated Free Cash Flow	50%	\$ 360.0	\$400.0	\$ 424.0	54.795%
Nathan E. Fagre (13,914)	Consolidated Adjusted EBITDA	50%	\$ 724.2	\$760.0	\$ 798.0	46.600%
	Consolidated Free Cash Flow	50%	\$ 360.0	\$400.0	\$ 424.0	54.795%
Stacey L. Neu (7,754)	Consolidated Adjusted EBITDA	50%	\$ 724.2	\$760.0	\$ 798.0	46.600%
	Consolidated Free Cash Flow	50%	\$ 360.0	\$400.0	\$ 424.0	54.795%
David R. Lumley (54,771)	Consolidated Adjusted EBITDA	100%	—	\$760.0	\$ 798.0	0.000%

* Per the plan's consistency contingency, the plan's Free Cash Flow calculated 2015 payout factor of 54.795% requires 4.795% payout above target be held until the Company's 2016 Free Cash Flow achievement is certified as achieved at or above 2015 achievement of \$406.575 million.

2016 EIP

The 2016 EIP program continues to be consistent with the design of our prior years' EIP programs. As with prior years, awards under the 2016 EIP for all participants are made in the form of performance-based RSUs, and the award agreements will provide that RSUs will vest based on the achievement of the performance goals set for the Company for Fiscal 2016 and on the continued employment of the participant through the fiscal year performance cycle. As with prior years, for the 2016 EIP the Company performance goals are adjusted EBITDA and Free Cash Flow, and the targets are as set forth in the Company's Annual Operating Plan approved by the Board of Directors. The weighting of these two goals is 50% for adjusted EBITDA and 50% for Free Cash Flow. The definitions of adjusted EBITDA and Free Cash Flow are generally the same as described above, with the exception that for the Fiscal 2016 EIP the financial results of the Global Auto Care segment (resulting from the acquisition of Armored AutoGroup during Fiscal 2015) will be included with the results of the legacy Company operations for the full fiscal year.

[Table of Contents](#)

As with prior years, under the 2016 EIP the two performance goals are earned independently of one another. For the 2016 EIP, the achievement of the performance goals for each of Messrs. Rouvé, Martin, and Fagre and for Ms. Neu are measured on a consolidated Company-wide basis and are not subdivided with regard to the performance of specific business segments or units. Acquisitions by the Company may be included in the adjusted EBITDA calculations at the discretion of the Compensation Committee.

The potential 2016 RSUs that may be earned for each of our participating named executive officers, for the 50% of the award based on adjusted EBITDA, expressed as a percentage of that portion of the award amount, range from 50% for achievement of the threshold adjusted EBITDA performance level established by the Compensation Committee of \$897.1 million, 100% for achieving the performance goal in full at the target performance level of \$935.0 million, and up to a maximum of 135% of the target award if actual performance reaches or exceeds the upper achievement threshold of \$981.75 million. For the 50% of the award based on Free Cash Flow, the named executive officers could achieve 50% of this portion of the award for achievement of the threshold Free Cash Flow performance level of \$453.6 million, 100% for achieving the performance goal in full at the target performance level of \$510.0 million, and up to a maximum of 135% of the target award if actual performance reaches or exceeds the upper achievement threshold of \$540.6 million.

The 2016 EIP design has a minimum financial threshold for each of adjusted EBITDA and Free Cash Flow, set at the level of better than the prior year's actual performance, below which there will be no payout with respect to that objective. The award agreements for the 2016 EIP provide that if an award is earned for Fiscal 2016, then 50% of the RSUs awarded would vest as soon as practicable after certification of the results by the Compensation Committee, but no later than 74 days following the end of Fiscal 2016, and 50% would vest on the first anniversary of the initial vesting date, subject to continued employment on such anniversary. Performance between threshold and target levels, and between target and maximum levels, would be earned based on a linear curve between the various levels. If both applicable threshold performances are not achieved, then no RSUs will be earned. The Compensation Committee also will provide in the award agreements for the named executive officers in the 2016 EIP program that such officers are required to hold at least 25% of the net shares they receive (after any shares withheld by the Company for tax purposes) for at least one year. In addition, the named executive officers, and all other officers at the Vice President level or higher, are subject to the share ownership guidelines discussed below.

Other Compensation Matters

Stock Ownership Guidelines

The Board of Directors believes that certain of the Company's officers should own and hold Company common stock to further align their interests with the interests of stockholders and to further promote the Company's commitment to sound corporate governance. Therefore, effective January 29, 2013, the Board of Directors, upon the recommendation of the Compensation Committee, established stock ownership guidelines applicable to the Company's named executive officers and all other officers of the Company and its subsidiaries with a level of Vice President or above.

Under the stock ownership guidelines, the applicable officers are expected to achieve the levels of stock ownership indicated below (which equal a dollar value of stock based on a multiple of the officer's base salary) in the applicable time periods:

Position	\$ Value of Stock to be Retained (Multiple of Base Salary)	Years to Achieve
Chief Executive Officer	5x Base Salary	2 years
Chief Financial Officer, General Counsel, and General Managers of business units	3x Base Salary	2 years
Senior Vice Presidents	2x Base Salary	3 years
Vice Presidents	1x Base Salary	3 years

[Table of Contents](#)

The stock ownership levels attained by an officer are based on shares directly owned by the officer, whether through earned and vested RSU or restricted stock grants or open market purchases. Unvested restricted shares, unvested RSUs, and stock options are not counted toward the ownership goals. The Compensation Committee reviews, on an annual basis, the progress of the officers in meeting the guidelines, and in some circumstances failure to meet the guidelines by an officer could result in additional retention requirements or other actions by the Compensation Committee.

In addition, the Chief Executive Officer, Chief Financial Officer, business unit General Managers, the General Counsel, and two other officers also are subject to an additional stock retention requirement requiring them to retain at least 25% of their earned net shares of Company stock (after tax withholding) received under awards granted per the Fiscal 2015 EIP. For Fiscal 2016 EIP, 25% of earned net shares of Company stock (after tax withholding) must be held for one year after the vesting date of such awards for all participants of the program. In addition, under the terms of the Spectrum \$2B Plan, all participants at the level of Vice President or higher are subject to the 50% stock retention requirement (net of tax withholding) for two years after the date of vesting of awards under that plan.

Deferral and Post-Termination Benefits

Retirement Benefits

The Company maintains a 401(k) plan for its employees, including the named executive officers.

Supplemental Executive Life Insurance Program

Each of Messrs. Rouve and Martin participates in a program pursuant to which the Company on behalf of each participant makes an annual contribution on October 1 each year equal to 15% of such participant's base salary as of that date into a company-owned executive life insurance policy for such participant. The investment options for each such policy are selected by the participant from among a limited number of alternatives provided by the insurance provider.

Post-Termination Benefits

As described above, the Company has entered into agreements with Messrs. Rouvé, Martin, and Fagre and with Ms. Neu which govern, among other things, post-termination benefits payable to each such named executive officer should his or her employment with the Company terminate. In addition, the Company entered into the Lumley Transition Agreement and SBI entered into the Genito Retention Agreement, which provide for certain benefits and compensation to Mr. Lumley and Mr. Genito, respectively, in connection with their terminations of employment with the Company. A detailed description of the post-termination rights and benefits pursuant to each of the agreements described in this paragraph is set forth under the heading "*Termination and Change in Control Provisions*" below.

Perquisites and Benefits

The Company provides certain limited perquisites and other special benefits to certain executives, including the named executive officers. Among these benefits are financial planning services, tax planning services, car allowances or leased car programs, executive medical exams, and executive life and disability insurance.

Timing and Pricing of Stock-Based Grants

The Company currently does not issue stock options to any officers or employees. Traditionally, annual grants of restricted stock or RSUs to our named executive officers are made on the date or as soon as practicable following the date on which such grants are approved by the Compensation Committee or the Board, or, if the award dictates the achievement of a particular event prior to grant, as soon as practicable after the achievement of such event. For purposes of valuing awards made under the 2011 Plan, the grant price is the closing sales price of the Company's common stock on the exchange on which the Company's shares are listed on the grant date.

Tax Treatment of Certain Compensation

Pursuant to Section 162(m) of the Internal Revenue Code, the Company may not be able to deduct certain forms of compensation paid to its Chief Executive Officer and the three other most highly compensated named executive officers (other than the Chief Financial Officer) who remain employed at the end of a fiscal year to the extent such compensation exceeds \$1,000,000. This section also includes an exception for certain performance-based compensation awards. While the Compensation Committee believes that it is generally in the Company's best interests to satisfy these deductibility requirements, it retains the right to authorize payments in excess of the deductibility limits if it believes it to be in the interests of the Company and its stockholders. The Company has had in the past, and specifically reserves the right to have in the future, instances where it pays compensation to its executives that exceeds the deductibility limits.

Tax Payments

The Company provides increases in payments to the named executive officers and other management personnel to cover personal income tax due as a result of imputed income in connection with the provision of the following perquisites: company leased car, financial planning and tax planning and executive life and disability insurance, and Company-required relocation. Beyond these tax payments, the Company does not make any other payments to the named executive officers to cover personal income taxes.

Governing Plans

On October 21, 2010, our Board of Directors approved the 2011 Plan, subject to the approval of the stockholders at the 2011 Annual Meeting. The 2011 Plan was subsequently approved at the 2011 Annual Meeting. At the 2014 Annual Meeting, our stockholders approved an amendment to the 2011 Plan to increase by 1,000,000 the number of shares of Common Stock available for issuance under the 2011 Plan, for an aggregate total of 5,625,676 shares. As of December 9, 2015, we have issued a total of 4,076,674 restricted shares and RSUs under the 2011 Plan, and have remaining authorization under the 2011 Plan to issue up to a total of 1,549,002 shares of our common stock, or options or restricted stock units exercisable for shares of common stock.

Clawback/Forfeiture and Recoupment Policy

Under the 2011 Plan, any equity award agreement granted may be cancelled by the Compensation Committee in its sole discretion, except as prohibited by applicable law, if the participant, without the consent of the Company, while employed by or providing services to the Company or any affiliate or after termination of such employment or service, violates a non-competition, non-solicitation, or non-disclosure covenant or agreement or otherwise engages in activity that is in conflict with or adverse to the interests of the Company or any affiliate, including fraud or conduct contributing to any financial restatements or irregularities engaged in activity, as determined by the Compensation Committee in its sole discretion. The Compensation Committee may also provide in any award agreement that the participant will forfeit any gain realized on the vesting or exercise of such award, and must repay the gain to the Company, in each case except as prohibited by applicable law, if (a) the participant engages in any activity referred to in the preceding sentence, or (b) the amount of any such gain is in excess of what the participant should have received under the terms of the award for any reason (including without limitation by reason of a financial restatement, mistake in calculations, or other administrative error). Additionally, awards are subject to claw-back, forfeiture, or similar requirements to the extent required by applicable law (including without limitation Section 302 of the Sarbanes-Oxley Act and Section 954 of the Dodd Frank Act). All equity awards that have been granted under the 2011 Plan to date include such provisions.

Executive Compensation Tables

The following tables and footnotes show the compensation earned for service in all capacities during Fiscal 2015, Fiscal 2014, and Fiscal 2013 by the Company's named executive officers. For 2013, the Stock Awards for the named executive officers include the 2013 EIP awards, the HHI Integration Bonus awards (with respect to Mr. Lumley and Mr. Genito), and the Spectrum 750 Plan awards. For 2014, the Stock Awards for the named executive officers include the 2014 EIP awards, and, with respect to Mr. Martin, a one-time restricted stock grant made in connection with joining the Company and his forfeiture of equity awards at his former employer. For 2015, the Stock Awards for the named executive officers include the 2015 EIP awards and the Spectrum \$2B Plan awards.

(1) Titles included in this column are as of September 30, 2015.

(2) For Fiscal 2015, this column reflects grants of performance-based restricted stock units under the 2015 EIP, and grants under the Spectrum \$2B Plan. For Fiscal 2014, this column reflects grants of performance-based restricted stock units under the 2014 EIP, and, with respect to Mr. Martin only, under the 2011 Plan relating to a one-time grant of 28,868 shares of time-based restricted stock granted on September 1, 2014 in connection with his appointment as the Executive Vice President and Chief Financial Officer of the Company. For Fiscal 2013, this column reflects grants of performance-based restricted stock units under the 2013 EIP, a one-time special incentive integration bonus award in connection with the acquisition of the hardware and home improvement business from Stanley Black & Decker, Inc., and grants under the Spectrum 750 Plan. This column reflects the aggregate grant date fair value of the awards computed in accordance with ASC Topic 718. For a discussion of the relevant ASC 718 valuation assumptions, see Note 2, Significant Accounting Policies and Practices, of the Notes to Consolidated Financial Statements, included in the Company's Annual Report on Form 10-K for Fiscal 2015. The performance-based restricted stock unit awards are subject to performance conditions and the values listed in this column with respect to such awards are based on the probable outcome of such conditions at target as of the grant date. If the conditions for the highest level of performance are achieved, the value of the awards would be as follows (with the exception of Mr. Martin, who did not receive any grants of performance-based RSUs in Fiscal 2014): Mr. Rouvé (2015 – \$8,608,323; 2014 – \$2,343,048; and 2013 – \$2,242,890, which includes \$1,046,250 under Spectrum 750); Mr. Martin (2015 – \$4,865,025; Mr. Martin did not receive any grants of performance-based RSUs in Fiscal 2014); Mr. Fagre (2015 – \$2,767,480; 2014 – \$1,846,020; and 2013 – \$1,369,980, which includes \$472,500 under Spectrum 750); Ms. Neu (2015 – \$1,552,450); Mr. Lumley (2015 – \$6,908,294; 2014 – \$7,810,030; and 2013 – \$23,561,200, which includes \$15,000,000 under Spectrum 750); and Mr. Genito (2014 – \$3,550,033; and 2013 – \$9,519,706, which includes \$5,000,000 under Spectrum 750; Mr. Genito was not eligible to receive grants of performance-based RSUs in Fiscal 2015). At the lowest level of performance, the performance-based restricted stock unit awards are forfeited.

(3) For Fiscal 2015, 2014, and 2013, this column represents amounts earned under the Company's 2015, 2014, and 2013 MIP, as applicable. For additional detail on the 2015 MIP and the determination of the cash awards thereunder, please refer to the discussion under the headings "Management Incentive Plan" and "Long Term Incentive Plans Background," and the table entitled "Grants of Plan-Based Awards Table for Fiscal Year 2015" and its accompanying footnotes. Rouvé, Martin, Fagre, and Lumley were settled in shares of common stock in lieu of cash on December 5, 2014 and December 1, 2015, respectively, as follows: Mr. Rouvé – 4,117 shares for the 2014 MIP and 7,046 shares for the 2015 MIP; Mr. Martin – 0 shares for the 2014 MIP and 5,768 shares for the

Awards under the Company's Incentive Plans

Awards under the 2011 Plan. During Fiscal 2013, 2014, and 2015 each current named executive officer received RSU awards under the 2011 Plan made pursuant to the Company's incentive programs. Each of these is governed by the 2011 Plan and, as such, contain provisions triggered by a change in control of the Company. For purposes of these incentive plans, change in control generally means the occurrence of any of the following events:

- (i) the acquisition, by any individual, entity or group of beneficial ownership of more than 50% of the combined voting power of the Company's then outstanding securities;
- (ii) individuals who constituted the Board of Directors at the effective time of the plan and directors who are nominated and elected as their successors from time to time cease for any reason to constitute at least a majority of the Board;
- (iii) consummation of a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other entity, other than (A) a merger or consolidation which results in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no individual, entity or group is or becomes the beneficial owner, directly or indirectly, of voting securities of the Company (not including in the securities beneficially owned by such individual, entity or group any securities acquired directly from the Company or any of its direct or indirect subsidiaries) representing 50% or more of the combined voting power of the Company's then outstanding voting securities or (C) a merger or consolidation affecting the Company as a result of which a Designated Holder owns after such transaction more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or
- (iv) approval by the stockholders of the Company of either a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the assets of the Company to an entity, more than 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

Provided that, in each case, it shall not be a change in control if, immediately following the occurrence of the event described above (i) the record holders of the common stock of the Company immediately prior to the event continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of the Company immediately following the event, or (ii) the Harbinger Master Fund, the Harbinger Special Situations Fund, HRG, and their respective affiliates and subsidiaries beneficially own, directly or indirectly, more than 50% of the combined voting power of the Company or any successor.

Table of Contents

In general, in the event a change in control occurs, the Board of Directors may, in its sole discretion, provide that, with respect to any particular outstanding awards:

- (i) all stock options and stock appreciation rights outstanding as of immediately prior to the change in control will become immediately exercisable;
- (ii) the restricted period shall expire immediately prior to the change in control with respect to up to 100 percent of the then-outstanding shares of restricted stock or RSUs (including, without limitation, a waiver of any applicable performance goals);
- (iii) all incomplete performance periods in effect on the date the change in control occurs shall end on that date, and the Compensation Committee may (i) determine the extent to which performance goals with respect to each such performance period have been met based on such audited or unaudited financial information or other information then available it deems relevant and (ii) cause the participant to receive partial or full payment of awards for each such performance period based upon the Compensation Committee's determination of the degree of attainment of such performance goals, or assuming that the applicable "target" levels of performance have been attained or on such other basis determined by the Compensation Committee; and
- (iv) any awards previously deferred shall be settled as soon as practicable.

Executive-Specific Provisions

As discussed under the heading "*Current Employment and Severance Agreements*," each of the continuing named executive officers are parties to continuing employment or other written agreements with the Company that govern various aspects of the employment relationship, including the rights and obligations of the parties upon termination of that employment relationship. Set forth below is a brief description of the provisions of those agreements with respect to a termination of employment and/or in the event of a change in control, as well as descriptions of certain transition and retention agreements entered into with named executive officers who have departed the Company.

Notwithstanding this, Mr. Rouvé would be entitled to continue to participate in the Company's medical benefit plans to the extent required by law. Further, upon any such termination of employment, the Company would pay to Mr. Rouvé accrued pay and benefits.

Termination without Cause, for Good Reason, Death, or Disability. If the employment of Mr. Rouvé with the Company is terminated by the Company without "cause," by Mr. Rouvé for "good reason," or is terminated due to Mr. Rouvé's death or disability, Mr. Rouvé is entitled to receive certain post-termination benefits, detailed below, contingent upon execution of a separation agreement with a release of claims agreeable to the Company and Mr. Rouvé's compliance with the non-competition and confidentiality restrictions set forth in his employment agreement. In such event the Company will:

- pay Mr. Rouvé a pro rata portion, in cash, of the annual MIP bonus Mr. Rouvé would have earned for the fiscal year in which termination occurs if his employment had not ceased;
- provide medical insurance coverage and certain other employee benefits for Mr. Rouvé and his dependents for the 18-month period following termination; and
- pay Mr. Rouvé his accrued vacation time pursuant to Company policy.

For Mr. Rouvé, "good reason" is defined, in general, subject to notification and cure rights as described above under the heading "*Use of Employment Agreements*," as the occurrence of any of the following events without Mr. Rouvé's consent:

- any reduction in Mr. Rouvé's base salary or target MIP bonus opportunity then in effect;

- a substantial diminution or other substantive adverse change in the nature or scope of his responsibilities, authorities, powers, functions, or duties;
- a breach by the Company of any of its material obligations under the Rouvé Employment Agreement; or
- the failure of the Company to obtain the agreement for any successor to the Company to assume and agree to perform the Rouvé Employment Agreement.

Director Compensation

The Compensation Committee is responsible for approving, subject to review by the Board of Directors as a whole, compensation programs for our non-employee directors. In that function, the Compensation Committee considers market and peer company data regarding director compensation and evaluates the Company's director compensation practices in light of that data and the characteristics of the Company as a whole, with the assistance of its independent compensation advisors.

Under the director compensation program in place at the beginning of Fiscal 2015, each non-employee director receives an annual cash retainer of \$105,000 and an annual grant of restricted stock units equal to that number of shares of the Company's common stock with a value on the date of grant of \$105,000. The Chair of the Audit Committee receives an additional annual cash retainer of \$20,000, and the Chairs of the Nominating and Corporate Governance Committee and the Compensation Committee each receive an additional annual cash retainer of \$15,000. Directors are permitted to make an annual election to receive all of their director compensation in the form of Company stock in lieu of cash. In the second quarter of Fiscal 2015, the Compensation Committee recommended, and the Board approved, an increase in the compensation levels for the directors and the chairman of the board, after completing a review of the Company's director compensation program as against other peer group companies and other benchmarking data, and considering the degree of effort and time commitment expected of the Company's directors and of its chairman of the board. Accordingly, the level of annual equity compensation for directors was increased to \$125,000 of value annually from the prior level of \$105,000 of value annually. For Fiscal 2015, the amount was pro-rated from the effective date of the increase. Also, the level of annual cash compensation for the chairman of the board was increased from \$105,000 to \$210,000 annually; this amount was also pro-rated for Fiscal 2015 from the effective date of the increase.

The Board of Directors has established Stock Ownership Guidelines for Directors. Under these guidelines, each Director is expected to hold shares of the Company's common stock equal to at least one times the Director's annual compensation for service as a director.

For Fiscal 2015, the grants of RSUs were made on October 1, 2014 and vested on October 1, 2015. An additional grant of RSUs was made to each of the non-employee directors and the chairman of the board on April 1, 2015 to reflect the increase in annual director compensation discussed above. In addition, grants of RSUs were made on November 25, 2014 to Mr. Maura, which will vest in accordance with the grant award, and on September 25, 2015 to Mr. Steinberg, which vested on October 1, 2015. For Fiscal 2016, the grants of RSUs were made on October 1, 2015 and will vest on October 1, 2016.

David R. Lumley, who was an employee of the Company during a portion of Fiscal 2015 in addition to his service as a director, received no additional compensation for his service as a director of the Company. Mr. Lumley resigned from the Company's Board of Directors effective September 30, 2015. Andreas Rouvé replaced Mr. Lumley as a director effective October 1, 2015. Because Mr. Rouvé did not serve on the Board of Directors during Fiscal 2015, he is not reflected in the table below. Joseph S. Steinberg was elected to the Company's board of directors on February 19, 2015. He received a grant of RSUs during Fiscal 2015 based on a pro-rata calculation of his days of service as a director during the fiscal year.

The table set forth below, together with its footnotes, provides information regarding compensation paid to the Company's directors for Fiscal 2015. David R. Lumley, who received no compensation as a director during Fiscal 2015, is omitted from the table.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS
AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS**

- each person who is known by us to beneficially own more than 5% of the outstanding shares of our Common Stock (each, a "5% Stockholder");
- our named executive officers for Fiscal 2015;
- each of our directors serving as of December 16, 2015; and

Determinations as to the identity of 5% Stockholders is based upon filings with the SEC and other publicly available information. Except as otherwise indicated, we believe, based on the information furnished or otherwise available to us, that each person or entity named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them, subject to applicable community property laws. The percentage of beneficial ownership set forth below is based upon 59,333,653 shares of Common Stock issued and outstanding as of the close of business on December 16, 2015. In computing the number of shares of Common Stock beneficially owned by a person and the percentage ownership of that person, shares of Common Stock that are subject to RSUs held by that person that are currently expected to vest within 60 days of December 16, 2015, are deemed outstanding. These shares are not, however, deemed outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o Spectrum Brands Holdings, Inc., 3001 Deming Way, Middleton, WI 53562.

As a result of their ownership interest in HRG and certain other arrangements among the HRG Reporting Persons (as defined below) and HRG, the HRG Reporting Persons and HRG may be deemed to be members of a "group" for purposes of the Exchange Act. The "HRG Reporting Persons" are comprised of Omar M. Asali, Chief Executive Officer of HRG and a director of the Company; David M. Maura, Executive Vice President of HRG and a director of the Company; and Tyler Kolarik, a Vice President of HRG. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Based solely upon review of Forms 3, 4, and 5 (and amendments thereto) furnished to us during or in respect of Fiscal 2015 and written representations from certain reporting persons, we believe that, except as follows, all Section 16(a) filing requirements applicable to our directors, executive officers, and 10% stockholders were satisfied in a timely manner during Fiscal 2015. In Fiscal 2015, three late reports on Form 4 relating to changes in ownership were filed with respect to Messrs. Rouvé, Martin, and Fagre in connection with their grants under the Fiscal 2015 EIP. These reports were filed to report vesting of performance-based equity awards.

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth information regarding our equity compensation plans as of September 30, 2015.

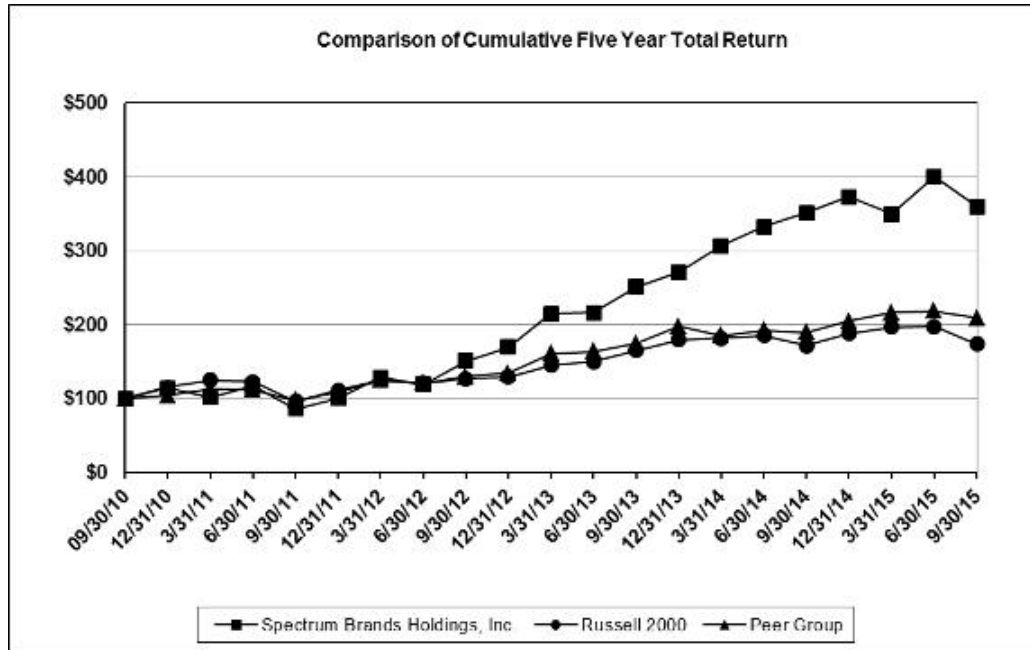

<u>Plan Category</u>	<u>Number of securities to be issued upon the exercise of outstanding options, warrants and rights</u> (a)	<u>Weighted-average exercise price of outstanding options, warrants and rights</u> (b)	<u>Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))</u> (c)

Equity compensation plans not approved by security holders	—	—	—
Total	413,623		1,649,020

- (1) Includes 195,405 shares issuable pursuant to outstanding performance-based RSU awards under the 2015 EIP, 110,777 shares issuable pursuant to outstanding performance-based RSU awards under the 2014 EIP, 62,902 shares issuable pursuant to outstanding performance-based RSU awards under the Spectrum 750 Plan, and 44,539 shares issuable pursuant to time-based restricted stock awards under the 2011 Plan. Because all of these shares are issuable under performance share awards, the awards are not taken into account for purposes of determining the weighted-average exercise price of outstanding options, warrants, and rights, and thus column (b) is not applicable with respect to these awards.
- (2) Includes 1,649,020 shares issuable pursuant to the 2011 Plan in the form of stock options, stock appreciation rights, restricted stock awards, RSUs, performance stock awards, or any combination of the foregoing.

COMPARISON OF TOTAL STOCKHOLDER RETURN

The following graph compares the cumulative total stockholder return on our Common Stock to the cumulative total return of (i) the Russell 2000 Financial Index, and (ii) our peer group selected in good faith, which is composed of the following companies: Central Garden & Pet Company, Church & Dwight Co., Inc., The Clorox Company, Edgewell Personal Care Company, Energizer Holdings, Inc., Fortune Brands Home & Security, Inc., Hanesbrands Inc., Hasbro, Inc., Jarden Corporation, Mattel, Inc., Newell Rubbermaid Inc., Nu Skin Enterprises, Inc., The Scotts Miracle-Gro Company, Stanley Black & Decker, Inc., and Tupperware Brands Corporation. For 2015, the peer group has been revised to delete Exide Technologies because it is no longer a public company. Additionally, for 2015, the peer group has been revised to add Edgewell Personal Care Company (“Edgewell”) because of its personal care products industry focus, comparable annual revenues to the Company, and comparable market capitalization to the Company. Edgewell is the successor entity resulting from the spin-off of its household products business into a separate publicly-traded company assuming the name Energizer Holdings, Inc. (“Energizer”), which was completed on July 1, 2015. Energizer is remaining in the peer group for 2015 because of its continuing focus on the household products industry.

The comparison below assumes that \$100 was invested in our Common Stock from September 30, 2010 until September 30, 2015. The comparison is based upon the closing price of our Common Stock, and assumes the reinvestment of all dividends, if any. The returns of each of the companies in our peer group are weighted according to the respective company’s stock market capitalization at the beginning of each period for which a return is indicated.

In accordance with the rules of the SEC, this section, captioned “Comparison of Total Stockholder Return,” shall not be incorporated by reference into any of our future filings made under the Securities Exchange Act of 1934 or the Securities Act of 1933. The Comparison of Cumulative 5-Year Total Return graph above, including any accompanying tables and footnotes, is not deemed to be soliciting material or deemed to be filed under the Exchange Act or the Securities Act.

The Audit Committee’s responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed with management and KPMG LLP the audited financial statements for the fiscal year ended September 30, 2015, management’s assessment of the effectiveness of the Company’s internal control over financial reporting, and KPMG LLP’s audit of the Company’s internal control over financial reporting. - the Harbinger Parties will not effect any transfer of equity securities of the Company to any person that would result in such person and its affiliates owning 40% or more of the outstanding voting securities of the Company, unless specified conditions are met; and
- the Harbinger Parties will be granted certain access and informational rights with respect to the Company and its subsidiaries.

Pursuant to a joinder to the Stockholder Agreement entered into by the Harbinger Parties and HRG, upon consummation of the previously disclosed share exchange between the Harbinger Parties and HRG on January 7, 2011 (such transaction, the "Share Exchange"), HRG became a party to the Stockholder Agreement, and is subject to all of the covenants, terms and conditions of the Stockholder Agreement to the same extent as the Harbinger Parties were bound thereunder prior to giving effect to the Share Exchange.

Certain provisions of the Stockholder Agreement terminate on the date on which the Harbinger Parties or HRG no longer constitutes a Significant Stockholder (as defined in the Stockholder Agreement). The Stockholder Agreement terminates when any person (including the Harbinger Parties or HRG) acquires 90% or more of the outstanding voting securities of the Company.

Also in connection with the Merger, the Harbinger Parties and the Company entered into a registration rights agreement, dated as of February 9, 2010 (the “SB Holdings Registration Rights Agreement”), pursuant to which the Harbinger Parties have, among other things and subject to the terms and conditions set forth therein, certain demand and so-called “piggy back” registration rights with respect to their shares of Company’s common stock. On September 10, 2010, the Harbinger Parties and HRG entered into a joinder to the SB Holdings Registration Rights Agreement, pursuant to which, effective upon the consummation of the Share Exchange, HRG became a party to the SB Holdings Registration Rights Agreement, entitled to the rights and subject to the obligations of a holder thereunder.

Arrangement with HRG Relating to Executives’ Tax Withholding Obligations

After the end of Fiscal 2015, HRG entered into purchase agreements with three named executive officers of the Company pursuant to which, upon the vesting of an executive’s stock awards granted by the Company, HRG would agree to purchase from the executive, in a private sale, that certain number of shares of the Company’s common stock corresponding to the executive’s tax withholding obligation resulting from the vesting of the award. In each case, the executive used the proceeds of the sales to satisfy the tax withholding obligations. As of the date of this proxy statement, HRG has made the following purchases from the Company’s executives under this arrangement: (i) 10,481 shares from Mr. Fagre on December 1, 2015 at a price per share of \$95.25 (for an aggregate purchase price of \$998,315); (ii) 19,324 shares from Mr. Rouvé on December 1, 2015 at a price per share of \$95.25 (for an aggregate purchase price of \$1,840,611); and (iii) 3,368 shares from Ms. Neu on December 1, 2015 at a price per share of \$95.25 (for an aggregate purchase price of \$320,802).

Director Independence

Our Board of Directors has affirmatively determined that none of the following directors has a material relationship with the Company (either directly or as a partner, stockholder, or officer of an organization that has a relationship with the Company): Norman S. Matthews, Eugene I. Davis, Kenneth C. Ambrecht, and Hugh R. Rovit. Our Board of Directors has adopted the definition of “independent director” set forth under Section 303A.02 of the NYSE Listed Company Manual to assist it in making determinations of independence. The Board of Directors has determined that the directors referred to above currently meet these standards and qualify as independent. The Board of Directors has made no determination with respect to the remaining directors.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

At the Annual Meeting, stockholders will be asked to elect Omar M. Asali, Norman S. Matthews, and Joseph S. Steinberg as Class III directors to hold office until our 2019 annual meeting of stockholders. The directors will serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you submit your proxy via the Internet, by telephone, or by mail, your shares will be voted for the election of the three nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Stockholders may withhold authority from the named proxies to vote for the nominees by marking the box under the "WITHHOLD" column adjacent to the name of the director via the Internet or on the attached proxy card, or by indicating by telephone that authority is withheld. Withholding authority to vote for the nominee will result in the nominee receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see "*Proxies and Voting Procedures*" for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker, or other nominee. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Directors

The following incumbent directors are being nominated for election to the Board of Directors as Class III directors: Omar M. Asali, Norman S. Matthews, and Joseph S. Steinberg. Please see "*Nominees for Re-Election to the Board of Directors*" for information concerning each of the nominees for election as Class III directors.

Vote Required

To be elected as a Class III director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes in favor of his election to a particular directorship will be elected to that directorship.

The Board of Directors recommends that you vote FOR the election of each of Omar M. Asali, Norman S. Matthews, and Joseph S. Steinberg as Class III directors of the Company.

**PROPOSAL 2:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2016**

General

Upon recommendation of the Audit Committee, our Board of Directors has appointed KPMG LLP as our independent registered public accounting firm for Fiscal 2016. The stockholders are asked to ratify this action of the Board of Directors. Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2016 is not required by our By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If stockholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2016, our Board of Directors will reconsider the selection of our independent registered public accounting firm for Fiscal 2016. Even if the appointment is ratified, our Board of Directors, upon the recommendation of our Audit Committee, may select a different independent registered public accounting firm at any time during Fiscal 2016 if it determines such a change would be in our best interests and the best interests of our stockholders. KPMG LLP has audited our, or our predecessor SBI's, financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from stockholders who are present.

Independent Auditor Fees

The following table summarizes the fees KPMG LLP, our independent auditor, billed to us for each of the last two fiscal years (in millions):

	<u>Audit Fees</u> \$	<u>Audit-Related Fees</u> \$	<u>Tax Fees</u> \$	<u>All Other Fees</u> \$	<u>Total</u> \$
2015	5.2	—	0.6	—	5.8
2014	4.8	0.2	0.6	—	5.6

In the above table, in accordance with the SEC's definitions and rules, "Audit Fees" are fees we paid KPMG LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, such as issuance of comfort letters and statutory audits required for certain of our foreign subsidiaries. "Audit-Related Fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. "Tax Fees" are fees for tax compliance, tax advice, and tax planning. Such fees were attributable to services for tax-compliance assistance and tax advice. "All Other Fees" are fees, if any, for any services not included in the first three categories, including due diligence activities relating to mergers and acquisitions.

Pre-Approval of Independent Auditor Services and Fees

The Audit Committee has approved the Fiscal 2016 audit services engagement to be performed by KPMG LLP. The Audit Committee must approve on an engagement by engagement basis any individual non-due diligence engagement greater than \$200,000 or any individual engagement to perform due diligence services pertaining to potential business acquisitions/dispositions and other transactions and events. The Audit Committee has delegated to its Chairman the authority to pre-approve specific audit or specific non-audit service which was not previously pre-approved by the Audit Committee, provided that any decision of the Chairman to pre-approve such audit or non-audit services shall be presented to the Audit Committee at its next scheduled meeting.

Vote Required

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the Board of Directors' appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2016.

The Board of Directors recommends that you vote FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2016.

**PROPOSAL 3:
REAPPROVAL OF THE SPECTRUM BRANDS HOLDINGS, INC.
2011 OMNIBUS EQUITY AWARD PLAN**

Background

On October 21, 2010, the Board of Directors originally adopted and approved the Spectrum Brands Holdings, Inc. 2011 Omnibus Equity Award Plan, which we refer to herein as the “2011 Plan.” The 2011 Plan was approved by our stockholders on March 1, 2011, and was amended effective January 28, 2014. As described in greater detail below, we are requesting reapproval by stockholders of the material terms of the performance goals under the 2011 Plan to continue to give the Company the flexibility to award qualified performance-based compensation, the deductibility of which will not be limited by Section 162(m) of the Code.

In this regard, Section 162(m) of the Code requires that certain provisions of the 2011 Plan be periodically resubmitted to, and reapproved by, our stockholders to qualify for an exemption from the \$1 million limit that otherwise applies to tax-deductible compensation to “covered employees.” To comply with this requirement, the Board of Directors has recommended that our stockholders reapprove the eligible participants, the existing performance criteria that may be used by the Company in establishing performance goals with respect to awards that may be granted under the 2011 Plan and are intended to qualify as “performance-based compensation” under Section 162(m) of the Code, along with other items required by Code Section 162(m).

Summary of the 2011 Plan

The following is a summary of the material provisions of the 2011 Plan. This summary does not purport to be a complete description of all the provisions of the 2011 Plan and is qualified in its entirety by reference to the complete text of the 2011 Plan, a copy of which is attached as [Appendix A](#) to this proxy statement.

Administration. Our Compensation Committee (or subcommittee thereof, if necessary for Section 162(m) of the Code) administers the 2011 Plan. The Compensation Committee has the authority to determine the terms and conditions of any agreements evidencing any awards granted under the 2011 Plan and to adopt, alter, and repeal rules, guidelines, and practices relating to the 2011 Plan. The Compensation Committee has full discretion to administer and interpret the 2011 Plan and to adopt such rules, regulations, and procedures as it deems necessary or advisable and to determine, among other things, the time or times at which the awards may be exercised and whether and under what circumstances an award may be exercised.

Eligibility. Any employees, directors, officers, or consultants of the Company or of its subsidiaries or their respective affiliates are eligible for awards under the 2011 Plan. The Compensation Committee has the sole and complete authority to determine who will be granted an award under the 2011 Plan. Additional employees of certain designated foreign subsidiaries of the Company are also eligible under separate “Sub Plans.”

Number of Shares Authorized. The 2011 Plan currently provides for an aggregate of 5,625,676 shares of our Common Stock to be available for awards under the 2011 Plan. No more than 1,000,000 shares of our Common Stock may be issued with respect to incentive stock options under the 2011 Plan. No participant may be granted awards of options and stock appreciation rights with respect to more than 500,000 shares of our Common Stock in any one year. No more than 500,000 shares of our Common Stock may be granted under the 2011 Plan to any participant during any single fiscal year with respect to performance compensation awards in any one performance period. The maximum amount payable for an individual employee or officer under the 2011 Plan for any single year during a performance period is \$20,000,000 (with respect to each year if the performance period is more than one year). Shares of our Common Stock subject to awards are generally unavailable for future grant; provided, in no event shall shares increase the number of shares of Common Stock that may be delivered pursuant to incentive stock options granted under the 2011 Plan. If there is any change in our corporate capitalization, the Compensation Committee in its sole discretion may make substitutions or adjustments to the number of shares reserved for issuance under the 2011 Plan, the number of shares covered by awards then outstanding under the 2011 Plan, the limitations on awards under the 2011 Plan, the exercise price of outstanding options and such other equitable substitution or adjustments as it may determine appropriate.

[Table of Contents](#)

Change in Capitalization. If there is a change in the Company's corporate capitalization in the event of a stock or extraordinary cash dividend, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split up, split-off, spin-off, consolidation, or other relevant change in capitalization or applicable law or circumstances, such that the Compensation Committee determines that an adjustment is necessary or appropriate, then the Compensation Committee can make adjustments in a manner that it deems equitable.

Awards Available for Grant. The Compensation Committee may grant awards of non-qualified stock options, incentive (qualified) stock options, SARs, restricted stock awards, restricted stock units, other stock based awards, performance compensation awards (including cash bonus awards) or any combination of the foregoing. Awards may be granted under the 2011 Plan in assumption of, or in substitution for, outstanding awards previously granted by an entity acquired by the Company or with which the Company combines ("Substitute Awards").

Stock Options. The Compensation Committee is authorized to grant options to purchase shares of Common Stock that are either "qualified," meaning they are intended to satisfy the requirements of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), for incentive stock options, or "non-qualified," meaning they are not intended to satisfy the requirements of Section 422 of the Code. All options granted under the 2011 Plan shall be non-qualified unless the applicable award agreement expressly states that the option is intended to be an "incentive stock option." Options granted under the 2011 Plan are subject to the terms and conditions established by the Compensation Committee. Under the terms of the 2011 Plan, the exercise price of the options will not be less than the fair market value of our Common Stock at the time of grant (except with respect to Substitute Awards). Options granted under the 2011 Plan will be subject to such terms, including the exercise price and the conditions and timing of exercise, as may be determined by the Compensation Committee and specified in the applicable award agreement. The maximum term of an option granted under the 2011 Plan will be ten years from the date of grant (or five years in the case of a qualified option granted to a 10% stockholder); provided that, if the term of a non-qualified option would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy, the option's term shall be automatically extended until the 30th day following the expiration of such prohibition. Payment in respect of the exercise of an option may be made in cash, by check, by cash equivalent, and/or shares of Common Stock valued at the fair market value at the time the option is exercised (provided that such shares are not subject to any pledge or other security interest), or by such other method as the Compensation Committee may permit in its sole discretion, including: (i) by withholding or surrender of the minimum number of shares of Common Stock otherwise deliverable in respect of an option that are needed to pay the exercise price and all applicable required withholding taxes, (ii) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted cashless exercise mechanism, or (iii) by means of a "net exercise" procedure effected by withholding the minimum number of shares otherwise deliverable in respect of an option that are needed to pay the exercise price and all applicable required withholding taxes. The Compensation Committee may, in its sole discretion, at any time buy out for a payment in cash, or the delivery of shares of Common Stock, or other property, an option previously granted to a participant in the 2011 Plan.

Stock Appreciation Rights. The Compensation Committee is authorized to award stock appreciation rights ("SARs") under the 2011 Plan. SARs are subject to the terms and conditions established by the Compensation Committee. A SAR is a contractual right that allows a participant to receive, either in the form of cash, shares, or any combination of cash and shares, the appreciation, if any, in the value of a share over a certain period of time. An option granted under the 2011 Plan may include SARs and SARs may also be awarded to a participant independent of the grant of an option. SARs granted in connection with an option shall be subject to terms similar to the option corresponding to such SARs. Except as otherwise provided by the Compensation Committee (in the case of Substitute Awards or SARs granted in tandem with previously granted options), the strike price per share of Common Stock for each SAR shall not be less than 100% of the fair market value of such share, determined as of the date of grant. The remaining terms of the SARs shall be subject to terms established by the Compensation Committee and reflected in the award agreement.

Restricted Stock. The Compensation Committee is authorized to award restricted stock under the 2011 Plan. Awards of restricted stock are subject to the terms and conditions established by the Compensation Committee. Restricted stock is Common Stock that generally is non-transferable and is subject to other restrictions determined by the Compensation Committee for a specified period.

[Table of Contents](#)

Restricted Stock Unit Awards. The Compensation Committee is authorized to award restricted stock unit awards. Restricted stock unit awards are subject to the terms and conditions established by the Compensation Committee. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment or services during the period of time over which all or a portion of the units are to be earned, then any unvested units will be forfeited. At the election of the Compensation Committee, the participant will receive a number of shares of Common Stock equal to the number of units earned or an amount in cash equal to the fair market value of that number of shares at the expiration of the period over which the units are to be earned or at a later date selected by the Compensation Committee, less an amount equal to any taxes required to be withheld. To the extent provided in an award agreement, the holder of outstanding restricted stock units shall be entitled to be credited with dividend equivalent payments upon the payment by the Company of dividends on shares of Common Stock, either in cash or (at the sole discretion of the Compensation Committee) in shares of Common Stock having a fair market value equal to the amount of such dividends, and interest may, at the sole discretion of the Compensation Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Compensation Committee, which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying restricted stock units are settled.

Other Stock-Based Awards. The Compensation Committee is authorized to grant awards of unrestricted shares of our Common Stock, rights to receive grants of awards at a future date, or other awards denominated in shares of Common Stock under such terms and conditions as the Compensation Committee may determine and as set forth in the applicable award agreement.

Performance Compensation Awards. The Compensation Committee may grant any award under the 2011 Plan in the form of a “Performance Compensation Award” by conditioning the vesting of the award on the satisfaction of certain “Performance Goals.” The Compensation Committee may establish these Performance Goals with reference to one or more of the following:

- net earnings or net income (before or after taxes);
- basic or diluted earnings per share (before or after taxes);
- net revenue or net revenue growth;
- gross revenue or gross revenue growth, gross profit, or gross profit growth;
- net operating profit (before or after taxes);
- return measures (including, but not limited to, return on investment, assets, capital, gross revenue or gross revenue growth, invested capital, equity or sales);
- cash flow measures (including, but not limited to, operating cash flow, Free Cash Flow and cash flow return on capital), which may but are not required to be measured on a per-share basis;
- earnings before or after taxes, interest, depreciation, and amortization (including EBIT and EBITDA);
- gross or net operating margins, productivity ratios, or share price (including, but not limited to, growth measures and total stockholder return, expense targets or cost reduction goals, general and administrative expense savings, and operating efficiency);
- objective measures of customer satisfaction;
- working capital targets;
- measures of economic value added or other “value creation” metrics;
- inventory control;

Table of Contents

- enterprise value;
- sales;
- stockholder return;
- client retention;
- competitive market metrics;
- employee retention;
- timely completion of new product rollouts;
- timely launch of new facilities;
- objective measures of personal targets, goals or completion of projects (including but not limited to succession and hiring projects, completion of specific acquisitions, reorganizations or other corporate transactions or capital-raising transactions, expansions of specific business operations and meeting divisional project budgets);
- system-wide revenues;
- royalty income;
- cost of capital, debt leverage, year-end cash position, or book value;
- strategic objectives, development of new product lines and related revenue, sales and margin targets, or international operations; or
- any combination of the foregoing.

Any of the above Performance Goal elements can be stated as a percentage of another Performance Goal or used on an absolute, relative, or adjusted basis to measure the performance of the Company and/or its affiliates or any divisions, operation, or business units, product lines, brands, business segment, administrative departments or combination thereof, as the Compensation Committee deems appropriate. Performance Goals may be compared to the performance of a group of comparator companies or a published or special index that the committee deems appropriate or, stock market indices. The Compensation Committee also may provide for accelerated vesting of any award based on the achievement of Performance Goals. Any award that is intended to qualify as performance-based compensation under Section 162(m) of the Code will be granted, and Performance Goals for such an award will be established, by the Compensation Committee in writing not later than 90 days after the commencement of the performance period to which the Performance Goals relate, or such other period required under Section 162(m) of the Code; provided that, the outcome is substantially uncertain at the time the Compensation Committee establishes the Performance Goal; and provided further that, in no event will a Performance Goal be considered to be pre-established if it is established after 25% of the performance period (as scheduled in good faith at the time the Performance Goal is established) has elapsed. Before any payment is made in connection with any award intended to qualify as performance-based compensation under Section 162(m) of the Code, the Compensation Committee must certify in writing that the Performance Goals established with respect to such award have been achieved.

The Compensation Committee may also specify adjustments or modifications (to the extent it would not result in adverse results under Section 162(m) of the Code) to be made to the calculation of a Performance Goal for such performance period, based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items and/or in management's discussion and analysis of financial condition and

[Table of Contents](#)

results of operations appearing in the Company's annual report to stockholders for the applicable year; (vi) acquisitions or divestitures; (vii) any other specific, unusual, or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; (ix) discontinued operations and nonrecurring charges; and (x) a change in the Company's fiscal year.

Unless otherwise provided in the applicable award agreement, a participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that (i) the Performance Goals for such period are achieved, and (ii) all or some of the portion of such participant's Performance Compensation Award has been earned for the performance period based on the application of the "Performance Formula" (as defined in the 2011 Plan) to such Performance Goals.

Effect of Change in Control. Unless otherwise provided in an award agreement, in the event of a "change in control," the Board of Directors may in its sole discretion provide that, with respect to any particular outstanding award: (a) all then-outstanding options and SARs shall become immediately exercisable as of immediately prior to the "change in control" with respect to up to 100% of the shares subject to such option or SAR; (b) any restricted period shall expire as of immediately prior to the "change in control" with respect to up to 100% of then-outstanding shares of restricted stock or RSUs (including, without limitation, a waiver of any applicable Performance Goals); (c) all incomplete performance periods in effect on the date the "change in control" occurs shall end on such date, and the Compensation Committee may (i) determine the extent to which Performance Goals with respect to each such performance period have been met based upon such audited or unaudited financial information or other information then available as it deems relevant, and (ii) cause the participant to receive partial or full payment of awards for each such performance period based upon the Compensation Committee's determination of the degree of attainment of Performance Goals, or assuming that the applicable "target" levels of performance have been attained or on such other basis determined by the Compensation Committee; and (d) cause awards previously deferred to be settled in full as soon as practicable.

Transferability. Each award may be exercised during the participant's lifetime only by the participant or, if permissible under applicable law, by the participant's guardian or legal representative and may not be otherwise transferred or encumbered by a participant other than by will or by the laws of descent and distribution.

Amendment. The 2011 Plan has a term of ten years. The Board of Directors may amend, suspend, or terminate the 2011 Plan at any time; however, stockholder approval to amend the 2011 Plan may be necessary if the law or NYSE rules so require. No amendment, suspension, or termination will impair the rights of any participant or recipient of any award without the consent of the participant or recipient.

The Compensation Committee may, to the extent consistent with the terms of any applicable award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award theretofore granted or the associated award agreement, prospectively or retroactively; provided that, any such waiver, amendment, alteration, suspension, discontinuance, cancellation, or termination that would materially and adversely affect the rights of any participant or any holder or beneficiary of any option theretofore granted shall not to that extent be effective without the consent of the affected participant, holder, or beneficiary; and provided further that, without stockholder approval, (i) no amendment or modification may reduce the option price of any option or the strike price of any SAR, (ii) the Compensation Committee may not cancel any outstanding option and replace it with a new option (with a lower option price) or cancel any SAR and replace it with a new SAR (with a lower strike price), and (iii) no option or SAR may be exchanged for cash or another award. However, stockholder approval is not required with respect to clauses (i), (ii), and (iii) above for any action specifically permitted by Section 12 (Changes in Capital Structure and Similar Events) of the 2011 Plan. In addition, none of the requirements described in the preceding clauses (i), (ii), and (iii) can be amended without stockholder approval.

U.S. Federal Income Tax Consequences

The following is a general summary of the material U.S. federal income tax consequences of the grant and exercise and vesting of awards under the 2011 Plan and the disposition of shares acquired pursuant to the exercise or settlement of such awards and is intended to reflect the current provisions of the Code and the regulations thereunder. This summary is not intended to be a complete statement of applicable law, nor does it address foreign, state, local and payroll tax considerations. Moreover, the U.S. federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant.

[Table of Contents](#)

Stock Options. The Code requires that, for treatment of an option as an incentive stock option, shares of Common Stock acquired through the exercise of an incentive stock option cannot be disposed of before the later of (i) two years from the date of grant of the option, or (ii) one year from the date of exercise. Holders of incentive stock options will generally incur no federal income tax liability at the time of grant or upon exercise of those options. However, the spread at exercise will be an “item of tax preference,” which may give rise to “alternative minimum tax” liability for the taxable year in which the exercise occurs. If the holder does not dispose of the shares before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the shares will constitute long-term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to us for federal income tax purposes in connection with the grant or exercise of the incentive stock option. If, within two years following the date of grant or within one year following the date of exercise, the holder of shares acquired through the exercise of an incentive stock option disposes of those shares, the participant will generally realize taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the share on the date of exercise or the amount realized on the subsequent disposition of the shares, and that amount will generally be deductible by us for federal income tax purposes, subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Code for compensation paid to executives designated in those Sections. Finally, if an incentive stock option becomes first exercisable in any one year for shares having an aggregate value in excess of \$100,000 (based on the grant date value), the portion of the incentive stock option in respect of those excess shares will be treated as a non-qualified stock option for federal income tax purposes. No income will be realized by a participant upon grant of an option that does not qualify as an incentive stock option (“a non-qualified stock option”). Upon the exercise of a non-qualified stock option, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying exercised shares over the option exercise price paid at the time of exercise. The Company will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

SARs. No income will be realized by a participant upon grant of a SAR. Upon the exercise of a SAR, the participant will recognize ordinary compensation income in an amount equal to the fair market value of the payment received in respect of the SAR. The Company will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Restricted Stock. A participant will not be subject to tax upon the grant of an award of restricted stock unless the participant otherwise elects to be taxed at the time of grant pursuant to Section 83(b) of the Code. On the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture, the participant will have taxable compensation equal to the difference between the fair market value of the shares on that date over the amount the participant paid for such shares, if any, unless the participant made an election under Section 83(b) of the Code to be taxed at the time of grant. If the participant made an election under Section 83(b), the participant will have taxable compensation at the time of grant equal to the difference between the fair market value of the shares on the date of grant over the amount the participant paid for such shares, if any. Special rules apply to the receipt and disposition of restricted shares received by officers and directors who are subject to Section 16(b) of the Exchange Act. The Company will be able to deduct, at the same time as it is recognized by the participant, the amount of taxable compensation to the participant for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Restricted Stock Units. A participant will not be subject to tax upon the grant of a restricted stock unit award. Rather, upon the delivery of shares or cash pursuant to a restricted stock unit award, the participant will have taxable compensation equal to the fair market value of the number of shares (or the amount of cash) the participant actually receives with respect to the award. The Company will be able to deduct the amount of taxable compensation to the participant for U.S. federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Section 162(m). In general, Section 162(m) of the Code denies a publicly held corporation a deduction for U.S. federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its chief executive officer and the three other officers whose compensation is required to be disclosed in its proxy statement (excluding the chief financial officer), subject to certain exceptions. The 2011 Plan is intended to satisfy an exception with respect to grants of options and SARs to covered employees. In addition, the 2011 Plan is designed to permit certain awards of restricted stock, restricted stock units, and other awards (including cash bonus awards) to be awarded as performance compensation awards intended to qualify under the “performance-based compensation” exception to Section 162(m) of the Code.

Section 409A of the Code. Section 409A of the Code generally affects amounts deferred by a participant. Section 409A provides that “deferred compensation” must comply with Section 409A of the Code and if it does not, the compensation is subject to a 20% additional excise tax plus, in certain cases, an interest charge.

Importance of Consulting a Tax Advisor. The foregoing discussion is a summary only and does not purport to be complete. In addition, the information is based upon existing U.S. tax laws and regulations and, therefore, is subject to change when those laws or rules change. Moreover, because the tax consequences to any participant may depend on his or her particular situation, each participant should consult his or her tax advisor as to the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of shares acquired as a result of any award.

Without limiting the generality of the foregoing, the Committee may delegate to one or more officers of the Company or any Affiliate the authority to act on behalf of the Committee with respect to any matter, right, obligation, or election which is the responsibility of or which is allocated to the Committee herein, and which may be so delegated as a matter of law, except for grants of Awards to persons (i) who are non-employee members of the Board or otherwise are subject to Section 16 of the Exchange Act or (ii) who are, or who are reasonably expected to be, "covered employees" for purposes of Section 162(m) of the Code.

(d) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award or any documents evidencing Awards granted pursuant to the Plan shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all persons or entities, including, without limitation, the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any shareholder of the Company.

(e) No member of the Board, the Committee or any employee or agent of the Company (each such person, an "Indemnifiable Person") shall be liable for any action taken or omitted to be taken or any determination made in good faith with respect to the Plan or any Award hereunder. Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit or proceeding to which such Indemnifiable Person may be a party or in which such Indemnifiable Person may be involved by reason of any action taken or omitted to be taken under the Plan or any Award agreement and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval, in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined as provided below that the Indemnifiable Person is not entitled to be indemnified); provided that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not be available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts or omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's Certificate of Incorporation or Bylaws. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, individual indemnification agreement or contract or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Persons or hold them harmless.

(f) Notwithstanding anything to the contrary contained in the Plan, the Board may, in its sole discretion, at any time and from time to time, grant Awards and administer the Plan with respect to such Awards. Any such actions by the Board shall be subject to the applicable rules of the NYSE or any other securities exchange or inter-dealer quotation system on which the Common Stock is listed or quoted. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

5. Grant of Awards; Shares Subject to the Plan; Limitations. (a) The Committee may, from time to time, grant Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Other Stock Based Awards and/or Performance Compensation Awards to one or more Eligible Persons.

(b) Awards granted under the Plan shall be subject to the following limitations: (i) subject to Section 12 of the Plan, no more than 5,625,676 shares of Common Stock may be delivered in the aggregate pursuant to Awards granted under the Plan; (ii) subject to Section 12 of the Plan, no more than 500,000 shares of Common Stock may be subject to grants of Options or SARs under the Plan to any single Participant during any calendar year; (iii) subject to Section 12 of the Plan, no more than 1,000,000 shares of Common Stock may be delivered pursuant to the exercise of Incentive Stock Options granted under the Plan; (iv) subject to Section 12 of the Plan, no more than 500,000 shares of Common Stock may be delivered in respect of Performance Compensation Awards denominated in shares of Common Stock granted pursuant to Section 11 of the Plan to any single fiscal year during a Participant for a single Performance Period (or with respect to each single fiscal year in the event a Performance Period extends beyond a single fiscal year), or in the event such Performance Compensation Award is paid in cash, other securities, other Awards or other property, no more than the Fair Market Value of 500,000 shares of Common Stock on the last day of the Performance Period to which such Award relates; and (v) the maximum amount that can be paid to any individual Participant for a single fiscal year during a Performance Period (or with respect to each single year in the event a Performance Period extends beyond a single year) pursuant to a Performance Award denominated in cash described in Section 11(a) of the Plan shall be \$20,000,000.

(c) Shares of Common Stock shall be deemed to have been used in settlement of Awards whether or not they are actually delivered or the Fair Market Value equivalent of such shares is paid in cash; provided, however, that if shares of Common Stock issued upon exercise, vesting or settlement of an Award, or shares of Common Stock owned by a Participant are surrendered or tendered to the Company (either directly or by means of attestation) in payment of the Exercise Price of an Award or any taxes required to be withheld in respect of an Award, in each case, in accordance with the terms and conditions of the Plan and any applicable Award agreement, such surrendered or tendered shares shall not become available for other Awards under the Plan; provided, further, that in no event shall such shares increase the number of shares of Common Stock that may be delivered pursuant to Incentive Stock Options granted under the Plan. In accordance with (and without limitation upon) the preceding sentence, if and to the extent an Award under the Plan expires, terminates or is canceled or forfeited for any reason whatsoever without the Participant having received any benefit therefrom, the shares covered by such Award shall again become available for other Awards under the Plan. For purposes of the foregoing sentence, a Participant shall not be deemed to have received any "benefit" (i) in the case of forfeited Restricted Stock by reason of having enjoyed voting rights and dividend rights prior to the date of forfeiture or (ii) in the case of an Award canceled by reason of a new Award being granted in substitution therefor.

(d) Shares of Common Stock delivered by the Company in settlement of Awards may be authorized and unissued shares, shares held in the treasury of the Company, shares purchased on the open market or by private purchase, or a combination of the foregoing. Following the Effective Date, no further awards shall be granted under any Prior Plan, provided that the Plan is approved by shareholders within twelve months following the Effective Date.

(e) Awards may, in the sole discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or any Affiliate or an entity directly or indirectly acquired by the Company or with which the Company combines ("Substitute Awards"). The number of shares of Common Stock underlying any Substitute Awards shall be counted against the aggregate number of shares of Common Stock available for Awards under the Plan; provided, however, that Substitute Awards issued in connection with the assumption of, or the substitution for, outstanding awards previously granted by an entity that is acquired by the Company or any Affiliate through a merger or acquisition shall not be counted against the aggregate number of shares of Common Stock available for Awards under the Plan; provided, further, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding options intended to qualify as

Table of Contents

“incentive stock options” within the meaning of Section 422 of the Code that were previously granted by an entity that is acquired by the Company or any Affiliate through a merger or acquisition shall be counted against the aggregate number of shares of Common Stock available for Awards of Incentive Stock Options under the Plan. Subject to applicable stock exchange requirements, available shares under a stockholder approved plan of an entity directly or indirectly acquired by the Company or with which the Company combines (as appropriately adjusted to reflect the acquisition or combination transaction) may be used for Awards under the Plan and shall not reduce the number of shares of Common Stock available for delivery under the Plan.

6. Eligibility. Participation shall be limited to Eligible Persons who have entered into an Award agreement or who have received written notification from the Committee, or from a person designated by the Committee, that they have been selected to participate in the Plan.

7. Options. (a) Generally. Each Option granted under the Plan shall be evidenced by an Award agreement. Each Option so granted shall be subject to the conditions set forth in this Section 7, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement. All Options granted under the Plan shall be Nonqualified Stock Options unless the applicable Award agreement expressly states that the Option is intended to be an Incentive Stock Option. Incentive Stock Options shall be granted only to Eligible Persons who are employees of the Company and its Affiliates, and no Incentive Stock Option shall be granted to any Eligible Person who is ineligible to receive an Incentive Stock Option under the Code. No Option shall be treated as an Incentive Stock Option unless the Plan has been approved by the shareholders of the Company in a manner intended to comply with the shareholder approval requirements of Section 422(b)(1) of the Code, provided that any Option intended to be an Incentive Stock Option shall not fail to be effective solely on account of a failure to obtain such approval, but rather such Option shall be treated as a Nonqualified Stock Option unless and until such approval is obtained. In the case of an Incentive Stock Option, the terms and conditions of such grant shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code. If for any reason an Option intended to be an Incentive Stock Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option or portion thereof shall be regarded as a Nonqualified Stock Option appropriately granted under the Plan.

(b) Exercise Price. Except as otherwise provided by the Committee in the case of Substitute Awards, the exercise price (“Exercise Price”) per share of Common Stock for each Option shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant); provided, however, that in the case of an Incentive Stock Option granted to an employee who, at the time of the grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate, the Exercise Price per share shall be no less than 110% of the Fair Market Value per share on the Date of Grant.

(c) Vesting and Expiration. Options shall vest and become exercisable in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the “Option Period”); provided, that if the Option Period (other than in the case of an Incentive Stock Option) would expire at a time when trading in the shares of Common Stock is prohibited by the Company’s insider trading policy (or Company-imposed “blackout period”), the Option Period shall be automatically extended until the 30th day following the expiration of such prohibition; provided, however, that in no event shall the Option Period exceed five years from the Date of Grant in the case of an Incentive Stock Option granted to a Participant who on the Date of Grant owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate; provided, further, that notwithstanding any vesting dates set by the Committee, the Committee may, in its sole discretion, accelerate the exercisability of any Option, which acceleration shall not affect the terms and conditions of such Option other than with respect to exercisability.

(d) Method of Exercise and Form of Payment. No shares of Common Stock shall be delivered pursuant to any exercise of an Option until payment in full of the Exercise Price therefor is received by the Company and the Participant has paid to the Company an amount equal to any Federal, state, local and non-U.S. income and employment taxes required to be withheld. Options which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company (or telephonic instructions to the extent provided by the Committee) in accordance with the terms of the Option accompanied by payment of the Exercise Price. The Exercise Price shall be payable (i) in cash, check, cash equivalent and/or shares of Common Stock valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of shares of Common Stock in lieu of actual delivery of

Table of Contents

such shares to the Company); provided, that such shares of Common Stock are not subject to any pledge or other security interest and are Mature Shares; (ii) by such other method as the Committee may permit in its sole discretion, including without limitation: (A) in other property having a fair market value on the date of exercise equal to the Exercise Price or (B) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted “cashless exercise” pursuant to which the Company is delivered (including telephonically to the extent permitted by the Committee) a copy of irrevocable instructions to a stockbroker to sell the shares of Common Stock otherwise deliverable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the Exercise Price or (C) by means of a “net exercise” procedure effected by withholding the minimum number of shares of Common Stock otherwise deliverable in respect of an Option that are needed to pay for the Exercise Price and all applicable required withholding taxes. Any fractional shares of Common Stock shall be settled in cash.

(e) Notification upon Disqualifying Disposition of an Incentive Stock Option. Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date he makes a disqualifying disposition of any Common Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including, without limitation, any sale) of such Common Stock before the later of (A) two years after the Date of Grant of the Incentive Stock Option or (B) one year after the date of exercise of the Incentive Stock Option. The Company may, if determined by the Committee and in accordance with procedures established by the Committee, retain possession, as agent for the applicable Participant, of any Common Stock acquired pursuant to the exercise of an Incentive Stock Option until the end of the period described in the preceding sentence, subject to complying with any instruction from such Participant as to the sale of such Common Stock.

(f) Buyout. The Committee may, in its sole discretion, at any time buy out for a payment in cash or the delivery of shares of Common Stock or other property (including, without limitation, another Award), an Option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the Participant at the time such offer is made. If the Committee so determines, the consent of the affected Participant shall not be required to effect such buyout.

(g) Compliance With Laws, etc. Notwithstanding the foregoing, in no event shall a Participant be permitted to exercise an Option in a manner which the Committee determines would violate the Sarbanes-Oxley Act of 2002, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter-dealer quotation service on which the securities of the Company are listed or traded.

8. Stock Appreciation Rights. (a) Generally. Each SAR granted under the Plan shall be evidenced by an Award agreement. Each SAR so granted shall be subject to the conditions set forth in this Section 8, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement. Any Option granted under the Plan may include tandem SARs. The Committee also may award SARs to Eligible Persons independent of any Option.

(b) Strike Price. Except as otherwise provided by the Committee in the case of Substitute Awards, the strike price (“Strike Price”) per share of Common Stock for each SAR shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant). Notwithstanding the foregoing, a SAR granted in tandem with (or in substitution for) an Option previously granted shall have a Strike Price equal to the Exercise Price of the corresponding Option.

(c) Vesting and Expiration. A SAR granted in connection with an Option shall become exercisable and shall expire according to the same vesting schedule and expiration provisions as the corresponding Option. A SAR granted independent of an Option shall vest and become exercisable and shall expire in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the “SAR Period”); provided, however, that notwithstanding any vesting dates set by the Committee, the Committee may, in its sole discretion, accelerate the exercisability of any SAR, which acceleration shall not affect the terms and conditions of such SAR other than with respect to exercisability.

Table of Contents

(d) Method of Exercise. SARs which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company in accordance with the terms of the Award, specifying the number of SARs to be exercised and the date on which such SARs were awarded. Notwithstanding the foregoing, if on the last day of the Option Period (or in the case of a SAR independent of an option, the SAR Period), the Fair Market Value exceeds the Strike Price, the Participant has not exercised the SAR or the corresponding Option (if applicable), and neither the SAR nor the corresponding Option (if applicable) has expired, such SAR shall be deemed to have been exercised by the Participant on such last day and the Company shall make the appropriate payment therefor.

(e) Payment. Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of shares subject to the SAR that are being exercised multiplied by the excess, if any, of the Fair Market Value of one share of Common Stock on the exercise date over the Strike Price, less an amount equal to any Federal, state, local and non-U.S. income and employment taxes required to be withheld. The Company shall pay such amount in cash, in shares of Common Stock valued at Fair Market Value, or any combination thereof, as determined by the Committee. Any fractional shares of Common Stock shall be settled in cash.

(f) Substitution of SARs for Nonqualified Stock Options. The Committee shall have the authority in its sole discretion to substitute, without the consent of the affected Participant or any holder or beneficiary of SARs, SARs settled in shares of Common Stock (or settled in shares or cash in the sole discretion of the Committee) for outstanding Nonqualified Stock Options, provided that (i) the substitution shall not otherwise result in a modification of the terms of any such Nonqualified Stock Option, (ii) the number of shares of Common Stock underlying the substituted SARs shall be the same as the number of shares of Common Stock underlying such Nonqualified Stock Options and (iii) the Strike Price of the substituted SARs shall be equal to the Exercise Price of such Nonqualified Stock Options; provided, however, that if, in the opinion of the Company's independent public auditors, the foregoing provision creates adverse accounting consequences for the Company, such provision shall be considered null and void.

9. Restricted Stock and Restricted Stock Units. (a) Generally. Each grant of Restricted Stock and Restricted Stock Units shall be evidenced by an Award agreement. Each Restricted Stock and Restricted Stock Unit grant shall be subject to the conditions set forth in this Section 9, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement.

(b) Stock Certificates; Escrow or Similar Arrangement. Upon the grant of Restricted Stock, the Committee shall cause share(s) of Common Stock to be registered in the name of the Participant and held in book-entry form subject to the Company's directions and, if the Committee determines that the Restricted Stock shall be held by the Company or in escrow rather than delivered to the Participant pending the release of the applicable restrictions, the Committee may require the Participant to additionally execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, if applicable, and (ii) the appropriate stock power (endorsed in blank) with respect to the Restricted Stock covered by such agreement. If a Participant shall fail to execute and deliver (in a manner permitted under Section 14(a) or as otherwise determined by the Committee) an agreement evidencing an Award of Restricted Stock and, if applicable, an escrow agreement and blank stock power within the amount of time specified by the Committee, the Award shall be null and void. Subject to the restrictions set forth in this Section 9 and the applicable Award agreement, the Participant generally shall have the rights and privileges of a shareholder as to such Restricted Stock, including without limitation the right to vote such Restricted Stock (provided that if the lapsing of restrictions with respect to any grant of Restricted Stock is contingent on satisfaction of performance conditions (other than or in addition to the passage of time), any dividends payable on such shares of Restricted Stock shall be held by the Company and delivered (without interest) to the Participant within 15 days following the date on which the restrictions on such Restricted Stock lapse (and the right to any such accumulated dividends shall be forfeited upon the forfeiture of the Restricted Stock to which such dividends relate). The Committee shall also be permitted to cause a stock certificate registered in the name of the Participant to be issued. To the extent shares of Restricted Stock are forfeited, any stock certificates issued to the Participant evidencing such shares shall be returned to the Company, and all rights of the Participant to such shares and as a shareholder with respect thereto shall terminate without further obligation on the part of the Company.

(c) Vesting; Acceleration of Lapse of Restrictions. Unless otherwise provided by the Committee in an Award agreement: (i) the Restricted Period with respect to Restricted Stock and Restricted Stock Units shall lapse in such manner and on such date or dates determined by the Committee, and the Committee shall determine the treatment of the unvested portion of Restricted Stock and Restricted Stock Units shall terminate and be forfeited upon termination of employment or service of the Participant granted the applicable Award. The Committee may in its sole discretion accelerate the lapse of any or all of the restrictions on the Restricted Stock and Restricted Stock Units which acceleration shall not affect any other terms and conditions of such Awards.

Table of Contents

(d) Delivery of Restricted Stock and Settlement of Restricted Stock Units. (i) Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock, the restrictions set forth in the applicable Award agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award agreement. If an escrow arrangement is used, upon such expiration, the Company shall deliver to the Participant, or his or her beneficiary, without charge a notice evidencing a book entry notation (or, if applicable, the stock certificate) evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (rounded down to the nearest full share). Dividends, if any, that may have been withheld by the Committee and attributable to any particular share of Restricted Stock shall be distributed to the Participant in cash or, at the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value (on the date of distribution) equal to the amount of such dividends, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such dividends.

(ii) Unless otherwise provided by the Committee in an Award agreement, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his or her beneficiary, without charge, one share of Common Stock (or other securities or other property, as applicable) for each such outstanding Restricted Stock Unit; provided, however, that the Committee may, in its sole discretion, elect to (i) pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock in respect of such Restricted Stock Units or (ii) defer the delivery of Common Stock (or cash or part Common Stock and part cash, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units, less an amount equal to any Federal, state, local and non-U.S. income and employment taxes required to be withheld. To the extent provided in an Award agreement, the holder of outstanding Restricted Stock Units shall be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on shares of Common Stock) either in cash or, at the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends (and interest may, at the sole discretion of the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying Restricted Stock Units are settled following the release of restrictions on such Restricted Stock Units, and, if such Restricted Stock Units are forfeited, the Participant shall have no right to such dividend equivalent payments.

(e) Legends on Restricted Stock. Each certificate representing Restricted Stock awarded under the Plan, if any, shall bear a legend substantially in the form of the following in addition to any other information the Company deems appropriate until the lapse of all restrictions with respect to such Common Stock:

TRANSFER OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY IS RESTRICTED PURSUANT TO THE TERMS OF THE SPECTRUM BRANDS HOLDINGS, INC. 2011 OMNIBUS EQUITY AWARD PLAN AND A RESTRICTED STOCK AWARD AGREEMENT, DATED AS OF _____, BETWEEN SPECTRUM BRANDS HOLDINGS, INC. AND _____. A COPY OF SUCH PLAN AND AWARD AGREEMENT IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF SPECTRUM BRANDS HOLDINGS, INC.

10. Other Stock Based Awards. The Committee may issue unrestricted Common Stock, rights to receive grants of Awards at a future date, or other Awards denominated in Common Stock (including, without limitation, performance shares or performance units), under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts as the Committee shall from time to time in its sole discretion determine. Each Other Stock Based Award granted under the Plan shall be evidenced by an Award agreement. Each Other Stock Based Award so granted shall be subject to such conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement.

11. Performance Compensation Awards. (a) Generally. The Committee shall have the authority, at or before the time of grant of any Award described in Sections 7 through 10 of the Plan, to designate such Award as a Performance Compensation Award intended to qualify as “performance-based compensation” under Section 162(m) of the Code. In addition, the Committee shall have the authority to make an award of a cash bonus to any Participant and designate such Award as a Performance Compensation Award intended to qualify as “performance-based compensation” under Section 162(m) of the Code. Notwithstanding anything in the Plan to the contrary, if the Company determines that a Participant who has been granted an Award designated as a Performance Compensation Award is not (or is no longer) a “covered employee” (within the meaning of Section 162(m) of the Code), the terms and conditions of such Award may be modified without regard to any restrictions or limitations set forth in this Section 11 (but subject otherwise to the provisions of Section 13 of the Plan).

(b) Discretion of Committee with Respect to Performance Compensation Awards. With regard to a particular Performance Period, the Committee shall have sole discretion to select the length of such Performance Period, the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goals(s) that is (are) to apply and the Performance Formula. Within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence and record the same in writing.

(c) Performance Criteria. The Performance Criteria that will be used to establish the Performance Goal(s) may be based on the attainment of specific levels of performance of the Company (and/or one or more Affiliates, divisions or operational and/or business units, product lines, brands, business segments, administrative departments, units, or any combination of the foregoing) and shall be limited to the following: (i) net earnings or net income (before or after taxes); (ii) basic or diluted earnings per share (before or after taxes); (iii) net revenue or net revenue growth; (iv) gross revenue or gross revenue growth, gross profit or gross profit growth; (v) net operating profit (before or after taxes); (vi) return measures (including, but not limited to, return on investment, assets, capital, gross revenue or gross revenue growth, invested capital, equity, or sales); (vii) cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital), which may but are not required to be measured on a per share basis; (viii) earnings before or after taxes, interest, depreciation and/or amortization (including EBIT and EBITDA); (ix) gross or net operating margins; (x) productivity ratios; (xi) share price (including, but not limited to, growth measures and total shareholder return); (xii) expense targets or cost reduction goals, general and administrative expense savings; (xiii) margins; (xiv) operating efficiency; (xv) objective measures of customer satisfaction; (xvi) working capital targets; (xvii) measures of economic value added or other ‘value creation’ metrics; (xviii) inventory control; (xix) enterprise value; (xx) sales; (xxi) stockholder return; (xxii); client retention; (xxiii) competitive market metrics; (xxiv) employee retention; (xxv) timely completion of new product rollouts; (xxvi) timely launch of new facilities; (xxvii) objective measures of personal targets, goals or completion of projects (including but not limited to succession and hiring projects, completion of specific acquisitions, reorganizations or other corporate transactions or capital-raising transactions, expansions of specific business operations and meeting divisional or project budgets); (xxviii) system-wide revenues; (xxix) royalty income; (xxx) cost of capital, debt leverage year-end cash position or book value; (xxxi) strategic objectives, development of new product lines and related revenue, sales and margin targets, or international operations; or (xxxii) any combination of the foregoing. Any one or more of the Performance Criteria may be stated as a percentage of another Performance Criteria, or used on an absolute, relative or adjusted basis to measure the performance of the Company and/or one or more Affiliates as a whole or any divisions or operational and/or business units, product lines, brands, business segments, administrative departments of the Company and/or one or more Affiliates or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Criteria may be compared to the performance of a group of comparator companies, or a published or special index that the Committee, in its sole discretion, deems appropriate, or as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of Performance Goals pursuant to the Performance Criteria specified in this paragraph. To the extent required under Section 162(m) of the Code, the Committee shall, within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), define in an objective fashion the manner of calculating the Performance Criteria it selects to use for such Performance Period.

(d) Modification of Performance Goal(s). In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Criteria without obtaining shareholder approval of such alterations, the Committee shall have sole discretion to make such alterations without obtaining shareholder approval. The Committee is authorized at any time during the first 90 days of a Performance Period (or, if longer or

Table of Contents

shorter, within the maximum period allowed under Section 162(m) of the Code), or at any time thereafter to the extent the exercise of such authority at such time would not cause the Performance Compensation Awards granted to any Participant for such Performance Period to fail to qualify as “performance-based compensation” under Section 162(m) of the Code, specify adjustments or modifications to be made to the calculation of a Performance Goal for such Performance Period, based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items as described in Accounting Standards Codification Topic 225-20 (or any successor pronouncement thereto) and/or in management’s discussion and analysis of financial condition and results of operations appearing in the Company’s annual report to shareholders for the applicable year; (vi) acquisitions or divestitures; (vii) any other specific unusual or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; (ix) discontinued operations and nonrecurring charges; and (x) a change in the Company’s fiscal year.

(e) Payment of Performance Compensation Awards. (i) Condition to Receipt of Payment. Unless otherwise provided in the applicable Award agreement, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period.

(ii) Limitation. Unless otherwise provided in the applicable Award agreement, a Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that: (A) the Performance Goals for such period are achieved; and (B) all or some of the portion of such Participant’s Performance Compensation Award has been earned for the Performance Period based on the application of the Performance Formula to such achieved Performance Goals.

(iii) Certification. Following the completion of a Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the amount of each Participant’s Performance Compensation Award actually payable for the Performance Period and, in so doing, may apply Negative Discretion.

(iv) Use of Negative Discretion. In determining the actual amount of an individual Participant’s Performance Compensation Award for a Performance Period, the Committee may reduce or eliminate the amount of the Performance Compensation Award earned under the Performance Formula in the Performance Period through the use of Negative Discretion if, in its sole judgment, such reduction or elimination is appropriate. The Committee shall not have the discretion to (A) grant or provide payment in respect of Performance Compensation Awards for a Performance Period if the Performance Goals for such Performance Period have not been attained; or (B) increase a Performance Compensation Award above the applicable limitations set forth in Section 5 of the Plan.

(f) Timing of Award Payments. Unless otherwise provided in the applicable Award agreement, Performance Compensation Awards granted for a Performance Period shall be paid to Participants as soon as administratively practicable following completion of the certifications required by this Section 11. Any Performance Compensation Award that has been deferred shall not (between the date as of which the Award is deferred and the payment date) increase (i) with respect to a Performance Compensation Award that is payable in cash, by a measuring factor for each fiscal year greater than a reasonable rate of interest set by the Committee or (ii) with respect to a Performance Compensation Award that is payable in shares of Common Stock, by an amount greater than the appreciation of a share of Common Stock from the date such Award is deferred to the payment date. Unless otherwise provided in an Award agreement, any Performance Compensation Award that is deferred and is otherwise payable in shares of Common Stock shall be credited (during the period between the date as of which the Award is deferred and the payment date) with dividend equivalents (in a manner consistent with the methodology set forth in the last sentence of Section 9(d)(ii)).

12. Changes in Capital Structure and Similar Events. In the event of (a) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of shares of Common Stock or other securities of the Company,

issuance of warrants or other rights to acquire shares of Common Stock or other securities of the Company, or other similar corporate transaction or event (including, without limitation, a Change in Control) that affects the shares of Common Stock, or (b) unusual or nonrecurring events (including, without limitation, a Change in Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation service, accounting principles or law, such that in either case an adjustment is determined by the Committee in its sole discretion to be necessary or appropriate, then the Committee shall make any such adjustments in such manner as it may deem equitable, including without limitation any or all of the following:

(i) adjusting any or all of (A) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) which may be delivered in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under Section 5 of the Plan) and (B) the terms of any outstanding Award, including, without limitation, (1) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate, (2) the Exercise Price or Strike Price with respect to any Award or (3) any applicable performance measures (including, without limitation, Performance Criteria and Performance Goals);

(ii) providing for a substitution or assumption of Awards, accelerating the exercisability of, lapse of restrictions on, or termination of, Awards or providing for a period of time (which shall not be required to be more than ten (10) days) for Participants to exercise outstanding Awards prior to the occurrence of such event (and any such Award not so exercised shall terminate upon the occurrence of such event); and

(iii) cancelling any one or more outstanding Awards (or awards of an acquiring Company) and causing to be paid to the holders thereof, in cash, shares of Common Stock, other securities or other property, or any combination thereof, the value of such Awards, if any, as determined by the Committee (which if applicable may be based upon the price per share of Common Stock received or to be received by other shareholders of the Company in such event), including without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the shares of Common Stock subject to such Option or SAR over the aggregate Exercise Price or Strike Price of such Option or SAR, respectively (it being understood that, in such event, any Option or SAR having a per share Exercise Price or Strike Price equal to, or in excess of, the Fair Market Value of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor);

provided, however, that in the case of any “equity restructuring” (within the meaning of the Financial Accounting Standards Codification Topic 718 (or any successor pronouncement thereto), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. Any adjustment in Incentive Stock Options under this Section 12 (other than any cancellation of Incentive Stock Options) shall be made only to the extent not constituting a “modification” within the meaning of Section 424(h)(3) of the Code, and any adjustments under this Section 12 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

13. Effect of Change in Control. Except to the extent otherwise provided in an Award agreement, in the event of a Change in Control, notwithstanding any provision of the Plan to the contrary, the Board may in its sole discretion provide that, with respect to any particular outstanding Award or Awards:

(a) all then-outstanding Options and SARs shall become immediately exercisable as of immediately prior to the Change in Control with respect to up to 100 percent of the shares subject to such Option or SAR;

(b) the Restricted Period shall expire as of immediately prior to the Change in Control with respect to up to 100 percent of then-outstanding shares of Restricted Stock or Restricted Stock Units (including without limitation a waiver of any applicable Performance Goals);

(c) all incomplete Performance Periods in effect on the date the Change in Control occurs shall end on such date, and the Committee may (i) determine the extent to which Performance Goals with respect to each such Performance Period have been met based upon such audited or unaudited financial information or other information

Table of Contents

then available as it deems relevant and (ii) cause the Participant to receive partial or full payment of Awards for each such Performance Period based upon the Committee's determination of the degree of attainment of Performance Goals, or assuming that the applicable "target" levels of performance have been attained or on such other basis determined by the Committee; and

(d) cause Awards previously deferred to be settled in full as soon as practicable.

To the extent practicable, any actions taken by the Board under the immediately preceding clauses (a) through (d) shall occur in a manner and at a time which allows affected Participants the ability to participate in the Change in Control transaction with respect to the Common Stock subject to their Awards.

14. Amendments and Termination. (a) Amendment and Termination of the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; provided, that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Plan (including, without limitation, as necessary to comply with any rules or requirements of any securities exchange or inter-dealer quotation service on which the shares of Common Stock may be listed or quoted or for changed in GAAP to new accounting standards, to prevent the Company from being denied a tax deduction under Section 162(m) of the Code); provided, further, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary. Notwithstanding the foregoing, no amendment shall be made to the last proviso of Section 13(b) without stockholder approval.

(b) Amendment of Award Agreements. The Committee may, to the extent consistent with the terms of any applicable Award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award agreement, prospectively or retroactively (including after a Participant's termination of employment or service with the Company); provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant; provided, further, that without shareholder approval, except as otherwise permitted under Section 12 of the Plan, (i) no amendment or modification may reduce the Exercise Price of any Option or the Strike Price of any SAR, (ii) the Committee may not cancel any outstanding Option or SAR and replace it with a new Option or SAR (with a lower Exercise Price or Strike Price, as the case may be) or other Award or cash in a manner which would either (A) be reportable on the Company's proxy statement as Options which have been "repriced" (as such term is used in Item 402 of Regulation S-K promulgated under the Exchange Act), or (B) result in any "repricing" for financial statement reporting purposes (or otherwise cause the Award to fail to qualify for equity accounting treatment) and (iii) the Committee may not take any other action which is considered a "repricing" for purposes of the shareholder approval rules of the applicable securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted.

15. General. (a) Award Agreements. Each Award under the Plan shall be evidenced by an Award agreement, which shall be delivered to the Participant and shall specify the terms and conditions of the Award any rules applicable thereto, including without limitation, the effect on such Award of the death, disability or termination of employment or service of a Participant, or of such other events as may be determined by the Committee. For purposes of the Plan, an Award agreement may be in any such form (written or electronic) as determined by the Committee (including, without limitation, a Board or Committee resolution, an employment agreement, a notice, a certificate or a letter) evidencing the Award. The Committee need not require an Award agreement to be signed by the Participant or a duly authorized representative of the Company.

(b) Nontransferability. (i) Each Award shall be exercisable only by a Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or an Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

Table of Contents

(ii) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards (other than Incentive Stock Options) to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award agreement to preserve the purposes of the Plan, to: (A) any person who is a “family member” of the Participant, as such term is used in the instructions to Form S-8 under the Securities Act or any successor form of registration statements promulgated by the Securities and Exchange Commission (collectively, the “Immediate Family Members”); (B) a trust solely for the benefit of the Participant and his or her Immediate Family Members; (C) a partnership or limited liability company whose only partners or shareholders are the Participant and his or her Immediate Family Members; or (D) any other transferee as may be approved either (I) by the Board or the Committee in its sole discretion, or (II) as provided in the applicable Award agreement;

(each transferee described in clauses (A), (B), (C) and (D) above is hereinafter referred to as a “Permitted Transferee”); provided that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with the immediately preceding sentence shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Award agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that (A) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the shares of Common Stock to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award agreement, that such a registration statement is necessary or appropriate; (C) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; and (D) the consequences of the termination of the Participant’s employment by, or services to, the Company or an Affiliate under the terms of the Plan and the applicable Award agreement shall continue to be applied with respect to the Participant, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award agreement.

(c) Dividends and Dividend Equivalents. The Committee in its sole discretion may provide a Participant as part of an Award with dividends or dividend equivalents, payable in cash, shares of Common Stock, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Committee in its sole discretion, including without limitation, payment directly to the Participant, withholding of such amounts by the Company subject to vesting of the Award or reinvestment in additional shares of Common Stock, Restricted Stock or other Awards; provided, that no dividend equivalents shall be payable in respect of outstanding (i) Options or SARs or (ii) unearned Performance Compensation Awards or other unearned Awards subject to performance conditions (other than or in addition to the passage of time) (although dividend equivalents may be accumulated in respect of unearned Awards and paid within 15 days after such Awards are earned and become payable or distributable).

(d) Tax Withholding. (i) A Participant shall be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold, from any cash, shares of Common Stock, other securities or other property deliverable under any Award or from any compensation or other amounts owing to a Participant, the amount (in cash, Common Stock, other securities or other property) of any required withholding taxes in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Committee or the Company to satisfy all obligations for the payment of such withholding and taxes.

(ii) Without limiting the generality of clause (i) above, the Committee may, in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) the delivery of shares of Common Stock (which are not subject to any pledge or other security interest and are Mature Shares) owned by the Participant having a Fair Market Value equal to such withholding liability or (B) having the Company withhold from the number of shares of Common Stock otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value equal to such withholding liability (but no more than the minimum required statutory withholding liability).

(e) No Claim to Awards; No Rights to Continued Employment; Waiver. No employee of the Company or an Affiliate, or other person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or an Affiliate, nor shall it be construed as giving any Participant any rights to continued service on the Board. The Company or any of its Affiliates may at any time dismiss a Participant from employment or discontinue any consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or any Award agreement. By accepting an Award under the Plan, a Participant shall thereby be deemed to have waived any claim to continued exercise or vesting of an Award or to damages or severance entitlement related to non-continuation of the Award beyond the period provided under the Plan or any Award agreement, notwithstanding any provision to the contrary in any written employment contract or other agreement between the Company and its Affiliates and the Participant, whether any such agreement is executed before, on or after the Date of Grant.

(f) International Participants. With respect to Participants who reside or work outside of the United States of America and who are not (and who are not expect to be) "covered employees" within the meaning of Section 162(m) of the Code, the Committee may in its sole discretion amend the terms of the Plan or Sub Plans or outstanding Awards with respect to such Participants in order to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for a Participant, the Company or its Affiliates.

(g) Designation and Change of Beneficiary. Each Participant may file with the Committee a written designation of one or more persons as the beneficiary(ies) who shall be entitled to receive the amounts payable with respect to an Award, if any, due under the Plan upon his death. A Participant may, from time to time, revoke or change his beneficiary designation without the consent of any prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If no beneficiary designation is filed by a Participant, the beneficiary shall be deemed to be his or her spouse or, if the Participant is unmarried at the time of death, his or her estate.

(h) Termination of Employment. Except as otherwise provided in an Award agreement or an employment, severance, consulting, letter or other agreement with a Participant, unless determined otherwise by the Committee: (i) neither a temporary absence from employment or service due to illness, vacation or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or service with the Company to employment or service with an Affiliate (or vice-versa) shall be considered a termination of employment or service with the Company or an Affiliate; and (ii) if a Participant's employment with the Company and its Affiliates terminates, but such Participant continues to provide services to the Company and its Affiliates in a non-employee capacity (or vice-versa), such change in status shall not be considered a termination of employment or service with the Company or an Affiliate for purposes of the Plan.

(i) No Rights as a Shareholder. Except as otherwise specifically provided in the Plan or any Award agreement, no person shall be entitled to the privileges of ownership in respect of shares of Common Stock which are subject to Awards hereunder until such shares have been issued or delivered to that person.

(j) Government and Other Regulations. (i) The obligation of the Company to settle Awards in Common Stock or other consideration shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Common Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Common Stock to be offered or sold under the Plan. The Committee shall have the authority to provide

Table of Contents

that all shares of Common Stock or other securities of the Company or any Affiliate delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award agreement, the Federal securities laws, or the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or inter-dealer quotation service upon which such shares or other securities of the Company are then listed or quoted and any other applicable Federal, state, local or non-U.S. laws, rules, regulations and other requirements, and, without limiting the generality of Section 9 of the Plan, the Committee may cause a legend or legends to be put on any such certificates of Common Stock or other securities of the Company or any Affiliate delivered under the Plan to make appropriate reference to such restrictions or may cause such Common Stock or other securities of the Company or any Affiliate delivered under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that it in its sole discretion deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Committee may cancel an Award or any portion thereof if it determines, in its sole discretion that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of shares of Common Stock from the public markets, the Company's issuance of Common Stock to the Participant, the Participant's acquisition of Common Stock from the Company and/or the Participant's sale of Common Stock to the public markets, illegal, impracticable or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, the Company shall pay to the Participant an amount equal to the excess of (A) the aggregate Fair Market Value of the shares of Common Stock subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the shares would have been vested or delivered, as applicable), over (B) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any amount payable as a condition of delivery of shares of Common Stock (in the case of any other Award). Such amount shall be delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof.

(k) No Section 83(b) Elections Without Consent of Company. No election under Section 83(b) of the Code or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award agreement or by action of the Committee in writing prior to the making of such election. If a Participant, in connection with the acquisition of shares of Common Stock under the Plan or otherwise, is expressly permitted to make such election and the Participant makes the election, the Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to Section 83(b) of the Code or other applicable provision.

(l) Payments to Persons Other Than Participants. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(m) Nonexclusivity of the Plan. Neither the adoption of this Plan by the Board nor the submission of this Plan to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either applicable generally or only in specific cases.

(n) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on the one hand, and a Participant or other person or entity, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or separately

Table of Contents

maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees under general law.

(o) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent public accountant of the Company and its Affiliates and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than himself.

(p) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company except as otherwise specifically provided in such other plan.

(q) Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and performed wholly within the State of Delaware, without giving effect to the conflict of laws provisions thereof.

(r) Severability. If any provision of the Plan or any Award or Award agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person or entity or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, person or entity or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(s) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(t) 409A of the Code. (i) Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of this Plan comply with Section 409A of the Code, and all provisions of this Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with this Plan or any other plan maintained by the Company (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered "deferred compensation" subject to Section 409A of the Code, references in the Plan to "termination of employment" (and substantially similar phrases) shall mean "separation from service" within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as separate payments.

(ii) Notwithstanding anything in the Plan to the contrary, if a Participant is a "specified employee" within the meaning of Section 409A(a)(2)(B) of the Code, no payments in respect of any Awards that are "deferred compensation" subject to Section 409A of the Code shall be made to such Participant prior to the date that is six months after the date of such Participant's "separation from service" (as defined in Section 409A of the Code) or, if earlier, the Participant's date of death. Following any applicable six month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) Unless otherwise provided by the Committee, in the event that the timing of payments in respect of any Award (that would otherwise be considered "deferred compensation" subject to Section 409A of the Code) would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the

Table of Contents

assets of a corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of "Disability" pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.

(u) Clawback/Forfeiture. Notwithstanding anything to the contrary contained herein, an Award agreement may provide that the Committee may in its sole discretion cancel such Award if the Participant, without the consent of the Company, while employed by or providing services to the Company or any Affiliate or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement or otherwise has engaged in or engages in activity that is in conflict with or adverse to the interest of the Company or any Affiliate, including fraud or conduct contributing to any financial restatements or irregularities, as determined by the Committee in its sole discretion. The Committee may also provide in an Award agreement that if the Participant otherwise has engaged in or engages in any activity referred to in the preceding sentence, the Participant will forfeit any gain realized on the vesting, exercise or settlement of such Award, and must repay the gain to the Company. The Committee may also provide in an Award agreement that if the Participant receives any amount in excess of what the Participant should have received under the terms of the Award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error), then the Participant shall be required to repay any such excess amount to the Company. To the extent required by applicable law (including without limitation Section 302 of the Sarbanes Oxley Act and Section 954 of the Dodd Frank Act), Awards shall be subject to clawback, forfeiture or similar requirement.

(v) Code Section 162(m) Re-approval. If so determined by the Committee, the provisions of the Plan regarding Performance Compensation Awards shall be submitted for re-approval by the shareholders of the Company no later than the first shareholder meeting that occurs in the fifth year following the year that shareholders previously approved such provisions following the date of initial shareholder approval, for purposes of exempting certain Awards granted after such time from the deduction limitations of Section 162(m) of the Code. Nothing in this subsection, however, shall affect the validity of Awards granted after such time if such shareholder approval has not been obtained.

(w) Expenses; Gender; Titles and Headings. The expenses of administering the Plan shall be borne by the Company and its Affiliates. Masculine pronouns and other words of masculine gender shall refer to both men and women. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.
