When declared effective by the SEC, the registration statement will permit Rayovac to issue, from time to time, up to an aggregate of \$1,181,750,000 of Rayovac common stock, preferred stock, debt securities, warrants, stock purchase contracts and stock purchase units.

At the time any of the securities covered by the registration statement are offered for sale, a prospectus will be prepared and filed containing specific information about the terms of any such offering.
